## DAVIDSON AGAIN DEFEATED

### STEWART PITCHES HIS USUAL GAME. KLUTTZ FOR THE VISITORS DOES SOME FANCY HITTING.

For the second time this season Davidson went down in defeat before Carolina Tuesday afternoon by a score of four to one. The game was witnessed by a large crowd of students, town people, several Trinity men and some Durhamites.

For Davidson the work of Kluttz and Buie was of the stellar variety, and McRae at short did some fast fielding. Kluttz used his willow to advantage getting a three-bagger and two singles out of four times up. His fleetness in the outfield caused "Spicket" Fountain to be minus a hit. He also ran bases like a ha'nt. Buie's throwing to bases was almost perfect. He arrested five of Carolina's would-be base purloiners. McRae cut off Hamilton's hit back of second and got some loud applause from the grandstand. For Carolina the features were the steady pitching of Stewart, the batting of Duncan, Moore, and Lyon who are credited with two singles each, and Winn's timely single in the seventh. Clark, Davidson's star slab artist, could not perform on account of a very sore arm. Bailey pitched good ball in all except the seventh inning when the Carolina boys smote his deliverances for three singles and a two-bagger.

#### Game by innings:

1. Davidson: Booe singled to left. Kluttz made an attempt to sacrifice but popped up to Stewart. Booe swiped second. Buie out second to first, Booe going to third on the play. Wilkinson hit a short fly back of second which Lyon gathered in by making a beautiful running catch. One hit, no runs.

Carolina: Duncan singled to center and advanced to second on Booe's fumble of the hit. When Buie threw to second to catch him playing off he dashed for third and made it. Winn hit a long fly to Kluttz. Duncan tagged his base and scored. Moore singled to right. Stewart hit to short forcing Moore to second. Hamilton hit a hot grounder by second, but McRae made a phenomenal stop and forced Stewart at second. Two hits, one run.

2. McRae popped up to Duncan. Boswell missed connection with "Red's" spitters. No hits, no runs.

Armstrong missed connection. Hackney fouled out to Buie. Fountain missed connection. No hits, no runs.

3. Elliott out Duncan to Hamilton. Bailey safe on Duncan's fumble. Booe fanned the breezes. Kluttz smashed the sphere to left

## W. & L. TAKES THE MEET

### CAROLINA MAKES A STRONG BID, BUT LOSE MEET BY A SCORE OF 58 TO 50.

The track team returned Sunday from Lexington, Va. where a dual meet was held with Washington and Lee Saturday. The meet was won by Washington and Lee by a score of 58 points to 50.

In justice to the home team it should be stated that Capt. Shaw was unable to attend the meet on account of having to stand an examination for an appointment in a hospital. Rutzler was also out on account of injuries received in the Greensboro meet. Only ten men were carried, Atkinson, the best man we have with the weights, being left here, as were some of the other good men.

The meet was very closely contested and Washington and Lee won out in the pinches. Several records for the Washington and Lee field were broken.

The members of the team are loud in their praise of the treatment they received while in Lexington. It is to be hoped that we can show the Washington and Lee team the same courtesy here next year.

The next meet will be with Clemson Saturday. Clemson has a strong team as her victory over Georgia Tech by a score of 80 to 28 will show.

The following gives the results in the meet:

## RECEPTION TO 1909

### THE SENIOR CLASS HAVE A NIGHT OFF AND ARE ENTERTAINED AT THE HOME OF DR. VENABLE.

Mr. and Mrs. F. P. Venable were at home to the senior class Tuesday night. About half of the class took advantage of their hospitality. The reception was a very pleasant event in the more or less sober life of the seniors.

Having a very imperfect memory in regard to apparel and not having been "dressed-up" ourselves we know not the manner of the gowning of the charming ladies. It is in order to say tastefully, though, so let it go at that.

Dr. and Mrs. Venable and their daughter Miss Louise assisted by Mrs. Hamilton, Misses Drane, Roundtree, MacRae, Shaw, Johnston, made things pleasant for the class of '09.

Indeed the occasion was delightfully informal. Everyone had a chance to see how many men one young lady could entertain. Their name is legion, all right. And say, don't forget the refreshments. Those of us who were not embarrassed, too much remember the refreshments. Being a trifle nervous though we don't remember lastly what they were.

However, this is to be remembered. Everyone seemed to have a good time. Only one thorn in the bonnet of roses—we had to leave sometime. Then was it fair for one member of the senior class to monopolize Dr. Venable? We are not going tall on him, but we warn him.

120 yard hurdles: Ruffin, North Carolina, first; Glasgow, Washington and Lee, second; Wood, North Carolina, third. Time 17:3-5 seconds.

880 yards: Anderson, Washington and Lee, first; McCown, Washington and Lee, second; Everett, North Carolina, third. Time 2 minutes 10 1-5 seconds.

220 yard-hurdles: Wood, North Carolina, first; Searing, Washington and Lee, second; Ruffin, North Carolina, third. Time 28:2-5 seconds.

Broad jump: Williams, North Carolina, first; Sullivan, Washington and Lee, second; Hall, Washington and Lee, third. Distance 20 feet 31-4 inches.

Officials: Time keepers, Dr. Latane, Dr. Howe and Dr. Brown. Judges, Messrs. Jameson, Bootay and Captain Poague. Starter, Pat Krebs. Announcer, H. W. Orde-man.

The Sophomore tennis team has defeated the Senior team in both singles and doubles. Morgan and Newton represented the Sophs, Tillett and Battle the Seniors.

## WE WIN ONE, LOSE TWO

### GEORGIA AND VIRGINIA WIN FROM US IN DEBATE BUT WE WIN FROM TULANE.

Messrs. D. B. Teague and W. P. Grier, Carolina's representatives against Georgia put up a grand fight in Athens, Ga., in vain. The Georgia team took revenge for what Carolina did for them last year. Carolina had the negative to defend the query being, "Resolved, that the United States establish a system of postal savings banks, the constitutionality being admitted," Georgia's representatives were Mr. D. L. Rogers and Mr. Y. B. Smith whom we enjoyed having with us last year. The judges were Col. E. V. Carter, Dr. S. R. Belk, and Col. J. W. Austin, all of Atlanta: Carolina's men report that they received, during their stay in Athens, the most enjoyable entertainment, and were treated always most courteously.

The University of Virginia defeated the University of North Carolina Saturday night. The query was: "Resolved, That postal depositories as outlined in the Carter bill should be established in the United States." The affirmative was upheld by Henry A. Johnson and Maurice Hirsch, of Virginia; the negative was defended by J. W. Umstead, Jr., and J. C. M. Vaun, of Carolina. Virginia had the opening and closing speech. The judges were Hon. Thomas C. Hoyle, Prof. Ernest Star, and Prof. Glasson. Mr. D. P. Stern presided over the debate and L. C. Kerr acted as secretary. T. M. Harrison of Virginia, and W. P. Grier, of Carolina, acted as alternates.

The debate was spirited from start to finish and all the speakers acquitted themselves with great credit. Mr. Maurice Hirsch of Virginia, made a particularly masterful and telling address. The decision of the committee was unanimous in favor of Virginia. Carolina has met Virginia three times in debate and has won twice.

At the close of the debate Mr. D. P. Stern presented a loving cup to Professor H. H. Williams, of the department of philosophy. Mr. Stern paid an eloquent tribute to the character and influence of Professor Williams. No man in the University has shown a deeper and more sympathetic interest in student life than Professor Williams.

Carolina's representatives against Tulane, H. E. Stacy and L. P. Matthews were too strong for Tulane Saturday night. The debate took place in the H. Sophie Newcomb College, the girl's department of Tulane and T. Marshall Miller, Rabbi Laxheller and Judge Joshua G. Baker, were the judges, all three being prominent men of this city.

The question debated on was: "Resolved, That the postal savings
