The Juniors defeated the Freshmen yesterday by a score of 9 to 2.

Once again has the strong Sophomore team taken a game. This time from the Meds. It was not so featureless as have been some of the class games this spring. Both teams fielded very well, both teams hit.

In a great game of ball Monday afternoon the Freshmen defeated the Seniors by a score of 15 to 4. It took three pitchers of more or less ability to satisfy the appetite of the freshmen hitters, it took two to satiate the wants of the Seniors.

A Bible Group Leader's Training Conference is now being conducted by Rev. Mr. Hogue and Dr. Gresham. The first series was held Sunday. Three other meetings will be held in the Y. M. C. A. Auditorium according to the schedule given below. This training conference is for the benefit of all who will lead Bible study groups next fall. If you are to lead a group these meetings, although they are necessarily very brief, are well worth your time. If you are not to lead a group but are seriously interested in Bible study, you are welcome. Your suggestions will be helpful. Come out at the following times:

Thursday, April 29, at 7:15 P. M.
Sunday, May 2, at 12:30 P. M.
Thursday, May 6, at 7:15 P. M.

At the regular meeting of the Y. M. C. A. Tuesday night the "Summer Conference for Southern College Men" was discussed. Mr. Frank Graham, chairman of the summer conference committee, presided over the meeting and bore ample testimony of his deep appreciation of the conference by saying he had attended it for the last three summers and was looking forward to this summer's conference to be held at Montreat, June the eleventh through the twenty-first.

HOW A WOMAN IN N. C. STARTED IN BUSINESS WITH ONLY ONE DOLLAR

She is now independent and cares not how bad times are. Can be done by others

A woman in North Carolina started in business with only one dollar and now has an income of more than 200 dollars a week.

One day she saw an advertisement in a monthly story paper of "WIKIE'S SWISS HERB TEA" stating that it was the BEST REMEDY ON THE MARKET for all Kidney, Liver, and Stomach Troubles and while she had been troubled with all these complaints for more than 7 years, she wrote to the Manufacturer for a 25 cent package, which she used carefully according to the directions. After one week's use she found that all her complaints had left her and she told the people, who had known her as a very sick lady, what she had used. All who saw the wonderful change in her condition, asked her to get them a package, and she sent one dollar to the manufacturer of the tea and asked him to send her as many packages as she could afford for the one dollar.

She got 8 packages which she sold at 25 cents each, which gave her a profit of one dollar on her investment, and 25 sample packages, which she distributed to other people and asked them to try this wonderful Herb Tea.

A week later she went to all these people again and asked them if they had tried the Tea and what they thought of it, and to her surprise she got an order for a package from every one of these, they all said "the Tea is wonderful." She at once sent for 100 packages and kept on distributing samples and sold them all in a weeks time. Then she sent for 500 packages and now she had 59 other ladies and men working for her, selling "Wicke's Swiss Herb Tea" from house to house, and North Carolina has never been in so healthy condition as she is now; the call for a Doctor is only in rare cases or accident. A Druggist offered her the other day \$10,000 dollars for her Agency, but she declined his offer.

Any one, who has a little push and energy can do as well as she and while there are a few Agencies still open, we advise all who want to build up an independent business, to write to H. FELDSTEIN, 1375 Myrtle avenue, Brooklyn, N. Y., and send him a Money Order for one or more dollars to secure the Agency of their town. Write today and build up a business and be independent.

\$5,445,869 More a Year for Tobacco Farmers

The total value of the tobacco yield for the eight Tobacco States is over \$59,554,131 annually. With the same acreage the tobacco growers in these States could, by improved methods of cultivation and fertilization, undoubtedly increase the total value of the crop to \$65,000,000.

Virginia-Carolina Fertilizers

are compounded with the utmost care, containing only such elements of plant foods as can be taken up and properly assimilated by the plant without causing injury to its quality. Years of investigation of the cultivation and fertilization of tobacco enables the Virginia-Carolina Chemical Company to furnish fertilizers of superior quality for the production of this crop.

Mr. J. W. Rogers, R.F.D. No. 4, Durham, N.C., writes: "I have been using your fertilizers this year and the crops are the best looking I have ever seen—especially the tobacco crop. I have never seen any other fertilizer which acted as quickly as yours does. The leaf is large and waxy, cures bright, and I am satisfied will bring a big price. Also, my neighbors in this district use your fertilizer with the best results."

Is there any reason why you couldn't do as well? Be sure and ask your fertilizer dealer for a copy of the 1909 Virginia-Carolina Year Book or Almanac, or write our nearest sales office and a copy will be sent you free.
