center for three sacks scoring Bailey. Buie out third to first. One hit, one run.

Lyon out pitcher to first. Duncan out McRae to Elliott. Winn was hit by the pitcher. Moore singled to left advancing Winn to third, but he was thrown out when he attempted to take second on his hit. One hit, no runs.

4. Wilkinson fanned. The last strike was a wild pitch and he reached first. McRae popped up to Armstrong. Wilkinson pilfered second. Boswell out short to first. Wilkinson made a daring attempt to score from second on this infield put out but Hamilton nailed him at the plate by a very narrow margin. No hits, no runs.

Stewart drew a pass. Hamilton was hit by the pitcher. On the third baseman's error they worked a double steal. Armstrong fanned. Hackney ditto. Fountain out third to first. No hits, no runs.

5. McClure out third to first. Elliott fanned. Bailey fouled out to Moore. No hits, no runs.

Lyon singled to center, but Buie arrested him when he tried to steal second. Duncan was safe on Elliott's fumble. Buie also arrested Duncan in the act of stealing a base. Winn safe on McRae's fumble. Moore was hit by the pitcher. Stewart out short to first.

6. Booe out Stewart to Hamilton. Kluttz singled, stole second, and advanced to third when the ball was fumbled by a daring piece of base running. Buie fouled out to Moore. Wilkinson fanned. One hit, no runs.

Hamilton flew out to Buie. Armstrong singled but when he tried to swipe second Buie threw him out. Hackney singled. He also tried Buie's arm and got the worst end of the bargain. Two hits, no runs.

7. McRae fanned. Boswell singled to center. Moore nabbed him for his attempted larceny of the second sack. McClure fanned. One hit, no runs.

Fountain began the inning by hitting back of third. The swift-foot-Kluttz made a beautiful running catch and robbed him of a hit. Then the cannonade began. The locals bombarded Bailey hard. Lyon hit a slow ball by the pitcher and was safe when the Davidson short stop failed to handle it cleanly. It was a hard chance and Lyon is credited with a hit. Duncan singled to right advancing Lyon to third. Duncan stole second. Winn was equal to the occasion. He hit a hammer to right scoring Lyon and Duncan. Moore hit to short and Winn was forced at second. Stewart smashed out a two-bagger to left center scoring Moore. Kluttz fielded the ball quickly and caught Stewart at third when he attempted to make three bases on his hit. Four hits, three runs.

Elliott fanned. Bailey ditto. Booe out second to first. No hits, no runs.

Hamilton out second to first. Armstrong whipped the atmosphere. Hackney popped up to third. No hits, no runs.

9. Kluttz singled and stole second, of course. Buie out second to first, Kluttz advancing to third on

the play. Wilkinson fanned again. McRae popped up to Duncan. One hit, no runs.

banks, as described in the Carter bill as ordered reprinted January 6, 1909, should not be established by the government." Tulane upheld the affirmative of the debate, and Messrs. Nicholas Callan and H. W. Kaiser, who represented her, spoke in an able manner, but the arguments advanced by Messrs. L. P. Matthews and H. E. Stacy, of North Carolina, pleased the judges better than those of Tulane, with the result that North Carolina was awarded the debate.

Three Requirements For All Students

You need reliable, original and complete material for written or spoken work. You also need books and magazines. And later a summer or permanent position, which you should plan for now, before all the best openings are filled. Here is the way to get all three at a minimum of effort and expense.

We are Dealers in Facts.

We furnish the best information obtainable on any subject in school, college or club, in business and public affairs. Our work is accurate, complete and to the point, carefully typewritten, promptly supplied, and arranged in suitable form, with outlines, bibliographies and full references.

We not only have in our own force highly-trained investigators and specialists in various lines, but we have made a business of "knowing the men who know" and means of this system of knowing "Who's Who for Efficiency" we can go straight to headquarters for authoritative information and expert advice.

Added to our large stock of information on hand and on our means of obtaining authentic information, we have a highly efficient system of sifting, arranging and presenting our facts in form that exactly meets individual requirements—that would exactly meet your needs.

We are especially strong in political science, economics, sociology, anthropology, fine arts, literature, applied science, commercial geography, travel and exploration, international law and diplomacy, history, foreign affairs, interstate and foreign commerce, financial and industrial conditions, and public problems and live questions of the day.

The cost is less than might be expected. Our charges for new and original material are at the rate of two dollars for each thousand words furnished. Quality of work guaranteed, or money refunded. Methods, references and quotations on important investigations furnished upon request. (We have thousands of articles on hand which we offer, subject to prior sale, at \$1.50 per thousand words. Send for price list.)

A Desirable Position for You.

If you are wise, you are already planning about a summer or permanent position or about an opening in the professions or independent business. To introduce our service to you, we will give you advice, information and real assistance along these lines without charge (from now up to the time you secure a desirable position) if you send us a five dollar order for information—i. e. 2,500 words or over at \$2 per thousand.

In our official capacity, we come in touch with boards of trade, chambers of commerce and other local and general organizations of employers, as well as large corporations and other concerns, educational and other institutions, and municipal, state and other governmental departments. We are thus in a position to know of positions of all kinds everywhere as well as opportunities for starting out in independent business or professional lines.

No red tape, no commissions, no strings are attached to this offer. It is free and unconditional. This information we gain about positions is simply a valuable by-product of our regular information business, and we use it to attract, help and thus hold customers. We do for you all that any regular employment agency can do, with this important difference—we ask you to sign no involved contracts, pay no fees or commissions, and incur no other obligations.

Books and Magazines Free.

As a further inducement, with every five dollar order for information we will give free, in addition to the employment privilege, any book or year of any magazine you specify, the publishers' price of which is not over one dollar. With a ten dollar order for information, we will give \$2 worth of books or magazines; with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25 order, \$5 worth; and so on. Two or more men may club together with several subjects to make such an order and divide the privileges among them.

How to Order

Just think up one or more subjects on which you need material. Estimate the number of words required. Enclose two dollars for each thousand words desired, give us exact directions as to what you want and when you want it, and if the order is for five dollars or over, name the books or magazines you wish and tell us about the position you would like and your qualification for it. We will do the rest. Address at once:
