

## THE COMMENCEMENT DANCES

(Continued from First Page)

## Fraternity House is Burned

The A. T. O. Hall burned down Wednesday afternoon. A number of reports were given as to how it caught fire. However, since we know not the cause of the fire, we can only say that it has burned.

In losing this building the A. T. O. Fraternity lost neat and comfortable quarters for those who live there, and a nice gathering place for all of its members. It is reported that it was insured, but it is unnecessary to state that its value was dependent upon its associations more than upon its monetary value, which was considerable.

## 1903 Versus 1909

The championship team of 1903 demonstrated their invincibility by defeating the championship team of 1909 Saturday afternoon by the score 4 to 0. Although neither team was complete yet both had a majority of the regular players present. Of the team of 1903 there were present: Catcher Noble, John Cheshire, "Peck" Hart, "Bill" Carr, Jack Donnelly, George Graham, and Earle Holt. Of the 1909 team there were present: Hamilton, Duncan, Stewart, Armstrong, and Moore. "Bull" Thompson of 1907 fame pitched for the 1903 team. Albert Cox, All Southern football end played an outfield for them. Both Stewart and Thompson pitched well, each allowed few hits and got credit for a large number of strike outs. The features of the game were: first and foremost Bull's long fly over left field fence for a home run. This is the first time such a thing has happened since Romy Story turned the trick in the Guilford game 1907. Armstrong did the best hitting for the 1909 men. The fielding of Cheshire and Holt for 1903 was also sensational.

## SERMON BEFORE Y. M. C. A.

Mr. T. H. Rice, D.D., Professor of Bible at Union Theological Seminary, Richmond, delivered in the chapel Sunday night a sermon to the Young Men's Christian Association of the University. Once more the inability of Gerrard Hall to accommodate those who would listen was demonstrated. Unlike some preachers Mr. Rice had the courage to preach a religious sermon before a commencement audience and the audience appreciated his speech and rejoiced in the pleasure of listening to a fine sermon from a noted man. Mr. Rice took his text from St. John 1-12, 13. He spoke to the following effect: "But as many as received Him, to them gave He the right to become the children of God, even to them that believe on His name: which were born not of blood, nor of the will of the flesh, nor of the will of man, but of God." This text is a declaration of how men may become the children of God. That a man may become the son of God is the most precious information that the gospel gives. This text implies that all men are not the sons of God, a thing also taught by Jesus, and by John and Paul and others. Hence arises the importance of knowing the way of becoming God's children. Three things are necessary: first, the reception of Christ; second, believing on the name of Jesus; third, a being born of God. These first two

are generally included in the term saving grace or faith, the third is regeneration. We must believe in Jesus as the Wall Street brokers believed in J. P. Morgan in the late financial crisis. We must receive Jesus: simply open our arms and receive him. Regeneration is a change wrought in the very core of the soul that changes the nature of man. Faith is the act of man, regeneration the act of God. Faith secures for us the status of sons of God. We are sinners originally. God's method of making men his sons was to send His son Jesus to be a sacrifice for sinners. We must simply believe on his name to be saved. The reception of Christ gives us Christ-like qualities. Regeneration secures for us the nature of sons. It precedes faith because the carnal mind is shy of its God. We must be born again before we can believe. In consciousness, however, it is faith that comes first. This being the case where does the will of man come in? We have nothing to do with regeneration which must precede faith. There is no real difficulty however. All we are to do is our part and not worry about God's. We must have faith. Believe on Jesus Christ. I would that God might send that command to your hearts.

## Philanthropic Literary Society Reunion

The Philanthropic Literary Society held its alumni meeting Saturday night immediately after the inter-society banquet in Commons Hall. Many alumni were present and the meeting was infused with a most congenial feeling of gladness and camaraderie. Dr. Richard H. Lewis of the Medical Faculty at Raleigh acted as presiding officer. Mr. Sprunt Newton of football fame was elected supervisor and Mr. Holton secretary. Many old members who have gone out into the life of the state and made a name of honor for themselves and their alma mater grew touching and witty over the reminiscences with which they charmed the society. Among the alumni who spoke were Mr. Roberts of the class of '84, Mr. Long, '95, Mr. D. P. Sterne, Mr. Sprunt Newton, Mr. J. W. Hester, Mr. Holton, Mr. Barber, Mr. Avan, and Mr. Oliver who left the University to join the ranks of the Confederate army. Prof. H. H. Williams also spoke, humorously recalling incidents in the lives of some of his former students. Prof. Collier Cobb also spoke of the pleasure it gave him to be able to meet once more with so many honored sons of the University. The society adjourned with only one man reported for misdemeanor. Mr. D. P. Stern of Greensboro was reported and fined heavily for having been guilty of nominating Mr. Sprunt Newton supervisor.
