The Macon County Club met Saturday and elected officers for the ensuing year. The following were elected: President, J. P. Jones; Vice president, H. H. Jarrett, Jr.; Secretary and treasurer, G. C. Manne. One new member was taken in, and other business transacted.

At the Y. M. C. A. prayer meeting Tuesday night the Coach gave a very interesting talk on "The Moral Value of Clean Athletics". The Hall was well filled, in spite of the very adverse weather conditions, and the students all felt fully repaid for coming out. The regular Tuesday night meeting will be dispensed with next week on account of the fact that Tuesday is University Day.

At a very enthusiastic meeting of the Basketball Association in the Y. M. C. A. Building Tuesday afternoon the following officers were elected: President, H. M. Solomon; Vice president, Roy L. Deal; Secretary and Treasurer, Lewis N. Taylor; Manager, T. W. Voils; Temporary Captain, Will. A. Darden. Practice will begin at once. All those wishing to join see E. C. Ward, L. N. Taylor or R. L. Deal immediately.

The Di Society initiated about ten men last Saturday night. The query for the debate was, Resolved, That there should be established and maintained a natural forest reserve in the Appalachian mountains. The judges decided that T. M. Price made the best speech and that Messrs. Moore and Norman deserved honorable mention. In the Friday night session of the society Mr. Moser made the best speech.

The Raeford Institute Club has recently organized and elected the following officers: Paul Dickson, Pres.; W. J. McLean, Vice-Pres.; J. B. Thomas, Sec.; and A. A. McKay, Treas. This year the club has a membership of fourteen, of whom twelve were present at the meeting. The club will meet regularly on the third Tuesday night in each month.

Several days ago the men from Guilford county met and elected officers for the ensuing year. Those elected were C. C. Garrett, Pres.; Lee Fentress, Vice-Pres.; E. H. Alderman, Sec.; and Robert Scott, Treas. This is a very enthusiastic and active club and it bids fair to pluck the feather from the cap of the Mechlenburg County Club in regard to numbers. The latter has not organized yet but its last year's membership roll is only a very little larger than that which the Guilford County Club boasts this year. The Guilford organization has thirty members and this number is almost enough to place the name of Greensboro ahead of that of Charlotte in the race for increased attendance at the University.

Saturday night the Phi Society initiated Messrs. O. C. Hamilton, W. T. Dortch, Jr., and J. B. DeLoche. The query for the debate was, Resolved, That the United States should have kept Cuba as a colonial possession. After a heated discussion, which was noteworthy on account of the signal success which attended the new men's first efforts, it was decided that the affirmative had won and that Mr. M. T. Spears had made the best speech. Mr. D. C. Parker received honorable mention. Messrs. J. A. McGoogan, 1911, and L. N. Johnston, 1912, were elected to represent the society in the Soph-Junior debate.

Carolina-Tennessee

Captain Garrett with seventeen picked men from the squad leaves this evening for Knoxville to meet the University of Tennessee there Saturday. It will be remembered that Tennessee downed us last season, 12 to 0. It is anxiously hoped by the student body that Saturday's game will wipe out that score. If hard work, and plucky playing can do it, we may count on our squad to bring back laurels for Carolina. Coach Brides is pleased with the work of the boys during the past week, and feels confident of giving Tennessee a good game Saturday. Those selected for the trip are:

Capt. Garrett; Hedgepeth, and Spainhour, tackles; Thompson, McLean, and Norwood, guards; Brown, and Deans, center; Winston, Williams, and Venable, ends; Ruffin and Belk, quarters; Porter, Crosswell, Williams, and Belden, backs.

Although the Kentucky Stears showed better training they were not able to cross Tennessee's goal line on Oct. 2. Several times the Tennessee "inns" were harsh pushed close to their own goal, but each time they held like Gibraltar. They were slow in progressing the ball and never once came close to Kentucky's goal. The ball during the 20 minute halves was almost certainly in Tennessee's territory. Tennessee proved much stronger on the defense than offense—and all through the game put up a fierce struggle.
