In this we can see but one thing the master hand of Coach Brides, none other than he could train men to play with such steadiness, confidence, and energy. Who else could train scrubs "Big" McLean and Spainhour so they could fill the places of Hedgepeth and Capt. Garrett, so the latter two were scarcely missed? It is the result of splendid coaching by a splendid coach.

In addition to this superb steadiness and precise teamwork in the line and back field who won the admiration and applause of the side lines by their spectacular plays and splendid judgement. Capt. Thompson's work at guard was in keeping with the game he always plays. No R. C. gain went over him. Not content with holding the line, once right after the impression that holding the ball was

first touchdown he tore through the line and downed Hazlitt for a three yd. loss. His work in opening holes for the backs was excellent. "Bob" Winston retains his record as a star in every game Carolina has played this season. The All Southern left end of last year had better look to his laurels. Winston first attracted the notice of the spectators Saturday by getting a Richmond College kick and plunging through the scattered team for 20 yds. His receiving of the forward pass made possible our second touchdown. He gets down under punts like lightning, and twice he downed R. C. men in their tracks on long kicks. Twice he circled right end for 30 yd. runs to the R. C. goal line, but neither score was allowed as there was holding in the N. C. line. Just before he was hurt he received an R. C. kick on the 30 yd. line, and returned it to midfield. Porter's long gains were a distinct feature of the game. He was given the ball for the first time on the R. C. 10 yd. line. He took it across with two R. C. men clinging to his legs. Once he tore through right tackle for 15 yds. When he was not carrying the ball he would always grab the man who was and drag him through the line. Twice he grabbed "Dicky" around the waist and the two went through the line for 12 yds. When Carolina scored, in the safety it was Porter who jumped over the fence and fell on the R. C. man behind the line. Belden's line plunging and kicking was excellent. Small, though he is, he is almost the backbone of our team. If a gain had to be made and he had the ball, there was no stopping him. His average gain through the line for every time he was given the ball was 3 1/2 yds. That speaks for itself as to Dicky's line bucking. He kicked every goal he got a chance at, his kick out of the first touchdown was an unfortunate slip. His drop kick was perfect.

Though Croswell was not given the ball as often as the other backs nor stayed in the game as long as they, yet his gains were consistent and timely. Once he broke through and tackled Mills for a loss. We all know what "Pearl" has done and can do. He needs no eulogy here. Brown received R. C. first kick off and returned it fifteen yds. He played a splendid game at tackle during the entire game, and showed that he can play there as well as at center. He is one of our strongest linemen, and his strongest point is not that he merely holds his own in the line, but that he keeps his eyes on the ball, scenting fumbles and opportunities to tackle behind the opposing line. Both these opportunities came to him Saturday and both he accepted. When an R. C. man fumbled a forward pass Brown covered the ball and Southard was downed at most before he got the ball when Brown broke thru the line. "Dora" Deans sure held down center. In almost every rush Deans would go clean through and carry his man with him. His kicking off was pretty, some of the kicks going to the 15 yd. line. He made one good tackle behind the opposing line, throwing Meredith for no gain. Spainhour was one of those who steadily held the line. "Mike" was right there all during the game, and fell on every fumble that came his way. Venable played a brilliant game at end. His good tackle in all probability saved our goal line. He got under punts fast, and downed his man every time. When one of our men had the hard luck to fumble Venable fell on the ball. "Big" McLean played Norwood's guard like he had always been there. His work was of the best order. You couldn't have told it wasn't "Hedgie" by the way he charged into the boys from Richmond. He kept his eyes open for fumbles as the detailed account shows. Tillet played his first game at quarter for this year Saturday. As we all know he has been unable to play heretofore on account of his back.

The game in detail is as follows:— Richmond College kicks 35 yds. to Brown who returns ball 15 yds. Croswell makes 5 yds. over left guard. Belden adds 3 thru center. Belden makes first down.
