## Class Tennis Schedule

The class championship series for tennis supremacy is now on. The managers of the respective teams met recently and arranged a ten game schedule to be played during month of December. They have arranged games for Monday, Wednesday and Friday of each week from now till the holidays in order to liven the dull evenings and give the student body a chance to see some good snappy tennis. Football is over now, and from now

till baseball starts there is nothing much astir in the way of athletics. Realizing this, the managers have placed the championship series now to meet this need. So whether you are interested in terms or not, come down to the courts on any of the dates in the schedule and watch the lively play. The games will be played on the courts behind the gym, and will start promptly at 4:00.

The championship will be decided by points instead of by the percentage method. Doubles count 40 points, and each one of the singles 30. The team aggregating the greatest number of points at the close of the series will be declared champions.

Below is the schedule.
