BRILLIANT CLASS TENNIS

WEEK FULL OF GOOD EXHIBITIONS OF TENNIS ON COURTS BACK OF GYMNASIUM.

Seniors and Juniors fatten their scores on the Lawyers and Sophomores and on each other.

Altho the tennis series has not been brought to a close the Junior prospects seem at present the brightest. They only have the Lawyers to play in singles. If the Juniors win either match they get the championship. The Seniors have next best chance. The Lawyers are out of it. The Freshmen and Sophomores have never had a chance.

In the singles between the Juniors and Seniors the Juniors chose to play Bailey against Lasley, Wyatt against Hyman. In the singles between the former the score was close and the fight hard till the last. Lasley won the first set. Bailey won the second set. In the third set Lasley had the advantage, five games to one. Bailey pulled out of the hole however and won after the games had gone to deuce several times.

Score:

Lasley 6 - 3 - 7
Bailey 2 - 6 - 9

On Tuesday afternoon Hyman played Wyatt on a very slippery court. Both players fought hard but the sets went to Hyman after a hard struggle at the beginning of each.

Score:

Hyman 8 - 6 - 6
Wyatt 6 - 2 - 1

Also on Tuesday afternoon the Seniors won easily from the Freshmen. For the first two sets the Seniors played an excellent game but becoming over-confident in the last set they slackened very perceptibly. If there were any features they were the serving of Hyman and Shamburger.

Score:

Seniors 6 - 6 - 6
Freshmen 3 - 0 - 4

Also on Tuesday afternoon Hyman played Fry in singles. The sets were about as one-sided as possible. Fry was unable to pass Hyman at the net and also unable to hold his position at the net. The result was no games for Fry.

Score:

Hyman 6 - 6
Fry 0 - 0

On Wednesday afternoon the Senior and Law teams fought out their doubles on the courts behind the gymnasium. The Seniors started out with a rush. Took the first set. Had the score five to one in their favor in the second set. Then slumped remarkably, losing the set. The third and fourth sets were stubbornly fought but went to 1910. The lawyers played steadily all the way thru. The Seniors played brilliantly at times but slumps were frequent.

Score:

Seniors 6 - 5 - 6 - 6
Law 3 - 7 - 4 - 3

On Thursday afternoon the Juniors won from the Lawyers. The Laws took the first set but were unable to win another. The Juniors won by continual lobbing and good playing at the net.

The score:

Juniors 3 - 6 - 6 - 6
Law 6 - 2 - 2 - 4

THE NOVEMBER MAGAZINE

EDITOR NASH AND HIS ASSISTANTS BRING OUT EXCELLENT EDITION.

Altho belated the Magazine contains many good articles that reconcile one to the delay.

M. C. S. Noble has in the November issue of *The University Magazine* an article entitled "Why a Young Man Should Choose Teaching as a Profession in North Carolina." Prof. Noble discussed this subject from the standpoint of a young man who still has the choice of a profession under consideration. Three questions are asked: (1) Is there a need for men in this profession? (2) Is there a living in it for me? (3) Does it give honor and an opportunity for public service? These questions are answered in order: (1) North Carolina's public High School system has improved more than that of any other state in the American union in the past five years, and a need is present for competent men. (2) With the increased demand there is an increased inducement. The people realize the responsibility of the profession. (3) Prof. Noble told of Alderman, McIver and Joyner, and their work, and their accomplishment.

In this issue of the Magazine is a disquisition by W. P. Stacy on the "Constitution of the United States the Supreme Law." At the outset is stated that the adoption of the constitution of the United States marks the beginning of an epoch in the evolution of organic law.

A sketch of the life of Judge James Cameron MacRae, by F. P. Graham, is contained in this number. Emphasized here are the characteristics of a man who served faithfully his State at all times of need, and who loved, and was loved by his fellow men.

"A Moral Leper" is credited to '07" The story tells of a young man who became involved with poker, with a deacon, with a preacher, with a woman, and with a church.

Two poems by S. H. Lyle, Jr. are in the magazine this month. The poems are "Aftermath" and "A Song of Autumn."

"Billy Brint's Vacation Episodes," copied in the Exchange department from the Randolph-Macon Monthly are full of amusement.

Reprints from Dr. Coker

Reprints from the following papers have just been received by Dr. Coker. All of them have been published in various scientific journals as follows: "Leptolegnia from North Carolina" describing a water mold never before found except in northern Germany; "Some Rare Abnormalities in Liverworts" giving account of oddities found in the laboratory at Chapel Hill; "Lycopodium Adpressum Forma Polyclavatum from South Carolina" a rare plant discovered by Dr. Coker in South Carolina; "Liverwort Types for Elementary Classes," a suggestion for making laboratory work on liverworts easier for students; "A double-flowered Sarracenia" a rare variety noted by Dr. Coker; and "Additions to the Flora of the Carolinas" a list of plants found in North and South Carolina that were unknown in these localities.
