ernment or the faculty must again employ proctors and spies. We cannot believe that recourse will be taken to the second alternative. Then we must have the council back. We must have it back at orce, too. We have spent too much time and trouble organizing our system of student government and we have worried too much in sustaining an untarnished record of out student life to have a lawless period of riot now.

The council may consent to enter upon their duties again on the same footing they formerly occupied, without legal recognition but nevertheless the most powerful factor toward the good government of the student body. Or, they may consent to begin work again when they have been recog-

AND THE DOOR WASSHUT

March 15, 1910 enough men were under contract to handle an increased factory output of "Wear-Ever" Aluminum Utensils whereas in 1909 enough men were not secured until July. Therefore, NO MORE MEN WANTED for summer of 1910 except those who may take the place of men already un der contract. This advertisement 15 continued in order to express the hope that if you desire to be a "Wear-Ever" Salesman during the summer of 1911 YOU WILL REMEMBER to make your decision early in the year.
