SPRING ELECTIONS HELD

Ball Managers, Marshalls and Junior Prom Leaders Are Chosen

The most important class elections of the spring term occurred Saturday. The Seniors chose the commencement ball managers while the Juniors elected leaders for the Junior Prom, commencement marshalls and a manager and a captain for their baseball team. The Senior election was closely contested. The various cliques worked hard for their respective candidates. The Junior election was rather tame. Apparently it was a cut and dried affair. The results are given below:

The Senior election came off in the morning. A class committee had named ten Seniors and six Juniors, from whom five Seniors and two Juniors were to be chosen. The ball managers elect are E. F. McCulloch, '11; F. G. Whitney, '11; W. M. Parsley, '11; A. E. Zollicoffer, '11; W. L. Small, '11; J. D. Boushall, Jr., '12 and R. B. Cox '12. These gentlemen held a caucus Sunday morning and elected W. L. Small, their chief.

The Juniors held their election in the afternoon. J. W. Morris was elected leader of the Junior Prom. R. W. Winston and D. R. Murchison were elected assistant leaders. C. W. Pittman was elected chief of the commencement marshalls. Six assistant marshalls were then chosen. These are W. Carter, R. R. King, J. C. Lockhart, A. H. Graham, G. C. Wood and R. M. Hanes.

W. D. Barbee and P. H. Gwynn were elected captain and manager respectively of the baseball team.

ASSOCIATION TAKES NO ACTION

After Warm Discussion the Meeting Adjourned Until Saturday

The Athletic Association met yesterday to vote on the three proposed amendments to the constitution which were published in the last Tar Heel. Mr. Williams and Mr. McCulloch opposed the 1st amendment. Mr. Stuart and Mr. Thompson upheld it. After forty-five minutes of hot air a vote was taken and the amendment was passed. Mr. Williams then declared there was no quorum. This was true and the President adjourned the meeting. Action will be taken on the amendments Saturday at 2:30.

Brilliant German Attended by Elite

Last Saturday night the many disciples in the University of the terpsicorean art gathered in the superb ball room of the Bynum Physical Culture Parlors, for the aesthetic pleasure of tripping the light fantastic toe. It was indeed a dazzling throng which gathered in this palatial hall. The company was one of the most brilliant and exclusive ever brought together in the two Carolinas, except for two or three freshman, who, having heard somebody speak the word "German" at the postoffice Saturday morning, supposed they were going to hear a lecture by Professor Viles.

One feature of this ball is particularly worthy of note, as a novelty for such a grand occasion, namely, that all the dancers were stags. But Oh, it was magnificent. The polished, high bred, and lordly appearance and manners--mostly the appearance of the gentlemen contrasted strikingly in a beautiful riot of color with the pink socks and flowing purple ties of the other gentlemen. One was reminded of the fetes at Versailles by the graceful manner in which the flower of Carolina aristocracy executed the figures, railroading down the floor in a superb rush through center, yelling like Comanche Indians. Indeed, Louis Bourbon himself could not have done it better. Mr. Dick Phillips help lead the Gauls--I mean the Germans--with a light, springy step. The most polished dancer on the floor was Mr. L. E. Stacy, who wore his class pin over his heart, and only stayed a few minutes--just long enough to say something about ring rule in the junior class.

While all the costumes were veritable triumphs of the dress makers art, the palm for the most striking garb of the evening must be awarded to Mr. Elmer Yelverton, who achieved a wonderful Parisienne sheath effect.

The proposal to remove the railway line connecting Venable and University and to provide in its place a trolley line from Venable to Durham is opposed by those living along the present line. A petition to this effect has been signed by three hundred people. A second petition, favoring the project has been circulated around Chapel Hill. Practically the whole town signed it. It is rumored that Dr. Klutz signed the opposition petition.

PENN INVITES CAROLINA TO TRACK MEET

Big Inter-Collegiate Meet to Be Held at Philadelphia in April

The TAR HEEL has received a news letter from the University of Pennsylvania. It will be of special interest to track men and should be of general interest to the whole campus. In part it is as follows:

The Athletic Association of the University of Pennsylvania will give its Seventeenth Annual Intercollegiate and Interscholastic Relay Race Meeting on Saturday, April 29th, open to all the colleges and universities of the United States and Canada. There will be three races to determine the College Championship of America, and they will be open to any college or university that desires to enter. One race will be for a distance of a mile, each man to run a quarter-mile. The second race will be a four-mile race, each man to run a mile. The third will be a two-mile race, each man to run a half-mile. The University of Pennsylvania will be found in all three, and it is expected that Harvard, Yale, Princeton, Cornell, Columbia, Chicago, Michigan, Wisconsin, etc., will also enter them.

There will be, in addition, a number of other races between colleges. We would be pleased to have your college enter a team. An effort has been made to arrange colleges in groups that are about equal in strength. MAKING SUCH A CLASSIFICATION HAS BEEN DIFFICULT. If you do not feel that your college has been placed in its proper group, we shall be glad to put you, if possible, in any other that you may suggest. Of course, by racing in one of the general contests you are not prevented from entering races for the Intercollegiate Championship. If you desire you may race with the colleges in which you have been grouped, and also enter the championship race and not enter the contest in which you are grouped.

The Relay Races have now become so well known that we hope you will make a special effort to send a team. Each year all the big colleges and schools with hardly an exception are on hand. The companionships and special events are very high class, while the group races are most interesting. Over 200 teams have been present for several years, making this the biggest meet of the year. To be absent from the Relay Races is to miss an athletic treat.

THE PRIZES.

We shall award the following prizes: A Silk Banner will be given to the winning team as a college trophy, and to each member of the winning team a gold watch. To each of the members of the team that finishes second, we shall give a silver cup. Cups will be given as third prizes. If only three colleges are able to enter the race, we shall give a silk banner to the winning team and a gold watch to each of its members. Second prizes will be given when four teams contest; third prizes will be given when six teams contest. In case your institution should enter and the other colleges with which we classed you should not enter, we shall

"SHE STOOPS TO CONQUER."

ON MONDAY FEBRUARY 20

Dramatic Club Will Present the Great Comedy on That Date

The Dramatic Club will present Goldsmith's "She Stoops to Conquer" Tuesday, February 21st. The club has been working hard on this play, under the guidance of Director McKie, and this production is expected to be up to the standard of former efforts of the club.

If not, it will be through no fault in the play, for this screamingly delightful comedy by Goldsmith has taken its audiences by storm ever since its first production in London signalled a new era in the history of English drama. The plot centers upon the efforts of a young lady to win her lover, who is exceedingly bashful in her presence. By taking the character of the bar maid of an inn, she wins his affections absolutely, thus stooping to conquer. The delicate and ridiculous situations that Goldsmith weaves about the affair are enough to make one forget that he has fallen on one of his courses.

The following men will interpret the characters of "She Stoops to Conquer:" J. F. Oliver, Henry Smith, W. B. Clinard, John Moore, Speight Beam, E. L. Williams, John Lasley, Laurence Jones, J. C. Busbee, C. L. Cates, J. T. Pritchett and J. R. Craven. Speight Beam is leading man, and it is safe to say that when he is diked up in his gay togs--otherwise attired in the garb of a seventeenth century gentleman--his superb figure will be calculated to make the fair damsels of the Greensboro Normal lose their hearts. Mr. Beam will be assisted in his office of hero by E. L. Williams. The two heroines are John Lasley and Laurence Jones. All who remember last years senior stunt will appreciate what a winsome heroine Lasley will make. Mr. John Moore will also portray the eternal feminine. It is said that his coquettish glances are absolutely killing. Of course, the most enjoyable character of the whole play will be Frank Oliver as Toby, the jolly good fellow. Oliver's portrayal of Meddle in last year's "London Assurance" placed him at once on the highest pinnacle of college dramatic fame.

The students have always given most hearty support to dramatics, and since this is probably the only play to be given the whole season, its production will be a big event.
