The annual sophomore Debate of the Philanthropic society was held in the Phi. Hall last Saturday night. The query was: Resolved, that our further tariff legislation should tend towards the abandonment of a protective tariff. The affirmative side of the question was represented by E. W. Joyner and I. M. Bailey, and the negative side by D. R. Blalock and H. C. Petteway.

The debate was hotly contested by both sides. Each of the four gentlemen had a logical and convincing argument for his respective side. Their delivery was for the most part strong and forcible. The judges, Mr. Sneath, Prof. Chase, and Dr. Mims after some hesitation awarded the decision to the negative.
