SEASON OPENS WITH A RUSH CAROLINA BAGS GAME

In Initial Game Varsity Shows Good Form. Fine Work on Bases. Lee Twirls Well.

Carolina brought Oak Ridge into camp yesterday, 4-1. The season's curtain raiser was entertaining from the moment Roach Stewart salaamned to the ladies and announced the batteries to Jim Hackney's pull down for the final out.

The boys started out as if they were going to try aviation work. Two bobbles and an error of judgement gave the Ridge gents a tally without a sign of a hit. However, after the first round our fellows caught their stride and Earl Holt's pets didn't get a ghost of a chance to pull ahead. They went down in order excepting in the 6th and 7th sessions when two lone singles broke the spell.

We put a couple of runs across the the pan in the first. Jimmy Calmes two bagger, Lindsay's walk, Edwards' bunt and errors by Holt and Lewellyn did the work. In the third Hackney's double, Calmes' out and Lindsay's infield hit put the captain over the rubber. Edwards followed with a single and "Bull" Hasty slapped one to left for a couple of sacks and Lindsay galloped in with the final score of the game.

Home talent put up a very fair article of ball after the initial inning. There were three fielding stunts worthy of notice--Hanes' one handed swipe of Lewellyn's foul in the 5th, Edwards' gobble of Abernethy's foul in the 8th and Hasty's stop of Graham's sharp hit in the 9th. The last was certainly a nifty piece of work. The boys did some peachy base running, a thing Carolina teams have usually been sadly lacking in. The batting was good.

Raymond Lee's firing fit deserves commendation. The long Mt. Olive boy, in his first big game showed plenty of stuff--smoke, control, a mean curve and a cool head. He allowed but five men to reach the first station.

Faison Witherington received him in nice style.

Game in detail: First inning--Oak Ridge--Dunning first man up is safe on Edward's error. Clapp grounds out Edwards to Calmes. Graham balloons to Page. Mayberry reaches 1st on Lindsay's bobble. Dunning scores. Holt singles and Mayberry goes to third on Page's juggle of the hit. Britton pops out to Page.

N. C.--Hackney out from pitcher to first. Calmes hits to center for two bags. Lindsay walks. Edwards bunts and Cal and Lindsay score on Holt's error and Lewellyn's bad throw to first. Hasty pops to third.

2nd--Lutterloh grounds out to Calmes. Abernethy out Lindsay to Calmes. Lewellyn fans.

N. C. Haynes singles to right. Page out second to first. Witherington out short to first. Lee flies out to right leaving Hanes on third.

3rd--Dunning strikes out. Clapp follows suit. Graham flies to Lindsay.

N. C.--Hackney doubles to left. Calmes out pitcher to first. Lindsay makes infield hit and Hackney scores. Edwards singles through second and

JUNIOR WEEK FESTIVITIES WILL BE ON GRAND SCALE

Dances, Ball Games, State Tennis Meet, Senior Show on Program.

Carolina's annual Carnival of pleasure known as Junior Week has been set to come the week after Easter, the festivities to occupy three days, Wednesday, Thursday, and Friday, April 19, 20, and 21. The approaching festivities have been planned to eclipse in elaborateness anything of the kind ever before held in Chapel Hill. The official program as announced by the chairman of the Junior Prom Committee is as follows:

Wednesday: baseball game in the afternoon with the University of South Carolina; Pan-Hellenic dance at night.

Thursday: intra-State tennis meet in the morning; Cotillion Club dance in the afternoon; Senior Stunt at night.

Friday: completion of tennis meet in the morning; senior-faculty baseball game in the afternoon; Junior Prom at night.

It will be seen that the above program promises a greater variety of entertainment than has ever been provided in previous years. A larger number of girls are expected to attend than has ever come to Chapel Hill for mid-year dances. Everything possible will be done for the amusement of the fair visitors, every single phase of University life will be exhibited except the intellectual side--unless the ingenuity of the Senior Stunt could be taken as evidence of intellectual ability.

Lindsay goes to third. Hasty hits to left for two sacks scoring Lindsay. Hanes out short to first.

4th--Mayberry fans and so does Holt. Britton flies out to Hackney.

N. C.--Page singles. He is caught trying to steal. Witherington out Lewellyn to Abernethy. Lee goes out second to first.

5th.--Lutterloh out to Calmes. Abernethy goes out second to first. Lewellyn flies out to Hanes.

Hackney fouls out to Holt. Calmes out pitcher to first. Lindsay safe on Mayberry's bobble. Edwards singles to left and Lindsay goes to third. Hasty draws four bad ones. Hanes grounds out second to first.

6th--Dunning out pitch to first. Clapp out second to first. Graham hits to right for one bag. Mayberry out Lee to Calmes.

N. C.--Page out short to first. Witherington out second to first. Lee safe on error by Britton. Edwards runs for Lee. Hackney cut off second to first.

7th--Holt grounds out Lindsay to Calmes. Britton goes out second to first. Lutterloh singles over second. He is caught in chase and put out by Calmes.

N. C.--Calmes out on strikes. Lindsay lifts one to Graham. Edwards out second to first.

8th.--Abernethy fouls out to Edwards. Lewellyn goes out Lee to Calmes. Dunning strikes out.

N. C.--Hasty out third to first. Hanes hits to left for a bag. On hit and run play Page pops to Mayberry and Hanes is doubled at first.

9th--Clapp flies out to Hackney. Gra-

\$50,000 MEDICAL-PHARMACY BUILDING TO BE ERECTED

Will Be Opposite Davie Hall. Teacher's Training School to be Established.

The executive committee of the board of trustees, met in the Governor's office at Raleigh Wednesday, and decided to at once give a contract for the erection of a building on the campus for the Schools of Medicine and Pharmacy. The new building is to cost \$50,000 and will be erected east of the Carr building, fronting Davie Hall. The new building will be known as the "Caldwell Building," in honor of Dr. Joseph Caldwell, the first President of the University. The governor who is ex-officio chairman of the board of trustees, was authorized to appoint a building committee of five, who will award the contract. He was also authorized to appoint a visiting committee, whose duty it shall be to visit the University next month and make a report of the condition and needs of the institution, at the June meeting.

Plans for the wisest use of the money appropriated by the Legislature for permanent improvements will be taken up and passed upon at the full meeting of the board of Trustees, to be held in Chapel Hill in June.

Plans were also approved by the executive committee for the inauguration of the new and important teacher's training department of the school of education. A great increase in the number of students who are studying to become teachers has taken place this year, and the University will enlarge the Department of Education and add the teacher's training department so as to open its advantages to teachers in the public schools of the State. This is a much needed department and the University has other plans, which will be announced later, to make it more useful in advancing public education than at any time during its history.

DR. ARCHIBALD HENDERSON IS HONORED

Cambridge University to Publish His Math Memoir.

Dr. Archibald Henderson, Professor of pure mathematics in the University, has received a distinguished honor from Cambridge University.

Dr. Henderson is now on leave of absence from the University. During this, his "sabbatical year," he is attending lectures in pure mathematics and prosecuting his mathematical researches, at leading universities in England and Europe. Dr. Henderson spent the Michaelmas term at Cambridge University. There he was principally engaged in mathematical research, completing the elaborate memoir upon which he has been at work for some years. This research is a minute study of the Twenty-seven Lines on the Cubic Surface, is based upon the work of Arthur Cayley, one of the greatest mathematicians of the nineteenth century.

Cambridge University has paid Dr. Henderson the high honor of publishing his memoir in book form. The syndics of the Cambridge University Press have not only voted to publish Dr. Henderson's Memoir, but have appropriated a necessary sum of money to help defray the heavy cost of the numerous complex plates and diagrams which will illustrate the book. Dr. Henderson's elaborate research is a definite and original contribution to the literature on the cubic surface and its twenty-seven lines, and as such, was recognized by Cambridge University in its recent decision.

It should be gratifying to the University and to the State of North Carolina, to learn of the honor that has been paid Dr. Henderson.

The Yackety Yack is now in the hands of the printers and soon the managers will need money to get the books to the Hill. If all class and club assessments are collected and paid to the managers, The Yackety Yack can be delivered before the first of May. It is just as easy to make your collections now as to wait until May, so why not get it done with so the books can be delivered early?

A certain college president who was addressing students in chapel at the beginning of the year, observed that the Freshman class was the largest in the history of the college. Without pause, the good man turned and read for the day's lesson, the Psalm containing--"Lord, how are they increased that trouble me."

Nine athletes at Brown have been suspended from participation in athletics for the rest of this year. They were charged with ignoring a faculty rule that the word "Brown" may not be used in any exhibition without the consent of the athletic board.

The Y. M. C. A. and Y. W. C. A. of Northwestern University recently celebrated the closing of exams by a large "post-exam jubilee." The jollification fete was the principal part of the program and was carried out on a large scale.

The football season of the University of Virginia netted \$4,200,
