Well, brethren, we've been recuperating. Now we are once more on the job.

That was certainly a bean of a game, yesterday. Catawba would have trouble in making a decent showing in the class league.

The mountaineers actually had the audacity to request manager McCulloch to put the Varsity in the ring. Our genial magnate tried to accommodate them but the powers that be said, "nothing ditting."

The Westerner's should thank everything in their solar system for Coach Clancey. "Umps" Stewart and the official scorer would have been sitting out there yet.

It is true the Catawba gents intended to pitch Yount, along, Cotton States leaguer against our big tent performers. But Carolina has met class D and C twirlers before and has had little trouble with them. We have an idea Mr. Yount would have felt slightly embarrassed before the afternoon's session was over.

Davidson on tap in Charlotte, Saturday. We'll make no predictions excepting that it'll be a hair raising melee.

Some real games will be played next week. Amherst comes to the Hill for a couple, Tuesday and Wednesday. Lafayette plays two with us Friday and Saturday. Then you'll see some real baseball.

However, we're not particularly afraid of the Northerners. We usually manage to hold our own with them. Last spring, though, Demott, Lafayette's great flinger, copped two out of three from us. He's not with them this year. That's one consolation.

If our boxmen get going properly we'll give 'em--well a hot time.

which paraded them through town. At night after the concert a most delightful dance was tendered by the alumni.

At Hickory a bridge party was to have been tendered them, but owing to the lateness of the train, had to be curtailed. As it was, the concert in that town did not begin till nine o'clock.

At Morganton, the young men from the University had the pleasure of inspecting the State insane asylum and the deaf and dumb institution.

At Winston the young musical geniuses enjoyed an automobile ride over Winston's superb roads, followed by a reception at the Salem Female Academy. The boys are talking yet about the joy of that reception.

At Greensboro, they enjoyed on Saturday night a smoker at the Manufacturer's Club. An informal good time was the unanimous verdict.

Below are given some quotations from the press notices:

From the Winston-Salem Journal.

The University Glee Club and Orchestra entertained a most appreciative audience last night. Encores were the order of the evening, and in this the "boys" responded generously, two and even three being demanded to each number.

From the Asheville Citizen.

A large crowd greeted the members of the North Carolina Glee Club and Orchestra at the Manor ball room last night, and enjoyed the well rendered program.

From the Lexington Dispatch.

The University Glee Club invaded Lexington Monday night and took the town by storm.
