CAROLINA BALL ARTISTS PUT UP GREATEST GAME OF SEASON

Lee Repeats Dose of April 10th. Team Gives Him Wonderful Support.

CAROLINA 1, VIRGINIA 0

Virginia Gets But Three Hits to Carolina's Five.
Hackney and Pember Star, as Does Everybody Else.

Charlottesville, Va., April 23.—Special—Carolina capped the climax of her ball season today by taking the third Virginia game, score 1 to 0. The playing was fast and furious. Lee worked A-1, allowing but three scattered hits.

Carolina scored in the second—Lindsay safe on Hume's error, Pember bunts, Lindsay out at second, Pember makes third on Hanes' two-bagger, and scores on Witherington's single. Both teams attempted further scoring, but phenomenal playing on both sides ended the tragedy for Virginia and brought a deserved victory to Carolina.

That's the story and it lacks a whole lot of being the old, old story.

It was a wonderful game—great pitching and superb fielding. We got our run across in the 2d and it took the finest sort of playing to keep Virginia baffled. Six times the Charlottesville gents got as far as second and one reached third, but it was no use. Our braves were working like an electric clock.

Lee and Rixey both were going at a great rate. Lee just had a better team behind him. That's all.
