The Class League

The Juniors won from the Seniors Monday 24th in a close but heavy hitting game by the score of 10 to 8. It was on the whole a rather featureless contest except for the fact that it was a pitcher's battle, only 25 hits being allowed during the game.

Batteries: Warren and Dixon; Hendrix and Stubbs.

Seniors 150100001	8	13	7
Juniors 033211004	10	12	5

In a tight game and a good one until the Seniors went to pieces in the tenth inning, the Freshman on Tuesday 25th won their second game from the Seniors—this time 11 to 6.

Nineteen bases were stolen by the Freshmen.

Batteries: Williams and Dixon; Aycock and Swindell.

Seniors 1000400100	6	10	5
Fresh 0200002205	11	12	8

On Thursday afternoon in by all odds the raggedest game of the season and probably the rottenest game ever pulled off on a class diamond here the Seniors lost to the Juniors by the score of 17 to 15. The game was absolutely punk, both teams deservng to have lost it.

The feature of the game was P. Dicks' throwing a man out at second. Twelve other Juniors, however, stole bases, while only five stolen ones went to the Seniors.

Juniors 0 0 5 1 1 1 0 2 7	17	16	12

A tower for observation has been erected by Dr. W. C. Coker on his farm, Rocky Ridge, just across the road from Piney Prospect. The tower is more than thirty-five feet high and stand at the top of one of the highest hills in this vicinity. It gives an unobstructed view of the distant horizon in practically every direction. The tower has been built for the use of students and such others as have taken delight in gazing out from Piney Prospect. Dr. Coker put it up in honor of Dr. K. P. Battle.

Fine Crops of Tobacco

can be raised if the ground is properly prepared before setting out the plants, and you liberally

Use Virginia-Carolina High-Grade Fertilizers

Then you should nourish the crop at frequent intervals during the growing period with the same plant food. Work well, being careful to feed the crop with only Virginia-Carolina Fertilizers, made especially for tobacco. This will insure a big crop of fine, high-grade tobacco that will yield big money.

Profitable farming is fully explained in our new free FARMERS' YEAR BOOK, or almanac, and it is yours for the asking.
