WHERE THE CLASS OF 1911 IS NOW Last Years Lords of Campus Gone But Not Forgotten

SENIOR STUNT STILL LIVES IN MEMORY

Majority of Classes Teaching. Eighteen Have Come Back to the Hill for Law, Medicine, and Graduate Work. The Rest "Sundry"

The class of 1911 entered the University bearing proudly the distinction of being the largest freshman class that ever walked beneath the classic shades of these ancient oaks, or ever attempted to eat ancient biscuits and grits and bull at Commons Hall. Throughout its long and illustrious career, though buffeted about by first math, second French and first geology, the class held steadily its course, and graduated in glorious triumph one hundred men. But now 1911, sad to relate, has passed, and in the immortal words of the Broadway poet, is "up agin it." The problem of making a first hour class has given way to that of getting three square meals per twenty-four hours—gentle reader, if such there be, readest thou on and see how its done—

Quite a number of the class are engaged in the noble and inspiring job of instructing the youth of the land, or in other words, paying for their teachers notes. O. B. Bryan, who achieved notoriety by his splendid interpretation of the "Y. M. C. A. boor" in the late lamented Senior Stunt, is principal of the graded schools, Rich Square, N. C. W. Lee Cooper is principal of the graded schools at Mebane, N. C. Archie Dees is associated with D. B. Teague as principal of Raeford Institute, Raeford, N. C. J. L. IMPROVEMENTS IN LIBRARY

Near Six Thousand Dollars Spent on Library During Summer. Now Modern in Every Respect

During the summer the library has undergone much needed improvements to the extent of between \$5,000 and \$6,000.

The greatest change has been made in the stock room. The old wood and metal shelving has been replaced by trim, staunch metal shelves. Another story or tier of shelves has been added just above the former arrangement, which is made accessible by a neat iron stairway and glass flooring. This arrangement doubles the capacity of the stock room, and Dr. L. R. Wilson, the librarian, says that another increase of one-third the present capacity may be made by adding another tier of shelves. This present arrangement without wooden shelves, makes the building fire proof. It is also more convenient for the library workers.

Another decided improvement has been the fitting out of seminar rooms for History, North Carolina History and Greek, Romance, English and German. These rooms will be of great advantage to students interested in the above courses.

The rearrangement brings all books belonging to the Elisha Mitchell Scientific Society and all books on general science now in departmental libraries into the Mitchell Room, thus bringing together all the scientific works owned by the University into one large scientific seminar.

All bound periodicals belonging to the general library have been placed in a single room, making reference to periodical literature through the periodical indexes very easy.

Dr. Wilson has spared no pains in putting the library in excellent condition. The changes made should facilitate matters both for patrons and for library workers. As soon as the electrician complete the installment of sufficient lights, the library will be open day and night.

Dr. Edwin Mims Speaks at Y. M. C. A. on the Life of Phillips Brooks

Dr. Edwin Mims gave a lecture at the Y. M. C. A. devotional meeting last Tuesday night on the life and character of Phillips Brooks. Dr. Mims vividly portrayed the life and character of this great preacher whom he said was to him the greatest character that America has produced. "The influences of a pious mother, of the culture of Harvard College, where he took a high stand, studying under Longfellow Lowell and other strong men, of his three years at Alexander Theological Seminary, where he read omnivorously, of Tennyson's poems, and his impressions of the Civil war combined," said Dr. Mims, "to develop him into a mighty prophet of God, a preacher of righteousness and hope, a man who gave large love, constant service, high example."

About fifteen of the new students were received into the Association as new members.

1. Invocation *Dr. W. S. Long*
2. University Hymn
Dear University!
Thy sons right loyally
Thy praises sing.
For thee, our Mother dear,
May every coming year
Fresh-crowned with joy appear,
Fresh honors bring.
Heaven bless the genial ray
Of that October day,
When at thy shrine,
Under the poplar shade,
Their vows our fathers paid
Thy corner stone they laid
With rites divine.
O! Thou whose promise nerved
Our fathers when they served
For Liberty,
Still be their children's God,
Still with thy staff and rod
Show us the path they trod,
The path to Thee.

Carolina, priceless gem,
Receive all praises thine.
'Neath the oaks thy sons true hearted
Homage pay to thee.
Time-worn walls give back the echo,
Hail to U. N. C.
Tho' the storms of life assail us,
Still our hearts beat true;
Naught can break the friendships formed
At dear, old N. C. U.

Baptists Send the Best Team of Years to Battle for the Old Gold and Black

SPECIAL BRINGS 150 WAKE FOREST STUDENTS

Cheered by Loyal Followers the Team Fight Fiercely and Score Against Carolina for the First Time in 26 Years.

Carolina beat Wake Forest 12 to 3 Saturday on the Athletic Field in the first football game of the season. The game was close enough to be interesting and was one of the hardest fought that has ever been played on the gridiron here. Wake Forest came with the intention of taking the game by the forelock, and she brought along one hundred and fifty "Water Babies" on a special train to see her do it. But she only got to the seeing stage of her Caesarship.

Wake Forest played a good game and she fought hard, several times getting the ball on downs under the very shadow of her goal posts. Both of Carolina's scores, though, came when she had let up for the fraction of a minute. It showed the difference in the coaching of the two teams. Her only score came in the first part of the second quarter. This quarter began with the ball on Carolina's 44 yard line. By a series of line plunges Wake Forest carried the ball to the 15 yard line. She dropped a goal from there, scoring for the first time in many years against Carolina in a football game.

Carolina clearly demonstrated her superiority to Wake Forest, but did not make this demonstration quite emphatic enough. She failed to score no less than two times when she had first down, touch down to make; and several other times when she only had about 15 yards to go. And then on the only occasion that a Carolina man went through the line to cross Wake Forest's goal line, Tillett, who did this thing, proceed to drop the ball as soon as he got across. Wakeley, however, succeeded in beating a Wake Forest man to the ball and fell on it, thus scoring our first touch down. Tillett kicked the goal.

This first touch down was made in three and one half minutes of play. Winston, for

BIG GAME AT CHAPEL HILL CAROLINA VS. BINGHAM

Game With U. S. Training Ship Franklin Will be Pulled Off on the Hill, So Manager Hendrix Says

Manager Hendrix and Coach Bocock have decide definitely that the game with the U. S. S. Franklin will be played at Chapel Hill and not in Durham. The matter was left open because at the beginning of the season it was unknown whether or not the battalion of sailors would be able to attend. The battalion is not allowed to leave Norfolk but once during the season, and, since it has already been to Raleigh, it cannot come to Durham. For this reason the management has decided to play the game in Chapel Hill. This is the biggest game so be played on the Hill during this season.

The Game Next Saturday Expected to be a Hot One. The Prep. School Has a Strong Team

The strong team of Bingham School at Asheville will play Bocock's pets on the Hill next Saturday. While this school ranks as a prep school its football team if known to be always one of the most dangerous in the State. Comparative scores show the team of this year to be no exception from the established reputation of the school. Bingham School defeated Catawba college by about the same score that Davidson did. This means that Carolina will have no soft snap. The game is going to be a hot one from the kick off to the last minute. Manager Hendrix wants a large crowd out.
