News comes that a junior oratorical medal has been established by Gen. Julian S. Carr. The medal is of the same nature as the present Willie P. Mangum Medal in Oratory, with this difference, of course, that juniors compete for the former, and only seniors for the latter. The medal is to be called "The Carr Medal" in honor of its giver. The contest for the medal will take place in the spring. Stipulations governing the contest will be published later.

BARNETT FUND RAISED

China. In his address he emphasized the fact that the present revolution in China was going to mean unprecedented opportunity for the Christian missionaries to plant Christianity in that vast empire.

Immediately after his address a canvass for the Barnett Fund was made. Every man in the University has been given the opportunity to subscribe something to this enterprise and the results are as follows: Forty-one alumni have contributed \$93 and three hundred and sixty students have pledged \$411.50, making a total of four hundred and one contributors subscribing \$504.50, payable not later than March 1st

The Missionary committee of the Young Men's Christian Association desires to express its gratitude to the students and alumni for their cordial cooperation and loyal support in this worthy enterprise.

News has come from Mr. Barnett stating that throughout the present revolution in China all the missionaries in the vicinity of Hangchow have been called in from their fields to Shanghai and are under the protection of the American Consulate. He hopes that conditions will soon permit him to return to his work in Hangchow.

Another interesting piece of news from him is that on Nov. 7th was born to Mr. and Mrs. E. E. Barnett, Robert Warren Barnett. Mr. Barnett stated that his son expressed appreciation of his appearance into this world by giving a rousing Carolina yell.

The Virginia eleven, with a total of 232 points just before the Thanksgiving game was played, had scored the second highest number of points made by any college team in the country, according to figures compiled by an Eastern paper.

The total number of tallies made by the eight highest university teams follows: Carlisle, 257; Virginia, 232; Georgetown, 224; Penn. State, 187; Princeton, 179; Brown, 175; Yale, 161; Dartmouth, 137. The Virginia eleven at that date had only 30 points scored against them. This figure shows up well in comparison with scores of leading teams of the football world.

Princeton, by virtue of her victories over Yale, Harvard and Brown is this year's intercollegiate champion of the East. Minnesota has practically cinched the Western championship

Out of 328 games Yale has played since 1884, the Blue has returned victorious in all but 16. This record is all the more wonderful considering the fact that Yale always plays the best teams in the Country.

The Michigan Glee Club has been offered the opportunity of making a trip to Japan at the expense of the Japanese government.
