CAROLINA DEFEATS WAKE FOREST
Continued from First Page.

field goal. Smith made another field goal and the first half ended with the score 10 to 6 in favor of Carolina.

The rooting during the halves by Wake Forest and the University students and followers seemed to arouse more vim and desire to win among the players and they started the second half with more earnest efforts. Carolina started with great vigor and soon after the last half began had made eight points. That was the last of their scoring and for the rest of the game the Wake Forest boys had things going their way, and it looked at one time that the quintet would overcome the lead and eventually win out. Tillet made a pretty field goal soon after the second half started and Smith followed soon after with another field goal. Dowd of Wake Forest made an attempt at free goal and missed. Smith made a free goal and soon after Carrington, Carolina's center, made a pretty field goal. Carrington afterwards is fouled for holding and Dowd makes free goal. B. Holding threw a pretty field goal and R. Holding followed with another goal. B. Holding makes his second by a beautiful run and Dowd ends the game with a field goal. Seven of Wake Forest's points were made during the last ten minutes of play and at that stage of the game Wake Forest was making it hot for Carolina.

The line-up—For Wake Forest R. Holding, left forward; H. Beam, right forward; B. Holding, center; Dowd, left guard; Utley, right guard.

Carolina—Smith, left forward; Tillet, right forward; Carrington, center; Chambers, left guard; Erwin, right guard.

Goals—For Wake Forest 6, made by B. Holding, 2; R. Holding, 2; Beam, 1; Dowd, 1.

For Carolina Six—Tillet, 2; Smith 2; Carrington, 1; Erwin, 1.

Wake Forest was credited with 11 fouls and Carolina with 5.

Referee—Hargroves, of V. P. I. Timekeepers—Legrand, of A. & M. and W. H. Pace, of Raleigh. —(News and Observer,) Friday, February 23.

FINAL LECTURE AT Y. M. C. A.
Continued from First page

One cannot contemplate nature, consider past ages, move among his fellow beings, without recognizing therein the handiwork of God. God is in everyone and in order to get in the proper relation with God one has only to recognize the presence of God and to let the spirit of religion be predominant within him.

"Religion is constructive rather than destructive. It fills us with such an abundance of truth, justice, and love that we are unable to do wrong while it is predominant within us. The passages from the Bible, "Ye shall know the truth and it shall make you free," and "I came that ye might have life and have it more abundantly" express the abundantly free and joyous life that religion gives to one. It gives us pre-eminently power and happiness. By putting ourselves on the current of God we get in the right, the consciousness of which gives unconquerable power. Happiness consists in adjusting the outward acts to harmonize with the inner consciousness. A man who acts in such a manner has nothing to conceal or regret. Let us then recognize our own relation to God and acquire this object of vital importance which will give us true happiness and boundless power."

**J. H. Manning Elected
Graduate Manager**

At a meeting of the Athletic Council held last Wednesday afternoon, John Hall Manning was unanimously elected graduate manager of athletics in accordance with the provisions of the constitution lately adopted by the Athletic Association. He took immediate charge of the affairs of the association.

Mr. Manning graduated with the class of '09. While in college he was identified with every side of college life as one of the best and most popular all-around men in his class. He was a member of the Zeta Psi Fraternity, the Junior Order of the Gimghouls, the German Club, the Phi Society, and the Y. M. C. A. He was chief ball manager of the commencement dances in 1909, a *Tackety Tack* editor, and an end on the Varsity football team.

Mr. Manning has had a most intimate acquaintance with athletics at Carolina. As an undergraduate student he was for two years a member of the scrub football team, and two years end on the Varsity. After teaching for two years, he returned to the University last fall to study law. He was a member of the 1911 football team. Since the adoption of the new constitution he has served as the representative of the Athletic Association on the Athletic Council. His work during the past two weeks as the representative of the Council to the alumni has probably been of more lasting benefit to the athletics here than the services of any single man in the past ten years. His election meets with the hearty approval of the entire student body.

Dr. Chas. W. Elliot, ex-president of Harvard University, has sailed for a trip around the world, as a representative of the Carnegie Endowment for International Peace.

The Michigan Glee Club has been asked to visit Japan at the expense of the Japanese government.

Writing to Her

Tell her all about it—she won't be jealous if you save a corner of your heart for Fatima Cigarettes.

Velvet
THE
SMOOTHEST
TOBACCO

MUSIC hath charms—add a pipeful of Velvet and you are a whole orchestra. Such is the pleasure of good tobacco. Velvet, the tenderest leaf—aged in the old warehouse for two years—a slow, sombre, time-process of mellowing—in which all harshness is lost—the flavor toned, sweetened, made exquisitely smooth. A smoke without bite—music without discord! Velvet is known to be the most carefully matured smoking tobacco—only time can produce its delights—only patience insures its pleasures. All yours! At all dealers.
