A classification into divisions A, B. and C., with sub-heads 1 under A. and C., five classes in all, of the colleges and universities in the United States was made last fall by an expert from the office of the United States Commissioner of Education. The expert spent two days in Chapel Hill. According to his first classification the University of North Carolina was placed in division 1 under A. Since last fall, however, he has continued his investigations further. As a result several changes have been made. He now places the University in class A.

The classification was based on equipment, number of students, work of all kinds done, number of men in the faculty and the recognized ability of the faculty—in short, on the general standing of the colleges. The University is to be congratulated most highly for the high position thus given it.

Alexander, a member of the Psi Eta Pi fraternity; and Vanderbilt Rockefeller Smith, a member of the Pi Rho Technic fraternity. Jim Jeffries Fritzsimmmons, a Michigan alumnus who is a member of the Rho O. Beans fraternity, refereed the game." OH SLUSH! — *Daily Kansan*.
