

FOOTBALL MEN HARD AT WORK

Continued from First Page.

defense. Center is causing lots of trouble and appears to be the hardest place in the line to fill. Strange and Huske have held on to their positions on the wings, but they have lots of competition. Captain Tillett is the life of the team at quarter and appears to be fulfilling every promise that has been made of him. The remainder of the backfield is decidedly unsettled. Erwin's work has been the best thus far, though Wakeley is capable of a great deal and at times punts well. Strange is probably the best punter on the squad.

Track Men Wanted

Captain E. V. Patterson of the track team has issued a call for fall practice. New men, particularly, are asked to come out so that the captain may have some idea of what he can count on in the spring. The track and the jumping pits are in good condition. Hurdlers and weight men particularly are wanted. The following members of last year's team, which swept everything before it, are back in college: Patterson, half and mile; Spence, half and mile; Cobb, two miles; Sears, sprints; Woolcott, high jump and hurdles; Blalock, broad jump and hurdles; Parker, shot put; Wakeley, quarter; Strong, pole vault. With such a strong nucleus of old men, prospects are very bright for another strong team. But it is absolutely necessary that lower classmen come out to get the experience, if nothing else.

Faculty Hazed

The laugh is on a certain instructor in the Mathematical Department, who is very young in appearance. Tuesday morning an instructor in the French Department, new to the University, was holding a class in the South Building and kept it over time. The math instructor had a class of his own in that room; and so he drifted in and took a seat just in time to hear the question asked: Does anybody have a class in this room now? Our Math friend immediately spoke up, "My class meets in here this period." The French instructor looked at him surprised. "I wasn't talking about you", he said, "I wanted to know if any professor had a class in here".

The Union County Club held its first meeting of the year Tuesday, the 17th. Sam Bivens was elected President and Poet (Sam is the poet of every organization to which he belongs). D. T. Hunter was elected Vice-President, M. A. Griffin, secretary and Treasurer, B. C. Parker, corresponding Secretary. Sixteen members were present; and, our informer tells us, there were no refreshments.

The committee of appointment consists of Chief Justice Walter Clark, Supt. J. Y. Joyner and President Venable. A fee of \$5 for each candidate will have to be charged to defray the expense of the examinations. HOSIERY MILLS DEFEAT SCRUBBS

Captain Burr Edwards took a bunch of ball players over to Durham Saturday and was beaten by the Durham Hosiery Mills, 7 to 1. The local boys, who were for the most part regulars and scrubs from last year's squad, showed a lack of practice. Bun Hearn, of big league fame, pitched for the Hosiery Mills and was too much for his opponents. Ben Aycock and Henry Graves, both from the scrubs last year, pitched for the Carolina boys and held the mill team to five hits. Long hits bunched with passes account for the number of runs. Strong, a Med. student caught in good form and ran will on the bases. The infield lined up as last year, Edwards on third, Winstead on short, Bailey on second, and Leake on first. Page, Thompson and Baily K. H. played the outfield. Thompson is a new man from Trinity and has a good reputation as a ball player.

On Friday evening, September 20, a B. Y. P. U. Social was held at the Baptist Church after a short service, and address by Mr. Dorsett. The occasion was intended to serve as an introduction of the Baptist students to the members of the congregation. The evening was spent in pleasant games on the lawn, which was lighted by Japanese lanterns.
