A. & M. FARMERS BEATEN, 80 TO 36

Nat Cartmell's Bunch Runs Away from Opponents in First Meet

PHILIP WOOLLCOTT IS THE INDIVIDUAL STAR

He Wins Three Firsts While Spence Wins Two. A. & M. Wins Only Four Events out of Thirteen

In the first meet of the season Carolina showed a most promising track team by overwhelming A. and M. in Raleigh Saturday, April 5, 80 to 36. From the first event there was never any doubt as to the outcome; the only question was the size of the score. Nat Cartmell's boys ran, jumped, vaulted, heaved, and threw with a skill and an endurance that swept their Farmer opponents off their feet. Out of the thirteen events the White and Blue of Carolina showed first in nine, in seven events Carolina ran first and second; and in the half mile, Spence, Whiting, and Ransom finished in the order named without serious opposition.

Woolcott stands out as the biggest point winner. He won the high hurdles and the high jump, tied for first place with Struthers in the low hurdles, and finished third in the broad jump. Close behind him in individual skill was Spence with first place in the half and in the mile. "Baby" Sears had things his own way in the 100 and ran second to Calborne Smith in the 220.

Smith's performance was the best of the new men and he promises to show better work later on. Wright a Freshman, took second in both jumps and at that he was not up to his best form.

Captain Floyd of A. M. won both the hammer throw and the shot put. His distance of 120 ft. 6 1-4 inches for the hammer was exceptional. A. and M.'s other firsts came from Briggs' broadjump and Nichol's quarter.

The crowd was not what it should have been.

1-mile—Spence, Carolina, first; time, 4 56 3-5. Roberts and Nash, A. and M.

1-4 mile—Nichols, A. and M., first. Time, 55 sec.; H. Patterson, Carolina, and Jennette, A. and M.

100 yd. dash—Sears, Carolina, first; time, 10 2-5 sec.; DeVane, Carolina; Nichols, A. and M.

2-mile—E. Patterson, Carolina, first; time, 10. 54; Smith and Harris, A. and M.

H. C. LONG MANAGER

Mebane and Pruden Elected Assistants in Basketball

At a poorly attended Athletic Association meeting Tuesday H. C. Long, Jr. was almost unanimously elected manager of next year's basketball team over his opponent "Ratty" Ransom. G. A. Mebane and W. D. Pruden Jr. were elected assistants.

George Carrington proposed two amendments which are intended to change the method of electing athletic team managers. Instead of limiting the candidates to former assistant managers it is proposed to make any Senior or Post-graduate who is a member of the Association eligible. These amendments will be voted upon at the next meeting.

The Association endorsed practically unanimously the proposition of establishing a compulsory athletic fee. The Greater Council is behind the movement.

PROFESSOR HOLMES WILL SPEAK

On Thursday and Friday, April 17th and 18th the University will have the opportunity of hearing Joseph A. Holmes, Director of Mines at Washington, and for many years Professor of Geology here at the University. On Thursday night Professor Holmes will speak before the Elisha Mitchell Society; on Friday night he will speak in Gerard Hall under the auspices of the Faculty Committee on Lectures on the subject of the Panama Canal. He will illustrate both lectures with lantern slides. Professor Holmes is a master in his field and his talks should be interesting.

WHAT! AN INTERESTING GLASS GAME!

The Juniors and Seniors played a ball game a week or so ago and each side made runs until they got tired, only the Seniors got tired first. A few days later the Meds and Pharmacy had a game just like it, only more so. But for a real classy class game take the Fresh-Soph game last Saturday. For eight innings the score saw-sawed back and forth to come to rest at 5 to 5. In their half of the ninth the Freshes counted once. Then Lipscomb got on, stole second—and died on home trying to score on a single. The game ended 6 to 5. Edgerton's stick work was a feature. The two pitchers, Royster for the Freshmen, and Lipscomb for the Sophs, both pitched a steady game.

FIVE GYM SWEATERS WON

At the annual try-out for N.C. sweaters for proficiency in the gymnasium held April 4, five men qualified and will receive the Varsity insignia from the Athletic Council. Those men are Peyton Smith, Fred Morrison, and L. L. Shamburger all Seniors, and Ted Lilly and C. L. Isley, Sophomores.

Y. M. C. A. OFFICERS ELECTED

At the regular annual business meeting of the Y. M. C. A. Tuesday night the following officers were elected for next year. President, J. E. Holmes; Vice-President, H. S. Willis; Secretary, R. C. Spence. Treasurer, J. A. Holmes.

TEAM IS READY FOR THE VIRGINIA GAMES

Crowds in Greensboro and Raleigh Expected to Fill Athletic Treasury

TAR HEEL HOPES CENTER ON AYCOCK

He and Graves Will Face the Virginians. The Team Has Shown Great Hitting Strength

On Friday, April 11, Carolina meets Virginia in Greensboro and on Saturday April 12, the scene of battle will be transferred to Raleigh. The Virginia games are at hand and the crest of the season is reached.

The usual tremendous crowds are expected. Greensboro has always furnished the biggest crowd and this year will be no exception. The annual excursion train will be run from Chapel Hill and intervening towns. It will leave Chapel Hill at 8 A. M. The round trip fare is \$1.50.

Raleigh is making every effort to outstrip Greensboro in the attendance. This is the first year that a Carolina-Virginia game has been played in Raleigh and the Capitol City is on a trial. Charlotte and Winston-Salem were foregone because they did not furnish enough people. The Carolina Glee Club will give a concert at the Auditorium and afterwards there will be a big dance with free tickets distributed to University men.

The team has rounded into splendid form for these all-important games. From a raw organization at the first of the season, handicapped by an inexperienced battery, the team has developed slowly into one that will compare favorably with any previous Tar Heel aggregation. In steadiness and team work wonderful improvements have been made. The hitting ability has always been present, and now that it is being more scientifically directed, improvements may be expected. The pitching staff has shown itself capable of checking opposing batters. Aycock, an unknown class team pitcher at the beginning of the season, promises to rank alongside of Red Stewart and Raymond Lee. His no-hit game against Trinity and his two-hit game against Davidson proved his worth. He will probably be Carolina's choice for the opening game in Greensboro. Graves and Craven are the other two possibilities with Graves showing the better form. He is almost certain to face Virginia in one of the games.

Behind the bat Julian Hart will hold sway. He has improved since the first game and is a hard working catcher, while his hitting has always been prominent.

The infield with Leak, Bailey, Williams and Captain Edwards looks air-tight and all have been hitting the ball hard, Captain Edwards in particular. The outfield presents a rare combination of hitting and fielding strength. Bailey in center is as good a man on a fly ball as Jim Hackney or Thad Page ever was. "Shag" Thompson is fielding well and stinging the

THREE GAMES RIGHT

Davidson Succumbs Twice and V. M. I. Once

Aycock's pitching was too much for Davidson and Carolina won in Charlotte Saturday, 4 to 1. While Davidson's three pitchers yielded only six hits, they came along with passes and errors. Carolina did not display much energy, but did take advantage of most of her chances.

Only once did Aycock get in a hole. In the second, Crayton's bouncer jumped over William's head and Crayton went on to second when Thompson fumbled in left. Witherington and Brown drew passes, filling the bases. Klutz hit to short and Edwards threw wild to home, allowing Crayton to score. The next two batters were easy. The only other hit off Aycock came in the ninth and it did no harm.

In Carolina's half of the second with two down Thompson hit a hard drive to center. Fast fielding might have cut it down to a single, but the ball rolled past Whitner and Thompson circled the bases. Another run was added in the third. Aycock walked and after Baily went out, Leak walked also. Edward's drive to short was fumbled long enough to allow Aycock to score.

In the fourth Thompson's grounder was booted. Hart's sacrifice advanced him and Baily's clean single to center brought him home. Davidson substituted Osteen for Marrow in the fifth after Aycock and Baily had walked. Two passed balls advanced Aycock to third and home for the final run. Bell replaced Osteen and stopped the scoring. He showed the best form of the trio.

Aycock pitched steadily after the second inning and was never in trouble. Williams fielded cleanly and made one pretty stab. Hart threw out the only attempted stealer.

Carolina ran away from V. M. I. Tuesday and won as she pleased, 12 to 5. The Virginia boys put up but little defensive against the slugging of the Tar Heels, and errors at critical times helped raise the score. Craven, in the box for Carolina, made no effort to puzzle the batsmen, but simply floated the balls over to them. The Carolina outfield consequently had plenty of work, and Bailey and Thompson pulled down several long ones.

V. M. I. started out with two runs in the second inning on two errors and a double by McCormick. Their other three runs came in the eighth inning on hits by Bryan, Graham, and Clarkson and a sacrifice fly.

Carolina sent four runners across in the second inning on two errors a sacrifice and safe drives by Johnson, Craven and Leak. In the fourth Knowles hit safely, Craven sacrificed and Bailey's single brought in the run. Bailey scored on a wild throw to third. In the fifth two errors by McCormick and a wild throw by Gillespie, coupled by hits by Johnson and Williams brought three more runners home. The final three runs came in the eighth on an error, a hit batsman, and singles by Edwards, Johnson, and Williams. Johnson for Carolina hit safely four times out of five times at bat. Pitts catching of fouls featured for V. M. I.

FIRST ANNUAL INTER- SCHOLASTIC MEET

One Hundred Young Athletes Will Contest For Cups and Medals

GREATER COUNCIL IS DOING GREAT WORK

Meet Will be on Even Larger Scale Than the Recent High School Debating Union

The State High School track meet to be held here Friday will be a fitting sequel to the debate of last month. This meet has been made possible by the action of the Greater Council and the personal work of Capt. Patterson and Coach Cartmell. The contestants, of whom between 125 and 150 are expected, will be roomed throughout the college and will be boarded by the Greater Council. The students, Faculty, and Alumni have been asked to contribute towards the expenses which are rather heavy. There will be three cups awarded, one for any team securing the greatest number of points, another for the winning State High School of this district, and the third for the winning relay team. The plan is to make the meet an annual affair as the point cup must be won three times by the same school to permit permanent ownership. Medals will be given for first and second places, making twenty in all.

The following places are sending teams for the scholastic meet. Raleigh, Greensboro, Goldsboro, High Point, Hillsboro, Huntersville, Graham, Burlington, Friendship, Horner, and Bingham of Mebane.

As before explained in the Tar Heel, the meet of the schools of this district supported by State aid will be at the same time also. In the absence of Prof. Walker it is not possible to state definitely what schools will be represented. For the Declamation Contest to be held in connection with this Friday night there are eight contestants.

There will be ten events: 100 yard dash, 220 yard run, 880 yard run, one mile run, 120 yard low hurdles, high jump, broad jump, pole vault, 12 pound shot, 12 pound hammer.

In the last contest before the Virginia games Carolina kept up her heavy hitting and drove two pitchers from the box, winning from Davidson, 11 to 1. Bell, who last Saturday held the Tar Heels well in hand, lasted less than two innings while Osteen served about the same time. Wolfe showed better form, but he was hit hard in the fifth and eighth. Graves pitched steadily for Carolina and was invincible in pinches. Davidson's lone run came in the second on Crayton's double and two infield outs.

Carolina jumped into Bell for four runs in the first inning. A hit batsman, a base on balls, singles by Johnson and Thompson, and a long triple by Bailey H. did the work.
