COMMENCEMENT TO OCCUPY JUNE 1-4

Vice-President Marshall Will Deliver the Regular Commencement Address

CONFEDERATE MONUMENT MONDAY

Exercises Begin with Baccalaureate Sermon on Sunday. Monday Will Be Class Day and Tuesday Alumni Day. Wednesday Closes.

Among others the President of another College, a Bishop, the Governor, and a Vice-President will assemble on the Hill during the first four days in June to celebrate the fact that seventy-five young men have completed their college courses. The exercises start on Sunday morning in Gerrard Hall when Rev. Mullins delivers the Baccalaureate sermon. In the evening Rev. Sibbey, a Yale man, will deliver the Y. M. C. A. sermon.

Monday is Senior day. After forming at Memorial Hall, the Seniors march to the Chapel and there, alone as a class, unite in solemn prayer. After this, permanent class officers will be elected, and other final class business attended to. After a short recess they again meet in public gathering and hear the closing address of President Stokes and the Class History. President Venable then takes charge and conducts the Mangum Medal contest. The preliminaries will be held Saturday and four men selected from the following: G. B. Phillips, T. E. Story, H. C. and W. R. Petteway, J. C. Bushy, E. R. Rankin, Fred Morrison, D. J. Walker, W. G. Harry, Horace Sisk, J. H. Workman, and G. Craig.

At four that afternoon Governor Craig will make an address at the unveiling of the Soldiers Monument placed at the North end of the campus by the Daughters of the Confederacy. Then for the last time the Seniors will assemble around the Davie Poplar, smoke the Pipe of Peace, read their last Will and Testament, and hear the class prophecy. Then the Juniors will be called in and the Campus turned over to them with fitting ceremonies. Some changes and additions may be made to the usual order of Senior Day exercises.

That night D. J. Walker will preside as toast master over the Inter-Society banquet at Commons Hall. E. R. Rankin for the Di and W. R. Petteway for the Phi society will speak. Tam Bowie is the Di Alumni speaker but the Phi speaker is not yet definitely decided upon.

Tuesday will be turned over to the Alumni and it promises to be a full day. Starting with Bishop Strange's address in the morning and lasting until the Reception in the Lebrary at 10 P. M. the day is full of class reunions, meetings, speeches and luncheons. The Inter-Society debate will be on the following question: "Resolved; That those decisions of the state courts of last resort declaring unconstitutional legislation passed by legislative bodies should be subject to recall by voters of the state in question." The Di Society, represented by Webster and J. E. Holmes, has the aff-

COMPULSORY ATHLETIC FEE

Manager McLendon Tells Why It Is Needed

A registration fee of \$ 2.50, to be paid in September and January of each year by every student registering is, as I see it, the only solution of the problem we are facing. This is the only plan that will provide a certain income every year. It provides a basis upon which to work and a standard by which the expenditures can be regulated. Each department of athletics, base ball, foot ball, basket ball and track can have a portion of this fund allotted to it and thus make each more or less independent of base ball and foot ball.

Every student in the University ought to sign a petition to the Board of Trustees asking that this method of financing the Athletic Association be put into effect in September.

Look for notices of meetings held for this purpose and let's be there and see that every man in college is there.

L. P. McLendon.

PIEDMONT GRAND OPERA

Baritone and "Soulful" Tenor Captivate Audience

Wednesday evening The Piedmont Grand Opera Company, which is made up of musicians from our midst and organized by a financier from the same place, gave its concert in Gerrard Hall to a small but appreciative audience composed largely of the faculty and their families. Messrs. Epps and Meeks, baritone and "soulful" tenor, respectively with Mr. Mallet as officiator at the piano composed the company. Mr. Epps and Mr. Meeks alternated on the program with the exception of a couple of numbers which were duets. They were both liberally applauded and encored. The general opinion of the audience seemed to be that the concert far exceeded any in the way of the star course with which the place has been afflicted for the past several years. The Piedmont Grand Opera Company was a distinct hit.

GREAT SUMMER SCHOOL EXPECTED

Preparations Made For Accommodating Six Hundred Students

INSTRUCTION IN NINETEEN SUBJECTS

The Largest Enrollment Yet Is Expected By those In Charge. Good Corps of Instructors and Lecturers Booked

The twenty-sixth session of the University Summer School for Teachers will open Wednesday June 11, and continue for a term of six weeks, closing Wednesday 23rd. The school will be in session six days each week, beginning at 8:30 on Tuesday morning June 12. Instruction will be given in nineteen subjects ranging all the way from the languages, through the sciences and mathematics, to nature study and music. Some thirty instructors will teach these subjects in sixty courses.

In addition to the instruction given on the classes, there will be lectures given by prominent men from all over the country for the benefit of those who attend the summer school. A good series of these have been arranged. They will be both instructive and interesting.

Prof. Walker, the Director of the Summer School, is making great preparations for a crowd this year. Last summer there were something over four hundred and fifty students enrolled. This year he expects over six hundred.

VARSITY SOUSED UNDER

Immersed 8 to 2 by Water Babies

The Water Babies soused the varsity in Durham Monday afternoon by 8 immersions to Carolina's 2. Smith was in the box for Wake Forest and held the local sluggers to four hits. The features of the game were Phil Utley's home run, for Wake Forest and the fast field work of both teams. Cap. Edwards, for Carolina, smashed out a clean triple at a critical stage in the game. Other sluggers were Billings and Goech for Wake Forest, each garnering a triple.

Wake Forest started early in the game with the run-getting, procuring 4 runs in the first inning. The game was won then, but the Water Babies added 4 more runs before they were stopped in the fifth inning. Carolina scored 1 run in the second and eighth innings, respectively.

The attendance was "bum", less than 500 spectators sitting on the grandstand and bleachers. Another game between Wake Forest and Carolina will be played today, Thursday, in Raleigh; and if Carolina takes this one, a third one will be played on Saturday.

Score by innings: R. H. E. Carolina 0 1 0 0 0 0 1 0 2 - 4 - 2 W. F. 4 1 0 2 1 0 0 0 0 8 - 8 - 5 Batteries: Craven, Aycock and Hart; Smith and Lowe. Umpire, Jay Henderson.

COBURN PLAYERS MONDAY

Will Give "A Comedy of Errors", and "Romeo and Juliet"

The Coburn Players, whose performances are remembered with pleasant appreciation by all who have seen them on the Hill, will be here Monday May 12 and give a couple of Shakespeare's plays under the green-wood tree. In the afternoon they will present upon the especially constructed stage on the campus behind the Alumni Building, "A Comedy of Errors," and in the evening at the same place "Romeo and Juliet." Both will be open air performances.

The Coburn Players are one of the most important organizations presenting classic drama. This company goes over the country, especially the southern states, giving their entertainments exclusively in the open air beneath the trees. They have made a great reputation by their production of Shakespeare's plays.

The company has its own costuming establishment, and is always strong in this department.

Their return here this year to give two more plays promises a treat to all those who enjoy good dramatics.

At a meeting of the General Athletic Association held Tuesday night, the following officers were elected for next year: M. T. Spears, president of the association; B. D. Applewhite, vice-president; J. T. Pritchett, secretary. Carl Taylor was elected manager of the baseball team, with R. E. Little and E. J. Lilley as assistants. George Whitaker was elected manager of the track team with Tom Gilman and Dennis Lee as assistants. Lenoir Chambers was elected editor in chief of the Tar Heel and W. P. Fuller got the managing editor's job. The associate editors elected are T. C. Lynn, G. A. Mebane, J. S. Cansler, S. W. Whiting and W. G. Guthrie. The business end of the Tar Heel will be looked after by L. R. Johnston, business manager, and B. L. Field and C. E. Erwin, assistants. Oscar Leach was elected representative-at-large on the Athletic Council.

With the close of this year the Athletic Association finds itself in debt as badly as ever and a little worse than it was at the beginning of the year. Again we face to face with the problem of how to borrow money on fath. Something must be done.

Carolina Takes Second

In the Southern Inter-Collegiate Tennis Tournament held at Columbia S. C. on Monday, Tuesday and Wednesday, Carolina came out second, losing only to Clemson, the winner of first place in the struggle for Southern supremacy on the tennis court.

New Building Dedicated and High School Conference Held on Hill

MANY EDUCATORS PRESENT FOR EXERCISES

Prominent Educators from all over the state and from outside attended the conference and dedication, and take part in them.

The High School Conference and dedication of the Peabody Education Building, which was held in Chapel Hill last Thursday, Friday, and Saturday, May 1, 2, and 3, was a most notable event.

Between sixty and seventy-five visitors among them county and city superintendents, high school principals and college professors from all over the State were present for these exercises.

The committee in charge of arrangements, composed of Profs. Walker, Noble, and Chase, has arranged a most excellent program, and this was well carried out. The first session was held in Gerrard Hall Thursday afternoon. Prof. N. W. Walker presided, and the topic for discussion was "The Place and Function of the Secondary School in a system of General Education". This was discussed by Prof. E. C. Brooks of Trinity College; Supt. Zebulon Judd, of the County Schools; Supt. R. J. Tighe, of the Asheville schools, Dr. W. T. Whitsett, of Whitsett Institute; and Dr. H. H. Horne, of New York University, whose paper, however, on "Modern Tendencies in the High School" was not presented until the evening session.

At the evening session Thursday Dr. H. W. Chase presided, the topic for discussion being "Standards of Efficiency of the Secondary Schools". Papers on this were presented by Sup. Edwin D. Pusey, of the Goldsboro schools; Prof. J. A. Matherson, of the State Normal; and Dr. George W. Lay, president of St. Mary's, Raleigh. Sup. R. H. Latham, of Winston Salem, and Supt. Martin L. Wright, of Holly Springs, who was scheduled for papers had been unable to come. On Friday morning and afternoon departmental conferences were held on the teachings of the various high school subjects. Much interest was taken in them both by the school men present and by students of the University.

DEDICATION OF PEABODY BUILDING

The dedication exercises were held in Gerrard Hall Friday evening. President F. P. Venable presided. Invocation was made by Rev. W. T. D. Moss. In a few words President Venable extended a hearty welcome to all present. Responses were given by Dr. J. I. Foust, on behalf of the State Schools and Colleges; by Prof. J. H. Highsmith, on behalf of private and denominational institutions; by Zebulon Judd, on behalf of the county schools and by Sup. J. J. Blair, of Wilmington, on behalf of the city schools.
