

DR. W. D. WEATHERFORD IS COMING

He Will Talk in Chapel Monday Night, One of the Best in South

AUTHOR OF SEVERAL VALUABLE BOOKS

A Graduate of Vanderbilt. Mr. Weatherford is One of the Most Practical and Successful Workers Among College Students in the South.

W. D. Weatherford Ph.D. of the International Committee of the Young Men's Christian Association will speak in Gerard Hall Monday night at eight o'clock. No man in the student movement of America is as close to the college men of the South. He is a graduate of Vanderbilt where he stood out as a scholar and leader. Any man who has been to the Blue Ridge Conference will tell you of his personality and power. Clear, straight forward, forceful, he appeals strongly to college men in the South, East and West. Read what the men of the West say of him.

Dr. Weatherford has made a real contribution to the sociological questions of the South in his studies of the negro. His two books are now a valuable part of the little library on this question which has been contributed to by such men as Albert Bushwell Hart and Edgar Gardner Murphy.

Carolina men have an opportunity worth while in the chance to hear a strong man who has given his life to the college men of the South.

ALL MUSIC NOW IN TUNE.

The Glee Club continues in gayety and has a rollicking time three nights every week. About thirty men have been divided up into four parts and are at present learning to sing "Hark the Sound." Next week every new man will be tried out in a quartet composed of himself and three old men. The quality of harmony produced will go to his account either on the debit or credit side. Everybody's tuning up. The Club meets Mondays, Wednesdays and Friday at 7 o'clock sharp.

All we can hear from the Band is music and lots of it. They must be doing things.

The First Year Meds Too.

On Thursday the first year medical class met in the Medical building for the purpose of organizing. Mr. L. S. Royster of the Second Year class called the meeting to order and acted as chairman until the election of a President. He then turned the meeting over to the newly elected President. The following men were elected to their respective offices: President, J. D. Boushall, Jr.; Vice-President, R. M. Cox; Sec-Treas., Ralph Spence and Historian, H. L. Brockman

YET MORE COUNTY CLUBS

Club Presidents Meet. Plan Year's Program.

We hail with great joy the re-organizing of the county clubs, which has taken place during the last two weeks. By this time practically all the clubs have met and elected officers for the coming year. A meeting of County Club presidents was held in the Y. M. C. A. on last Friday. The object of the meeting was to discuss matters which concern the welfare of the clubs as a whole and to make some definite plans for unified club work. I. M. Bailey, who was elected president of the County Club Association last year, presided at this first meeting of 1913-14. Three committees were appointed to look after matters pertaining to the program, membership, and publication. The president of each club is held responsible for the work of his county club. The constitution is the same under which the organization worked last year. Copies of it are to be drawn up in pamphlet form and distributed among the county clubs. Under the auspices of the County Clubs Presidents Association, Prof. E. C. Branson of the University of Georgia will make an address in Chapel Thursday night concerning county club work, laying especial stress on the work of the Johnson County club last year.

Since the last issue of The Tar Heel several more county clubs have organized.

Buncombe starts this year with twenty four members. The officers elected at the first meeting were: A. B. Greenwood, President; C. E. English, vice-President; G. A. Shuford, Treasurer; L. C. Barber, Secretary; J. G. Cowan, corresponding secretary.

Duplin organized last week with eighteen members, ten of them being new men. The officers for the coming year are: W. F. Taylor, President; F. E. Wallace, vice-President; and M. McD Williams, Secretary.

The Mecklenburg County held an enthusiastic meeting on last Thursday night. Thirty men out of the forty-four enrolled were present. In the first place the following officers were elected: President, G. M. Long; vice-President, F. O. Clarkson; Secretary, E. Y. Keesler; Treasurer, F. B. McCall.

The club decided to discontinue the usual picture in the Yackety-Yack. Part of the money thus saved was voted to send The Tar Heel to nine high schools in the county. It is thought that in this way the high schools will know something of University affairs, and become interested in the institution itself.

After deciding to hold meetings every three months, the Mecklenburg County Club adjourned.

The Orange County Club held its first meeting at the Y. M. C. A. Thursday night, September 24, 1913. The officers were elected as follows: President, F. Bradshaw; vice-President, J. Ray; Treasurer, S. Robertson; Concluded on third page

EUGENE C. BARNETT

This is the man who successfully represented Carolina in a debate with the University of Pennsylvania and who now represents Carolina at the very heart of one of the most far-reaching charges of modern times. He is our message bearer of a better life to the young men at Hangchow, China.

DR. C. L. RAPER HONORED

Head of a District in New Government Bureau.

Dr. Charles Lee Raper has accepted an appointment as correspondent and adviser of the United States Rural Organization Service, a new bureau of the United States Department of Agriculture. His territory includes the four states, South Carolina, North Carolina, Virginia, and Maryland.

The purpose of the Rural Organization Service is to know rural life and its conditions and to lend its aid to improving these conditions. Dr. Raper's work is to keep the Washington office informed as to the general economic conditions in his territory, particularly as to mortgage and credit condition, tenancy, and farmers organizations for economic and social betterment. He is to advise the Washington office as to the possible improvement of these conditions and as to what legislation is desired.

Dr. Raper has been at the head of the department of economics in the University for thirteen years. During this time he has been actively engaged in general economics and more recently in the field of transportation and taxation. His work for taxation reform in North Carolina, Virginia, and other states has brought good results. He has made a number of speeches on cooperative marketing of farm products and cooperative credit institutions for farmers.

He is generally recognized as one of the leading men in his line in the South.

Still They Resign

George Strong resigned his position as Editor-in-Chief of the Magazine last Saturday night. W. P. Fuller was elected in his place and Tom Boushall was chosen to fill Fuller's former position of Assistant Editor.

A HIGH SCHOOL CONTEST

Final Game to be Played at Chapel Hill.

In order to stimulate among the secondary schools of the State greater interest in athletics, and especially to encourage greater activity in the inter-school athletics, the General Alumni Athletic Association of the University of North Carolina has decided to inaugurate this year a State-wide contest in football among the public high schools, city and rural. The plan evolved by the committee on high school athletics will not interfere in any way with any schedule that has already been made by any team. The rules and regulations governing this contest are as follows:

1. For this year the contest shall be open only to public high schools, city and rural.

2. Any team representing a public high school, city or rural, that has not been defeated by a team of similar rank up to and including November 15 shall be eligible to enter the contest, provided it shall have played at least three games.

3. To be eligible to a place on the team, a player must be a bona fide student of the high school he represents. To be a bona fide student, he shall have been in regular attendance for a least one third of the term up to the time of any game in which he participates and made passing grades on his work.

4. Immediately after November 15 the committee on high school athletics will arrange preliminary contests for the purpose of selecting two teams which shall come to Chapel Hill for the final contest for the State high school championship.

The General Athletic Association will bear all expenses, including transportation, of the two teams selected for the final contest; and while on the Hill these teams will be entertained by the Athletic Association.

The committee will be glad to communicate with any school desiring to enter this contest and respectfully asks that all schools meeting the requirements herein set forth will, immediately after November 15, give notice of their desire to enter the contest. The committee is composed of the following members:

- N. W. Walker, Chairman,
- T. G. Trenchard,
- E. R. Rankin,
- C. E. Ervin, Secretary.

Any school interested will please communicate with Mr. Ervin, Secretary of the committee.

PROF. WILLIAMS RESIGNS

Prof. Horace Williams, professor of philosophy, here for twenty four years, has resigned his position. He has as yet made public no reason for his action although it is expected that he will issue a statement in a few days. He will continue his class room work for the rest of the school year. He then intends to devote his time to traveling and writing.

CAROLINA MERELY DUCKS BAPTISTS

Wake Forest Puts Up Game Fight. Too Light To Make Headway

ERWIN AND TAYLOR FEATURE

The Contest Was Slow. Weather Partly Responsible But Team Hasn't Enough Fight. Line Not Aggressive. There Were Costly Fumbles.

Line plunges, off-tackle gains, fumbles, hit-and-miss forward passes. Out of this mixture on a warm, sluggish afternoon the Varsity extracted 7 points, while our defense presented the Immersionists with 0.

The scoring came in the second quarter. End runs by Taylor and line plunges by Erwin had driven the swine-hide to Wake Forest's 6 yard line. The prospects of a touchdown so excited the Varsity that they dropped the precious pig-pelt, which was recovered by Wake Forest on her 1 yard line. The visitors punted. Tayloe returned the punt 15 yards, and after a few preliminary moves he fell across the Baptists' goal line. Tandy kicked goal.

Here Carolina put in the second team line, Orr giving way to Lord at quarter. The two teams were then evenly matched and played to a dead-lock. Each side tried the forward pass with partial success. Daniels of Wake Forest made a touchback by interrupting a forward pass which had it been successful would have give Carolina another touch-down.

In the last quarter the Varsity came back with all its men but failed to score. The chief trouble seems to be that the line does not charge. Tayloe and Burnett made gains every time a suggestion of a hole was made and Ervin just made gains anyhow. Huske did good work on end.

But those who know don't feel discouraged about the score. Just wake up the line a little and allow our quarters to gain a bit more experience and the team will be a hummer. Then remember that it was pretty hot just standing on the side lines. Football isn't exactly a summer pastime.

The crowd that witnessed the game was probable the largest ever on the field. All the students were there; thanks to the Athletic fee. In addition there were some 400 outsiders. Trinity and A & M. were well represented.

The line up:

Carolina	Wake Forest
	Center
R. Abernethy	Carter
Tandy	
	Right Guard
Cowell, Andrews	Olive
	Left Guard
Johnson, Foust	Britton
	Right Tackle
L. Abernethy	Moore
Boshamer	
	Left Tackle
Edwards, Ramsey	Powell
