UNIVERSITY OF NORTH CAROLINA, CHAPEL HILL, N. C., THURSDAY, OCTOBER 9, 1913

NO. 4

CAROLINA DEFEATS VA. MED. COLLEGE

Carolina's Work Shows Big Improvement Over Last Weeks Game

ERVIN STARS. MAKES BOTH TOUCHDOWNS

Carolina's Line Shows a Marked Improvement. Ramsey, at Tackle Especially Good. The Backfield Faster. Opponents Showed Effects of Insufficient Training.

With Homewood's fast end work, Ervin and Tayloe doing the old reliable in the backfield and the whole team on its improvement mettle, Carolina won from the Virginia Medical College Saturday 15 to 0.

At the start each team showed a distrust in itself by punting at every opportunity. That white-caged head of Homewood's turned this punting duel to favorable account by recovering a Carolina punt near the Meds' goal, then Ervin plunged through the line for a touchdown. Tayloe kicked goal.

The second quarter yielded no score, the big Virginia tackles putting up a strong defense. In the third, Red Allen took Lord's place at quarter and displayed real football spirit in running the team. By successive line plunges and off-tackle gains the Varsity came once more within striking distance of the visitors' line: and Ervin struck. Score 13-0.

The forward pass was much in evidence, although neither team profited very much by its use. In the last few minutes of play Carolina advanced close to a third touchdown but was held on the two foot line. The Meds. attempting to punt, threw the ball behind their line and were downed for a safety. Final score 15-0.

During the game Carolina substituted Higgins for R. Abernethy, McCall for Johnston, J. Andrews for Cowell, Kernodle for L. Abernethy, Edwards for Ramsey, Harris and Tennant for Huske, Cy Long and Love for Homewood, Allen for Lord, Burnett for Pope, Reid for Tayloe and Fuller for Ervin.

Ervin's and Homewood's work are much to be praised. Ramsey and Capt. Abernethy were conspicuous in the line.

The line-up:
Carolina Va. Med. College.
Center
R. Abernethy Tyler
Right Guard
Johnston Breckwell
Left Guard
Cowell Stafford
Right Tackle
Capt. Abernethy Harker
Left Tackle
Ramsey Capt. Walker
Right End
Huske Eoster
Left End
Homewood Seymour
Quarter Back
Lord Futrell
Right Half Back
Pope Hellensback
Left Half Back

DR. WEATHERFORD TALKS

Spoke on Conditions in Far East. Barnett's Field.

On Monday night Dr. W. D. Weatherford, International Student Y. M. C. A. Secretary for the South, spoke in chapel on "Conditions in the far East." Dr. Weatherford said that when he rode fifteen hundred miles through China on a steel pullman drawn by a Baldwin locomotive at forty miles an hour, he realized that the East is not so slow as it is often thought to be.

A factory at Kobe, Japan, cares for its 11,000 employees with the diligence of the National Cash Register Co., and one at Hanyan has competed in the sale of steel rails in New York against the American Steel Co. Examples like these show the possibilities of the county; but the masses of the people are today eking out a living on 1 1/2-acre farms or crowding the cities in search of jobs that pay 20 cents a day. The people are ground down by the social order which exalts the few and gives to the many a bare subsistence. Their superstition forces them to take up a great part of their much needed land for graves and prevents them from developing an adequate transportation system. They fear that modern scientific industrial methods will disturb the "Dragon" and upset the peace of mind of the people.

Eastern students are capable and keenly interested in modern thought. But they have no character-building religion. The East looks to the West to send her Christianity with its emphasis on the worth of a human being as a child of God. This is the message that is needed to permit the development of the tremendous economic resources of the East, to establish a humane social order, and to endow education with character-building vitality.

Dr. Weatherford then spoke of the work of Eugene C. Barnett, Carolina's representative, who is stationed at Hangchow. Mr. Barnett is at work among eleven thousand students.

INTERESTING CHAPEL TALK

Prof. Williams Discusses Unity of Life.

Prof. Horace Williams commenced a series of Chapel talks Tuesday morning. He discussed the question of the unity of the Universe. As his text he took the first verse in the Bible. He said that this is the most wonderful sentence ever written. It declares the whole universe to be a unity.

"I venture to say that there are not as many as three monotheists in this Hall." He further said that he had met only one during his lifetime. It takes a great man to see a unity in one of the three great fields of life—God, Science and Power. For apparently there is no unity in

PROF. E. C. BRANSON HERE FIVE DAYS

Friday Told Students of County Club Work in Georgia

TUESDAY HE SPOKE ON NEGRO PROBLEM

Discussed with Small Groups Work of Johnson County Club. Have Studied Farm and Wealth Conditions of County. His talk on Negro Problem Showed Vital Relation of Two.

Prof. E. C. Branson, of the University of Georgia, spoke in the Chapel Friday night on the work of the county clubs of that university. His appeal was a strong one, and will be of great effect in vitalizing the work of our county club association. He brought out the fact that entirely too little is known of the counties and of the state in general, and his solution of this problem in Georgia was the subject of his addresses. There there organization of county clubs met weekly to study conditions of tenantry, farm life, taxation, and all such matters that must be known thoroughly before valuable service can be rendered the people "back home". The interest aroused and the results obtained in this work of knowing the people of the State promises great things for the people and for the university. The value of the knowledge obtained was forcibly brought home by the speaker when he declared that on the strength of statistics compiled by these clubs a successful fight was waged in the Georgia legislature for a more just system of taxation — and, he declared, the conditions were no worse than those now prevailing in this state. Prof. Branson's talk opened to the county clubs a broad field of labor and service.

The succeeding three days Prof. Branson spent in properly launching the club members upon this task. At the library he was met by all club members and presidents, and he laid before them the details of his plan. The Johnson county club, which has done the most sincere and effective work, and he selected as a model and close study was made of the population and farm wealth of the county. Following this course, the other clubs will start work for their own counties and the general association will be welded into a unit for the pursuit of such information.

On Tuesday night Prof. Branson spoke under the auspices of the Y. M. C. A. on the negro problem in the South. Briefly summarized, he stated that the negro population is decreasing in ratio throughout the South, but that he was proportionally increasing as a farm owner and worker. The lure of the city has not affected him, and he is quietly buying up farming land on all sides. No arbitrary legislation, he said, could cope with this condition, and the only way to meet it is by educating the negro.

PROGRAM OF EXERCISES

Commemorating the One Hundred and Twentieth Anniversary of the Laying of the Cornerstone of the University of North Carolina

Procession forms at Alumni Hall, 10:45 A. M.

Exercises begin in Memorial Hall, 11:00 A. M.

- Invocation, *Dr. W. R. L. Smith*
- University Hymn.....
Dear University!
Thy sons right loyally
Thy praises sing.
For thee, our Mother dear,
May every coming year
Fresh-crowned with joy appear,
Fresh honors bring.
Heaven blessed the genial ray
Of that October day.
When at thy shrine,
Under the poplar shade,
Their vows our fathers paid,
Thy cornerstone they laid
With rites divine.
Fair may thy hours roll on,
As numbering one by one,
Thy tuneful bell
Now rings for duties done,
Now calls to honors won,
Or, for a comrade gone,
Tolls out a knell.
O! Thou whose promise nerved
Our fathers when they served
For Liberty,
Still be their children's God,
Still with Thy staff and rod
Show us the path they trod,
The path to Thee.
- Introductory,..... *Acting President, Edward K. Graham*
- The University and the State, *Governor Locke Craig*
- The University and the Nation, *Dr. Archibald Henderson*
- Address,..... *Hon. Josephus Daniels, Secretary of the Navy*
- In Memoriam,..... *Acting Dean, M. H. Stacy*
- Integer Vitae,..... *University Quartette*
- Hail to U. N. C.
Hark, the sound of loyal voices
Ringing clear and true,
Singing Carolina's praises,
Shouting N. C. U.
REF.—Hail to the brightest star of all,
Clear in its radiance shine,
Carolina, priceless gem,
Receive all praises thine.
'Neath the oaks thy sons true hearted
Homage pay to thee,
Time-worn walls give back the echo,
Hail to U. N. C.
Tho' the storms of life assail us,
Still our hearts beat true;
Naught can break the friendships formed
At dear old U. N. C.
- Benediction,..... *Rev. Homer Starr*

HIGH SCHOOL-CLASS SCHEDULE

FRESHMAN

October 4. Goldsboro at Goldsboro.
October 18. Greensboro at Greensboro.
October 24. Goldsboro at Chapel Hill.
October 31. Raleigh at Raleigh.
November 8. Greensboro at Chapel Hill.
Raleigh at Chapel Hill.

SOPHOMORES

October 18. Warrenton at Chapel Hill.
October 25. Bingham-Mebane at Mebane.
November 8. Warrenton at Warrenton.
November 15. Horner at Chapel Hill.
Bingham-Mebane at Chapel Hill.
Horner at Oxford.

W. H. Harrell was initiated into Alpha Chi Sigma (chem) Saturday. Herschel V. Johnson of Charlotte was pledged to Sigma Chi.

Prof. Camp of A. & M., professor of Agricultural Economics, was in Chapel Hill Thursday to hear Prof. Branson and to confer with Dr. Raper.

Debating Union Changes Plans.

The Debating Union met October 2 and decided to wire Vanderbilt an invitation for a fall debate. A reply has not yet been received. The Committee had previously decided not to have a fall debate but as there was quite a lot of protest the matter was reconsidered.
