

SOPHOMORES AND FRESHMAN WIN

Sophomores Stay Home and Defeat Warrenton. 1917 Goes to Greensboro.

BOTH CREWS MAKE FIVE TOUCHDOWNS.

Blake Applewhite, Old N. C. Man, Coaches Warrenton. Ervin Escorts Freshman Bunch. First Year Men Win 34 to 0 while Sophs do 31 to 0.

The Fresh football team defeated the Greensboro High School eleven on their own grounds Saturday by the score of 34 to 0.

The freshmen cleanly outclassed their opponents and scored apparently at will. Hoffman at left half for the freshmen was the individual star, while Monroe and Davis played well also. The freshmen lined up as follows:

- L. E. Williamson.
- L. T. Martin, Ware.
- L. G. Telfair.
- C. Elias.
- R. G. Bullock.
- R. T. Burnett.
- R. E. Monroe.
- Q. Taylor, Alderman.
- R. H. Davis.
- L. H. Hoffman.
- F. Byrd, Smith.

In a one-sided game played here Saturday the Sophomore football team easily won from Warrenton by the large score of 31 to 0.

The Sophs showed much improvement over their previous performances and apparently scored at will, while Warrenton was woefully weak both on offense and defense. The feature of the game was the playing of Fore at full and Huske at right half for the Sophomores. The line up was as follows:

- L. E. Brian, Langhran.
- L. T. Norris, Capt.
- L. G. Huske, Hogan.
- C. Zollicoffer.
- R. G. Hart.
- R. T. Royall, Jones.
- R. E. Long.
- Q. McLewis, Fore.
- L. H. Hoover.
- R. H. Huske.
- F. B. Fore, Grimsley.

Touchdowns: Fore 3, Grimsley 1, Huske 1.

Tennis Tournament Narrows Down.

The Varsity Tennis Tournament has now narrowed down to three men. In the first round Walker defeated Royall; Mebane, Hill; Page, Teague; Cone, Combs; Capelhart, Strong; and Jernigan, Angel. In the second round Walker had the better of Mebane; Cone of Page; and Jernigan of Capelhart. Of these three one is to be eliminated and the other two then each play Oates and Chambers, last year's team, for the 'varsity.

Another Good Chapel Talk.

Dr. Battle gave an interesting talk in Chapel Tuesday morning about the history of the old Gore house, which has been torn down. It was the first residence built in Chapel Hill. The new Dining Hall will be erected on that site.

HISTORICAL SOCIETY MEETS

Elects Officers. Decides to Aid County Clubs.

Our barely known, yet vitally alive, Historical Society was awakened and brought before the student body Monday morning at Chapel, by Dr. Hamilton's suggestion that more contestants were needed by the history department for the three prizes offered in connection with its work. The prizes are open to all students of the University, but have been in the past mere names to most of us. Dr. Hamilton's plea is that we make them real things. "A man can't pick up a hundred dollars every day that comes." He finished by inviting everyone who cared to come, to be at the meeting of the Society at the Chemistry Building at 7:30 Monday night.

Unfortunately the mail was late and very few cared; but those who did were interested and interest goes a long way.

The work for the year was outlined to cover the histories of the counties; in other words to supplement the works of the county clubs by going into the past instead of the present. Dr. Hamilton says that the plan is to have every meeting as informal as possible and to get the students interested more than they have been thus far.

The officers for the year were elected as follows: Dr. J. C. Hamilton, President; Dr. H. M. Wagstaff, Vice-President; Mr. C. A. Boseman, Secretary. In pursuance of the object of student interest, five members were elected to form an executive committee, whose duty it shall be to arrange programs for the year. One member was elected from the graduate school and one from each of the academic classes. The committee is composed of Messrs. Pearson, Scott, Fuller, Conrad, Black and Stell.

Much enthusiasm seems to have been aroused, but there is still room for more to get together and push. The Society meets every 1st and 3rd Monday night and there is no membership fee. Don't forget to come every time you can, even if you aren't on the program.

Greater Council Brings Results

The path from Main Street past the Athletic Store and Strowd's Garage is being repaired. This walk is used a great deal and it's rough condition has been the source of much annoyance. For its improvement thanks are due primarily to the Greater Council. This is another small evidence of the activity of that body in looking after matters which heretofore have been everybody's yet nobody's business.

A. & M. GAME CANCELED

Tuesday Night the Athletic Residence Committee canceled the A. & M. Football game which was scheduled to be played in Raleigh on November 15.

This Committee is composed of Head Coach T. G. Trenchard, Graduate Manager M. P. McLendon, Dr. Winston, Dr. Howell and George Stevens.

GREATER COUNCIL

PROPOSES CHANGE

Would Make Selection of Editors a Question of Merit

SO ARRANGED EDITORS CAN'T PACK BOARD

Have Future Board Selected by Present Editors and Standing Faculty Magazine Committee. Work Published in Magazine Basis of Choice.

The Greater Council has under consideration a change in the method of selecting Magazine editors. The Committee appointed to draw up the stipulations makes the following tentative report:

1. A. The Editors of the University Magazine for each succeeding year shall be chosen by the then acting board of Editors and the Faculty Standing Magazine Committee.

B. Each Editor shall have one vote. Each Faculty Committeeman shall have two votes. The Editor-in-Chief shall vote only in case of a tie.

2. A. The candidates shall be selected on a basis of the quantity and the quality of their work published in the Magazine for that year.

B. Seven regular Editors shall be chosen. Besides these, any number of alternates that the Election Board sees fit may be elected to succeed any failing to return in the fall, or failing to accept the nomination. They shall succeed in the order of election.

C. All Editors must be or must become members of one or the other Literary Societies.

D. They must be chosen within two weeks after the appearance of the last Magazine for each year.

3. A. The Board of Editors shall then meet and elect their own Editor-in-Chief.

4. A. Any man already an Editor may be chosen an Editor for the next year.

B. In case he is nominated, he shall have no vote.

Of course any action taken must be by the two Literary Societies. The publication of this report is for the object of creating discussion and in that manner bring out any defects.

Good Papers At Elisha Mitchell.

The Elisha Mitchell Scientific Society listened to two very interesting papers at its meeting, on the 14th. Dr. Wilson's papers on the Biological Idea of the Individual and the Experimental Fusion of Embryos was one of the best papers read before the Society in a long time.

Following this Prof. Cobb gave an account of the International Geological Congress, which he visited at Toronto this summer. The meeting adjourned before Dr. Herty was able to make his report on the Meeting of the American Chemical Society.

Every one is cordially invited to be present at the monthly meetings of this worthy organization.

DR. BUCK GIVES SERMON.

First University Sermon of Year. Well Received.

On one of the best sermons that was ever heard in Gerrard Hall was preached last Sunday by Dr. Buch of Burlington. His text was one of especial interest to college men, his delivery singularly pleasant, and his language forceful and clear. I Corinthians 16, 13 furnished the text—"Quit ye like men." Dr. Buck discussed his text under four main heads: The necessity of an ideal, of unquestionable obedience to that ideal, of courage, and of self sacrifice. Each of these points he strengthened by repeated illustrations which were apt and well depicted. The whole sermon was strong and interesting and held the attention of the audience throughout.

SOPHS. BEAT FRESHMEN

Lone Touchdown was made on a Fluke in Last Quarter

In an exhibition game the Soph. football team scored a doubtful victory over the Freshmen last Saturday by a score of 6 to 0.

For three quarters the Freshmen, on the field and on the side lines, fought desperately to uphold the honor of their beloved class. The bloody Sophs. were not to be swept away, consequently it was an even break until the latter part of the fourth quarter. It was then that Fore of the Sophs. received a punt, dashed into the crowd of spectators who were all over the field, and when he appeared from the crowd again the goal was not far away. The score was not made fairly and had the crowd been where it belonged the game doubtless would have ended a tie.

Zollicoffer at center and Huske at right half did the best work for the Sophomores, while Coleman, right half and Williamson at left end did good work for the Freshmen.

The line-up:

Sophs.	Fresh
Royall, Bryan r. e.	Monroe, Capt

Dr. Henderson to Make Addresses.

Dr. Archibald Henderson spoke in Cincinnati on October 22 before the Woman's Club of that city on the topic "The Modern Drama." On October 23 he makes the principle address before the Ohio Valley Historical Association at Lexington, Ky. On the following day he speaks at the banquet of the same Association.

Immediately after the Columbia game Saturday, Referee Simmons said the Tar Heel team had improved a hundred per cent over last Saturday's showing. He refereed both games, so he ought to know. The score was 13 to 3 in Carolina's favor, and South Carolina expected to win. That comeback against Wake Forest of a week earlier fixed them that way.

South Carolina kicked off. Each side failed to make first downs, so they exchanged punts. This worked alright until Ramsey blocked VonKloitz's kick. Carolina recovered on the opponents' twenty yard line but Fuller fumbled. Lord received the resulting kick and returned it to the ten yard line.

Each backfield man now took a turn at carrying the ball, Pope five, Tayloe two, Fuller three and Lord a touchdown. Tandy missed a difficult try at a goal.

The second quarter was a game of see-saw.

The first few minutes of the third quarter saw the second touchdown. And again a blocked kick by Ramsey started things. The ball was recovered on the Palmetto 45 yard line. Carolina then marched right down the field. Reid took one, Tayloe got six, Fuller took four. Reid lost one, Reid too five, Fuller made fifteen, Fuller took four, Tayloe got eight and Fuller went across. This time Tandy dropped it across.

The next excitement was when Wehman recovered Tayloe's fumble and started for a touchdown with two grey-jersied men running interference for him. No blue jerseys were in ten yards of the man. He stumbled and fell and before he could regain his
