THE BASEBALL PROSPECTS

Carolina Has An Unusually Good Array of Talent

Manager R. E. Little, Jr. has finally arranged the baseball schedule for this year. The schedule speaks highly for the efforts of "Kitty". Not only has he arranged a schedule of twenty-three games, but he has also arranged for ten of them to be played on the Hill.

One of the features of this year's schedule is the fact that eleven games of the twenty-three are with North Carolina teams. Five teams are to be met which were not played last year. They are, Elon, Bingham of Asheville, Richmond College, University of South Carolina, and Winston League. The opening game, as usual, will be with Oak Ridge, March 19, on the Hill.

Regular practice will hardly begin yet unless the weather improves. At present the field is in pretty poor shape and some work will have to be done before it is ready for use.

The outlook for the team is especially bright. The Freshman class contains quite a number of infielders and pitchers. Then again several new faces will be seen on the field this year. At no time within the last four years has Carolina had so much promise of a good team.

Capt. Woodfall will in all probability do the catching. As is well known, he is without a peer among college receivers in the South. Beside the new men who will aid in rounding out the pitching staff, there are Aycock, Williams, Shields and Tandy. Not since the days of Raymond Lee has Carolina had such an array of pitchers.

Of the infielders Patterson, Hardison, and Lewis of last year's team are back. Among the new men who will try for infield positions are Pope, Sheek, Bruce, and others. In the outfield Hubert Baily is the only regular on the job. Nance, a sub last year, and several new men will try for outfield berths.

With all this array of talent there is no reason why Carolina should not have one of the best teams in years. Anyway it will be only a short time until the call for candidates will be issued. It is then that the real work begins. Out of a total of about seventy-five men who report for first practice a team will be chosen. It is not doubted that there will be a fight for every position.

DR. MOTT COMING SOON

America's Foremost Religious Worker Here Next Week

Lest the importance of Dr. Mott's coming to the University be forgotten, the following points may be of interest.

Dr. Mott has appeared in most of the important university centers throughout the world—not only in America and Europe but also in Japan, China, and India, and wherever there are prominent student gatherings.

Dr. Mott has been received very heartily on several different occasions at Oxford University. One campaign lasted nearly a week and his lectures were better attended than any series of lectures ever given at that University.

Dr. Mott was also enthusiastically received at Cambridge University and his lectures here also drew large crowds.

Conferences of the World's Student Christian Federation have been held in Holland, France, Germany, Sweden, and Turkey, and each one has always had a special series of addresses by Dr. Mott.

The students of Norway, Denmark and Finland have a high regard for Dr. Mott, as evinced by the fact that his meetings in Copenhagen had an attendance of over a thousand students each night.

He is also held in high regard in Russia. He spent six days in Moscow with its twenty thousand students and eleven days in Petrograd, the largest University center in the world, with its forty thousand students.

With these facts in mind we can begin to have an idea of the tremendous amount of power and experience which Dr. Mott has, and can prepare to make this campaign of Mott here the most effective one which he has ever conducted.

Juniors Meet

At a meeting of the Junior class held several days before examinations started, Tom Linn Jr. of Salisbury was elected chief commencement marshal. The other six marshals chosen by the class were Frank Cooper, Hoke Black, Bill Umstead, James Harrison, Robert Vaughn, and Roy Homewood.

The class, of 1916 also voted to have a Junior Prom during the Easter Week festivities, and elected J. G. Cowan leader, with W. B. Cobb, and F. O. Clarkson as assistants.

CHICK DOAK TO BE COACH

Basketball Coach to Serve Also in Baseball

It was gratifying to everybody to learn last Tuesday morning that Chick Doak had been elected baseball coach. The Charlotte Observer of Wednesday has the following to say:

"The athletic management of the University, in session last night, elected Charles G. Doak of Guilford College as coach of the 1915 baseball squad. Mr. Doak who is now employed as a basketball coach, will continue his services uninterrupted through the baseball season, soon to open in preparation for the schedule announced a few days ago.

"Charles Doak, popularly known in amateur and professional baseball circles as Chick, is backed by a record of many years service in the field of athletics which he will direct at Carolina. Five years as a player on the baseball and basketball teams of Guilford College, three years as coach of Guilford teams, and more recently seven years as player on the Greensboro and Charlotte clubs of the Carolina League—this is his record in athletics.

"His recognized ability in developing winning teams at Guilford College is the best recommendation that could be produced of his capacity to tackle the job for which he has been chosen.

REV. J. McVEIGH HARRISON

Member of the Order of the Holy Cross Conducts Daily Services

Rev. J. McVeigh Harrison, a member of the Order of the Holy Cross, who is in charge of the Industrial School for Mountain Boys near Sewanee has been conducting services every night this week at the Episcopal church.

The members of this order, who are under the control of the Episcopal church in the United States are bound by three vows—celibacy, obedience, and poverty. They wear at all times the distinctive habit of their order, observe the ancient custom of the "Seven Hours" of daily worship, keep the ancient fast and vigils, and divide the whole of their time not needed for rest or recreation to meditation, prayer, study, and labor.

The services conducted by Rev. Harrison both at the Episcopal church and in chapel have been of great benefit.

THE McNAIR LECTURES

Prof. John Dewey of Columbia University the Speaker

On Friday, Saturday, and Sunday of this week the McNair Lectures will be delivered by Professor John Dewey of Columbia University. The McNair Lectures rank always with the most important events of the college year, and are looked forward to with keen interest. They will be held in Gerrard Hall and will begin at eight o'clock on the evenings mentioned above. The general subject of the lectures will be Philosophy and Politics. The subject for Friday night is "The Inner and Outer Worlds," for Saturday "The State and Moral Life", and for Sunday "The Philosophy of History."

Dr. Dewey has been at the University of Michigan, Minnesota, and Chicago, and was once Director of the School of Education at the University of Chicago. He is the author of several books on Ethics and Psychology, and is recognized as an authority on these subjects.

SCHUMAN QUINTET CONCERT

Third Number of Star Course Series Proves Superior to Preceding Ones

The concert given by the Schuman Quintet in Chapel last Saturday night was by far the most enjoyable Star Course performance given here this season—some members of the audience considered it the best in years. The program was excellent, and even had it been poorly executed, would have contrasted favorably with the neo-witty average Star Course performance. The program, classical though it was, could not have been more proficiently rendered. Every selection from "Santa Lucia" to "Gems from Faust" was thoroughly enjoyable.

The Star Course management would do well to secure more numbers of such high class as the Schuman Quintet.

A DEFEAT AND A VICTORY

Carolina Loses to and Wins From Wake Forest

In the first of the three basketball games played with Wake Forest, Carolina suffered defeat by the score of 26 to 23. The game was played in Raleigh and was well attended, many of the college girls of Raleigh being present. Carolina had a good lead at the end of the first half, and prospects were bright for a victory, but Wake Forest came back in the last few minutes with a rush, tied the score, and then scored the three points that won the game. According to the Raleigh papers, the game was one of the closest and most interesting ever played in that city. Holding and Carrick featured for Wake Forest while Johnson and Andrews played a splendid game for Carolina.

In perhaps the best basketball game ever played on the Hill, Carolina's fast team administered a defeat to Wake Forest, Tuesday night, the score being 32 to 20. Wake Forest started the game with a rush, scoring eleven points before Carolina succeeded in caging the ball. It was then that Captain Long started the Carolina machine rolling with a beautiful goal from the center of the floor. When the Carolina team was once started, Wake Forest could not stop them, eighteen points being the result of their work during the first half. The visitors scored 15 points in this half. Carolina began the second half with the spirit with which she ended the first, and simply ran away with the Baptists during the remainder of the game.

Time after time Tandy would dribble half the length of the floor and then cage the ball, while Captain Long would put it (Continued on third page.)
