CAROLINA ENDS A MOST SUCCESSFUL BASEBALL SEASON

Win Easily From South Carolina, Guilford, Wake Forest, and Elon. Captain Woodall Gets Another Homer

Carolina administered a shut out to the game cocks last Monday when Leon Shields held them to six hits and no runs. The nearest they came to scoring was when Plaxico their fleet center-fielder hit for three bases, but he was left stranded on third. Catp. Woodall led the batting with three hits in four attempts, one being for four bases. Shields was master of the game at all stages, fourteen men being retired at the plate.

By winning from Wake Forest Tuesday, Carolina made it three straight victories over the Baptists. Currie pitched for Carolina and was invincible with the exception of the sixth inning when he was wild and allowed the visitors to score their four runs.

Patterson, Carolina's star second baseman, featured by clouting the ball for four bases.

CAROLINA 7; GUILFORD 2

Up to the eighth inning of the game with Guilford last Friday, the game was close and in doubt, the visitors leading at this time 2 to 1. In the eighth, however, Captain Woodall decided we needed a run or so, and proceeded to smash out a home run. This started a rally that netted six runs and the game. Mac Lewis got a three bagger with one on, and Marshall Williams got a batting average for himself by driving out a clean two bagger.

CAROLINA 14; ELON 2

Our boys took advantage of a good opportunity to fatten their batting average last Saturday when they hammered out 16 hits for 14 runs. Bailey, our fast centerfielder, led in the slugging with four hits in five trips.

Captain Woodall celebrated his last appearance in college baseball by playing every position during the game, including the pitcher's position. As this was the last game of the season and an easy one, Captain Woodall al-

lowed three men besides himself to occupy the mound.

BASEBALL TEAM BATS .270

Captain Woodall Leads Team With Average of .400

An analysis of the records of all the members of the baseball team shows that the team's average for all games played is .270. This is a splendid showing, and shows why we won all but four games. Captain Lawrence Woodall who played his last game of college baseball Saturday, led the team by hitting at a .400 clip. Out of 83 trips to the plate he connected safely 33 times, five of these hits being good for four bags. Paul Bruce, shortstop, comes second with a good average of .354, while Edgerton and Hart each have an average of .333. Zollicoffer also hit above the three hundred mark, his average being .306.

Following is a list of the team, their times at bat, hit, and averages.

SHIELDS IS CAPTAIN

Carolina's Premier Pitcher Will Lead Team

Captain Woodall Plays His Last College Base Ball

Shortly after the final game of the season last Saturday, Leon Shields, Carolina's star pitcher was elected captain of the baseball team for next year. The ability of Captain Shields to play two positions, pitch or play short, either of which he can do most creditably, makes him well fitted for the position of captain. Shields won seven of the eight games he pitched this year and for his splendid work on the mound, he well deserves the honor his team mates have given him. It is not definitely known yet how many of the old members of the team will return next year. Capt. Woodall is the only member who will be ineligible, he having played four years in college base ball. It is with much regret that the Carolina student body sees "Woody" leave the team. For the past two years he has shown himself to be not only the best catcher in the state, but an all round good fellow.

The season just ended has been one of the best in years. Of the 19 college games played, Carolina won fifteen and lost only four, making a total of 120 runs to their opponents 45.

Coach "Chick" Doak deserves congratulations for having led his boys to victory so many times, and the entire team deserve credit and congratulations for having made this past season one of the most successful in years.

CAROLINA'S TRACK TEAM ENDS

SEASON BY WINNING STATE MEET

Captures First Place With 64 Points, Trinity Second With 40, A. & M. Third With 35, and Wake Forest Last With 14

By scoring a total of 64 points Carolina was easily the winner in the annual state track meet which was held in Durham last Monday. Fourteen events were held and in nine of these Carolina won first place. Three second places, four third places, and two fourth places combined to make a total of 64 points. Trinity came second with 40 points, A. & M. third with 35 points and Wake Forest was fourth with 14 points.

Although no records were broken, and the times as a whole were not extra good, the meet was a great success and was most interesting. Many of the events were extremely close and hard fought, the 100 yard dash affording great enthusiasm and excitement by its closeness. Johnson of Carolina won this by a few inches, his time being 10 3-5 seconds.

Ratty Ranson won fame for himself by capturing the half mile, which he did by a good number of yards.

A. & M. won the high jump, although the height was only 5 ft. 7 in. Woolcott who holds the state record at 5 9 1-2 tied with Kanner for second place.

Good time was made on the two mile, it being won by Goforth of Trinity in 10 minutes 33 3-5 seconds. Upchurch of Carolina was leading on the next to the last lap but he got a notion he was on the final lap and began to sprint. He was unable to finish the remaining lap after his sprint and as York, our other man, lost his shoe, we did not get a place in this event.

Homewood easily captured first place in the hammer throw, but it cost him the pole vault as this was the next event. After his exertions with the hammer he could not go above 10 feet, while he usually goes several inches higher with ease. The pole vault was won at 10 feet 1 inch.

Patterson walked away with the quarter, taking first place with very little effort.

The main point getters for Carolina were Capt. Woolcott, and Homewood, while Matton was the feature for Trinity.

The track being a new one was rather soft and this may account for no better times being made. The meet was a decided success, and the officials did their work splendidly.

Following is a list of the events, the winners and their records:
