BASEBALL SEASON A SUCCESSFUL ONE

TEAM WINS 11 OF 17 GAMES
SCORING 89 RUNS TO 55
OF OPPONENTS

E. K. BENNETT CHOSEN CAPTAIN

Team's Batting Average is .248—
Kirkman, Younce, Bennett, Barnes
and Jeanette over .300 mark

The well and favorably known "Wop" Bennett has been elected to pilot the Carolina nine for 1917-18. Bennett is one of the best catchers in college baseball and a glance at his healthy average speaks convincingly of his success with the stick. "Wop" is a sure, steady player who suffers no slumps. He's right there in the pinches and on his toes from the time when he first buckles his shin guards until the last ball whizzes over in the ninth.

And while speaking of the team it might be mentioned that several of them have slugged themselves into the Baseball Hall of Fame. Bennett, Barnes and Jeanette are in the .300 class and Stewart escapes by a hair.

The team's average is .248 and it was found quite sufficient to pile up a total of 89 runs against the opponent's 55. Stewart leads in the scoring. The boys have had a most successful season, winning 11 games and losing 6. The percentage is .647. Coach Hearne compliments them on their splendid spirit in keeping strictest training which made success possible.

Following is the individual batting averages:

Fresh Inter-Society Debate

The freshman intersociety debate will be held May 2 in Gerrard Hall. The query is: Resolved: That all corporations engaged in inter-state commerce should be required to take out Federal charters, it being conceded that such a requirement would be constitutional and that Federal license should

The following men trying out for nominations to the Tar Heel board have done exceptional work in the contest—W. B. Jones, J. M. Gwynn, R. L. Phillips, Bryce Little, E. J. Burdick, E. Nieman, W. Dowd, C. R. Toy, Anderson, R. L. Young and R. W. Madry.

MANY SENIORS WILL GO TO FORT OGLETHORPE

Much interest has been manifested among the students within the last few days on the announcement of the Government that a Reserve Officers' Training Camp will be established at Fort Oglethorpe, Ga., the Plattsburg Camp having been called off.

The purpose of the Oglethorpe Camp is to train officers who will in turn train the 500,000 or more men to be called out either under the conscription or volunteer system within the near future.

The applicant must be at least 20 years and 9 months of age, must be physically fit to endure severe military service, and must have three good recommendations.

Each man attending must enlist for a period of three months, and at the expiration of this term will be obligated to accept such appointments in the Officers' Reserve Corps as may be tendered him by the Secretary of War.

The Government will furnish transportation to the Camps and subsistence during the training period. All attendants, however, are urged to furnish their own uniforms in advance, if practicable.

The Camp opens May 8, and all those desiring to attend may secure application blanks from Mr. Bullitt or Mr. Burgess.

At a meeting of the senior class Wednesday practically two-thirds of the members signified their intention of attending Camp Oglethorpe and doubtless many undergraduates will join them.

Carolina Represented in Golf Tournament

Last Saturday Carolina was represented for the first time in an inter-collegiate golf tournament. On the Greensboro Country Club links, Strange of Carolina contested with Compton of Virginia for the championship of the tournament in which a number of colleges entered. Compton won only after the contest was carried to the 19th hole.

The preliminary contest was held Friday. In the semi-finals Compton defeated Clarke, of Davidson, and Strange won over Howard, of Davidson. A large number of spectators witnessed the final.

not be available as an alternative plan. The Dialectic Society upholding the affirmative is represented by S. H. Willis, and R. W. Pulliam. The Philanthropic Society with the negative is represented by R. F. Phillips, and O. R. Cunningham.

TEAM SHARES HONORS WITH GEORGIA—LOSING LAST GAME

Tar Heels Out Class Crackers in First
Game 5-0—Loose Second, 10-1,
—Visitors Hit Hard

On last Monday, Carolina laid the first game with Georgia on ice to the tune of 5 to 0. The one-sided contest was featured by the all-around playing of the home team. Powell, who received errorless support, twirled in masterful fashion, holding the Crackers to three scattered hits, and causing eleven men to breeze the ozone. Only thirty men faced him during the game. He also gave the pill a ride for three sacks in the seventh. Feimster's stop in the seventh, of Rawson's hot grass clipper and the fast double play resulting therefrom, was a snappy feature. Stewart had a big day, getting three hits out of four times up.

Georgia's side of the story can be told quickly. In five innings their men went out in one, two, three order. In the other four frames, three men reached first, and one reached the second station. In the fourth Wooten rolled a long one through the center-field fence. He had oodles of time to circle the paths, but ground rules brought him back to second. The three errors of the visitors materially helped the score of the White and Blue.

Carolina tallied in the first frame. Stewart nicked Westbrook for a single, Herty popped

DEAN H. C. TOLMAN DELIVERS EXCHANGE LECTURES HERE

Dean H. C. Tolman, of Vanderbilt University, spoke on "The Achievement of Life" in Gerrard Hall Monday night. His addresses here at the first of the week were the last in a series of exchanges lectures between Vanderbilt and the Universities of South Carolina, North Carolina, and Virginia.

Dean Tolman said that the achievement of one's existence was the attainment of the educational ideal, which was the drawing out of one's life so that the larger messages of the universe could be caught. "It doesn't make so much difference what you are learning but how you are learning. Always follow the sign manual of life, 'learn so as to live, live so as to learn.'"

Continuing the speaker said the struggle for education is guided by three great principles: the law of wisdom through struggle, the law of expansion through receptivity, and the law of growth through self-giving. He said that the law of struggle was the old doctrine of the survival of the fittest, and if it held true in the great educational ideal then an education was not the accumulation of facts, for this would reduce a man to the level of a phonographic plate. Life is divided into three parts: choice, habit, and

ATHLETIC ASSOCIATION AMMENDMENTS WILL BE VOTED ON AT MEETING TODAY

*Athletic Council Approves and Supports the
Proposed Changes*

TAR HEEL ELECTIONS TO BE PUT ON BASIS OF MERIT

The following amendments to that portion of the constitution of the Athletic Association dealing with the Tar Heel will be voted on at the meeting of the Athletic Association this afternoon.

The Athletic Council has already given the amendment its approval.

From its beginning the Tar Heel has been incalculably hampered by its antiquated system of electing its associate editors and of dividing the work among its staff,—a system which was out-of-date even in 1896.

The passing of the amendments will, in all probability, be a great step towards making the Tar Heel a better and more useful paper.

Amendments number one and number two, if passed, will immediately go into effect, and the Association will vote for the two Assistant Editors, the Assignment Editor and the Desk Editor.

Amendment number three can not, of course, go into effect until next year.

The proposed amendments are as follows:

1. The office of Managing Editor shall be divided into two offices, Assignment Editor and Desk Editor.

The Assignment Editor shall be the head of the news staff. He shall call the meetings of the board, assign all appropriate campus happenings and overlook nothing that should have a place in the Tar Heel. He must see to it that the Associate Editors hand in their assignments to the Desk Editor promptly. He should be a senior and should have served on the board before his election.

The Desk Editor shall correct copy and proof, write headlines and make-up the paper. He should be a junior and should have served on the board before his election.

2. In addition to the Editor-in-Chief, two Assistant Editors shall be elected. Their sole duty shall be to write editorials. They should be men of sound judgment and interest in University affairs, capable of agitating the problems of the campus and leading the opinion of the student body. They should be seniors. It is not necessary that they should have served on the board before.

3. A well-advertised Tar Heel contest shall be held each spring, open to all Carolina students and supervised by the Assignment Editor. The copy handed in by the contestants shall be preserved by the Desk Editor and at the end of the contest presented to a committee of judges who shall select the ten who have done the best work. These ten shall be the Associate Editors for the following year. The committee of judges shall be composed of the Athletic Council, the Assignment Editor, the Desk Editor and the head of the Journalism Department.

LETTER AND STAR MEN FOR 1916-17 SEASON

The Athletic Council held an important meeting on last Thursday night.

The following men were awarded basketball letters or stars, Raby Tennent, C. G. Tennent, E. C. Grandin, Shepperd, McDuffie, and S. B. Tanner, a Manager's Monogram.

The following members of the baseball team were awarded letters or stars: Stewart, Barnes, Herty, Bennett, Folger, Jeanette, Feimster, Weeks, Powell, Llewellyn, Coleman, Kinlaw, Roberts, Younce, Kirkman, Proctor, and a Manager's Monogram to Allen.

The freshman class numerals, 1920, were awarded the following: Salmon, Spruill, Henry, Cordon, Odum, Leighton, Moore, Lewis, Harden, Arrasmith, Neeley, Joyner.

Tennis letters were awarded the following: C. H. Herty, Jr., a letter; A. H. Combs, star.
