N. C. State Track Meet to be Held Here To-day

The State track meet, to be held here to-day, will be the event of the week. Carolina, Trinity and Davidson will be represented and the meet promises to be a close one. Track, just as all other athletic sports, has been handicapped this spring by lack of men on account of the war, and by frequent rains. In this respect, however, we have suffered no worse than any of the other colleges.

At the beginning of the season there were only three old men back, Davis, Rymer, and Wood and of these Davis and Rymer later entered the service. Despite these difficulties, however, the men have worked well and under the supervision of Dr. Brown have developed into a very good team, and one which is likely to acquit itself with credit in to-day's contest.

The men who will probably represent the University are as follows:—

In the hundred, two-hundred, and four-hundred yard dashes Wood, Hardin, and Love. In the half mile Royal and Everett. In the mile and two mile Scott, Nimms, Ranson, and Massenburg. In the hurdles Martin and Price. In the field events including pole-vault, high jump, broad jump, shot put, and discus throw, Spencer, Travis, Lynch, Burton, Kittrel, Hatcher, Span, and Corpening.

Carolina Meets Elon To-day in Burlington

For the fourth time this season Carolina is scheduled to cross bats with the Elon nine. Tough luck has changed manager G. Holding's plans each time, but this time the game is to take place. Our team has already invaded the peaceful town of Burlington in anticipation of Mr. Ump's calling "Play Ball" today at 3:30.

Tennis Team Wins Match With Raleigh Y. M. C. A.

The tennis team played the Raleigh Y. M. C. A. on the latter's courts on Saturday and come out of the match without losing a set. Taking the net in every point of the doubles except four, Carolina was able to win most of the games by smashing. The Raleigh team, though greatly handicapped by lack of practice, played hard and the games were really closer than the score would indicate.

In the doubles Prince (Capt.) and Wilson won from H. M. London and E. W. Thornton 6-0, 6-2, 6-4.

Only one match of singles was played and this was hard played and fairly close. In it Wilson, H. V., won from London, H. M., 6-2, 6-4.

Saturday night at 8:00 o'clock in the society halls the inter-society debates will be held. The debates this year are being run on a plan different from that of former years. Instead of the Sophomores and Freshmen debating in Gerrard Hall at different times, as was formerly the case, the Freshmen will debate in the Di Hall at the same time as the Sophs will debate in Phi Hall.

VIRGINIA WINS LAST GAME OF SERIES WITH 2-1 SCORE

CONTEST PRACTICALLY NARROWS DOWN TO PITCHERS' BATTLE

Before one of the largest crowds of the year at Charlottesville, on Saturday, Virginia won the deciding game of the baseball series this year by a 2 to 1 score. From start to finish the game was a pitcher's battle, with honors about even.

Taylor for Virginia, although hit hard by the Tar Heel lads, was tight in the pinches and kept his hits scattered. Powell, although not as steady, allowed fewer hits than his opponent. He struck out four to Taylor's eight. Besides pitching extraordinary ball, both pitchers featured with the stick, Powell getting three hits, one a triple, out of four trips to the plate, while Taylor connected safely twice out of four times up, winning his own game in the ninth with a single.

Virginia scored in the very first inning when two walks, a sacrifice and a single put one across.

Carolina tied in the fourth frame. In that inning Younce fired a shot to center, but was forced at second when Bryant's fuse failed to work—Cordon advanced Bryant with a single and Jack Powell landed him safely at home with his third hit.

The Tar Heels threatened to score in the ninth, when, with only one down, George Younce reached third, but the rally was short-lived, as the next two men were easy outs. The deciding run came in the last of that same inning when Gwathmey doubled, and scored over Taylor's drive over second. The game was well played and hard fought throughout, being one of those in which there is as

Cuthbertson is Captain of the Basketball Team

W. R. Cuthbertson has been elected to pilot the basketball team for the coming year.

Cuthbertson, a junior, made the team this year after two years of hard work on the scrubs. During the past season he never failed to put up a steady consistent game often scoring more goals on his forward than he allowed his opponent to score.

Cuthbertson will no doubt make the team a good captain and the the team a good captain.

Spaugh Gets Scholarship to Junior Plattsburg Camp

R. A. Spaugh, of the Sophomore Class, has been awarded the scholarship to the Plattsburg Summer Camp.

This selection was made after a week of competition between over twenty men. The successful man was chosen by a process of elimination. Three men were selected by the military officials as the three best candidates in a military way, and these names were submitted to President Graham, who made the final choice.

This scholarship is valued at \$250.00, and covers all expenses at the camp. The successful candidate was chosen because of his proficiency in military work, and a representative of Carolina.

Ed Wood Captain of Track

At a recent meeting of the track team E. P. Wood was elected Captain to fill the vacancy caused by Rimmer's entering the service. Ed has been a consistent worker from the day he hit the Hill and has stuck to track four years.

CAROLINA WINS DEBATE OVER HOPKINS AND VIRGINIA MEN

GOT NINE VOTES OF THE TEN CAST BY THE JUDGING COMMITTEE

Carolina somewhat offset Virginia's victory on the diamond last Saturday by winning both sides of the Fifth Annual Triangular Inter-collegiate Debate at Hopkins and Virginia, while Hopkins was defeating Virginia here.

At Johns Hopkins Marion Fowler and W. M. York defended the negative side of the query against Virginia's affirmative team, composed of R. L. Garis and A. L. Kinsolving. Here the question of "universal conscription of labor" was hotly discussed from all possible points of view before an interested audience, and the program was enlivened by musical selections, both vocal and instrumental, rendered before and after the first speeches and after the rebuttals. At the conclusion of the program Dr. John C. French, the presiding officer, announced that the decision stood four to one in favor of the negative.

At Charlottesville, Leo Carr and Hermas Stephenson upheld the Affirmative against L. M. Simon and J. M. Berkowitz, representing Johns Hopkins. Here the debate was unusually well attended and was enjoyed by all. Dr. I. F. Lewis announced the unanimous decision of the Judges in favor of the affirmative, after which a reception was given in honor of the visiting teams and of the officers of the debate.

This double victory adds a new laurel to Carolina's wreath and sustains the record of her inter-collegiate debaters. Out of the forty-seven inter-collegiate debates in which she has engaged during the last twenty-one years, Carolina, represented by such men as E. K. Graham, W. S. Bernard, K. P. Battle, and numerous others of state and national fame, has won no less than thirty-two, while out of the five triangular debates with Virginia and Hopkins during the last six years, Carolina has won two and Hopkins three.

Dr. T. J. Wilson is recording the activities of Carolina men with the colors and the *Alumni Review* will be carrying reports of the Alumni of the University in each issue throughout the war. It is expected that we will have a service flag when the records are sufficiently complete.

Bill Sherrod, '21, returned to the "Hill" from Watt's Hospital in Durham, Wednesday, after having recovered from an operation for appendicitis.

John Totten, '19, who left here after the mid-year exams to join the aviation corps, was heard from recently and is about to sail for France, having completed his course at Fort Worth, Texas.

Henry Stevens, '20, who went to Washington shortly after the mid-year exams to prepare for the examinations for Annapolis, was on the "Hill" this week. He has not heard the results of his exams yet.
