

Carolina and Davidson Clash Today at Twin-town

DANVILLE HIGHS EASY VICTIMS FOR CAR. FRESHMEN

CAROLINA MEN LITERALLY
WALKED AWAY WITH
THE GAME

TEAM PENALIZED 25 YARDS

The Freshmen literally walked through the Danville High School eleven Tuesday at the rate of seventy-four to nothing. And the ease with which the game was won is emphasized still more when we know that most of the last quarter was omitted because of darkness.

The game was sewed up from the beginning, Shepherd twice running about fifty yards for touchdowns in the first five minutes of play. McDonald both times kicked goal. Two more touchdowns were scored in the quarter by Green and one by McGee.

The team continued to score at will through the second quarter in which Hamby distinguished himself by intercepting a forward pass and running thirty yards for a touchdown.

The second half was opened with a touchdown when Fischel kicked off over the goal line and the ball was fallen on by a Carolina man. The scoring continued freely throughout the third quarter.

In the early part of the fourth quarter a sensation was created by McDonald who ran over the line from

300 High Schools to Take Part in the High School Union

More than 300 high schools are expected to take part next spring in the high school debating union of North Carolina conducted by the University of North Carolina, announcements for which have just been sent to all the high schools in the state.

The query will be: "Resolved, that the United States should adopt a policy of further material restriction of immigration," and the final contest to decide the state championship and the winner of the Aycock memorial cup will be held in Chapel Hill early in April, 1920.

The high schools participating in the debate will be arranged in groups of three, each school having an affirmative and a negative team, and those schools winning both sides of the debate will send their teams to Chapel Hill for the final rounds and the state championship. A bulletin containing outlines and arguments on both sides of the query and references to further sources of information is being prepared by the university and will be sent to all schools.

This is the eighth year of the debating union which was started by

Di Society Continues Debate on Covenant

Saturday night the Di Society again took up matters of State in continuing discussions on the League of Nations. A reservation to the X article to make America's participation in foreign disputes and wars a matter of her own option was introduced by Mr. Cashatt, of Guilford. After the usual debate, during which Aeolus again turned loose his winds and the Noble Beast (Bull) was allowed full privileges in the hall, a vote was called for, and the reservation defeated. The X Article was adopted without reservations.

The Program Committee announces a regular debate for Saturday night upon the question of open and closed shops. The program for November 22 will be composed entirely of Freshman activities. The committee has found it necessary to do this, due to the fact that few new men are disposed to take part in the debates as carried out according to the Assembly plan. A general debate exclusively for Freshmen will be the feature for November 29.

MEMORIAL CAMPAIGN WILL BE BROUGHT TO CLOSE ON NOV. 26TH.

Albert M Coates, secretary of the Graham Memorial Fund, has announced that the campaign for the student union will end Wednesday night, November 26, the eve of the Carolina-Virginia football game. Invitations have been sent to all the directors of the Fund asking them to attend the banquet to be given here that night as a fitting close to the campaign which started last spring.

The sum to be raised is \$150,000 which will be spent in erecting a building for student activities. This building is to be erected as a fitting tribute to the memory of the late president of the University, Edward Kidder Graham, and is to be known as the Graham Memorial Building.

There is a great need for such a building on the University campus. It will serve as the headquarters of many student organizations on the Hill, and the Y.M.C.A. will use part of the building to further its activities. The Philanthropic and Dialectic literary societies will make the student union their permanent quarters. The building will also serve as a place of entertainment for visitors on the Hill.

The students of the University are very enthusiastic about the Graham Memorial Building. In one night, last spring, the students pledged \$20,000 as their part of the Fund. The contributions ranged from \$25 to \$500 and the class of 1918 averaged \$75 per man.

The Central Committee from the trustees consists of Governor T. W. Bickett, Victor S. Bryant, George Stephens, Leslie Weil and C. G. Wright, from the state, W. A. Erwin, Judge Peter C. Pritchard and Dr. W. S. Rankin, from the faculty, President H. W. Chase, Dr. W. M. Day, Dr. L. R. Wilson, Mr. C. T. Woolen and Mr. E. V. Howell.

EXTENSION DEPARTMENT OUTLINES HIGH SCHOOL FALL FOOTBALL PLANS

Final plans have been made by the Bureau of Extension for the sixth annual state high school football championship contest. According to the regulations, any team which has played three games and won them all, or has played as many as four games and won three-fourths of them, is eligible to enter the championship series. Teams throughout the State which hold such a record shall notify the University committee, of which Mr. E. R. Rankin is secretary, before November 17 of their desire to enter the contest, and shall enclose a record of the games played.

Members of the committee will hold a conference with representatives of all teams eligible to enter the eastern championship series at Raleigh during the early part of next week, while a similar conference will be held with representatives of the western teams in Greensboro at the same time. These conferences will arrange a championship schedule, east and west, in order to select by elimination the two teams which will play in the final contest at Chapel Hill.

The University committee pays one-half of the railroad fare to Chapel Hill and return for the two teams which will play in the championship game.

As interest in high school football is greater this year than ever before, it is assured that competition for a place in the final contest will be close. The date of the final game has not been fixed, since it is impossible to predict the teams which will be eligible for the final preliminaries, and equally impossible to determine the nature of the schedule which will be arranged.

The Raleigh High School holds the championship for the years 1913-1915, while Charlotte has secured the honors in the last two contests of 1916 and 1917.

First Year Men Meet Bingham Cadets Today

The first year reserve team meets the strong Bingham cadets on Emerson Field this afternoon. From all reports the Bingham team is the strongest and most formidable eleven the Freshmen have battled against thus far this season. Their backfield is exceptionally heavy having Ledbetter, of Chapel Hill High School fame at half.

The Freshmen, after their 14-0 victory over A. and E. and the 74-0 score against Lynchburg High have rounded into a fast and well-trained eleven. Coach Bond is well pleased with the showing made thus far by the team. This is the last game the Freshmen will play on Emerson Field. The final game of the season will be played on Lambeth Field, in Charlottesville, November 22, against the Virginia first year men.

BAD WEATHER HOLDS UP ALL TOURNAMENTS FOR FIRST OF WEEK

CLASS TEAMS HAVE ABOUT PERFECTED ORGANIZATION

The completion of the class tournaments was held up this week by the bad weather during the early part of the week, so that not all the tournaments were finished at the time we went to press. Good progress was made last week however, so that most of the classes had come down to the finals through the process of elimination, during the good weather that prevailed last week.

The Seniors played off the final match last Saturday, Washburn, who was also Captain of the team last year, winning in straight sets over Gwynn, the runner-up. The second man on the team has not yet been settled. In the Junior tournament, Wilson in the upper bracket advanced into the semi-finals by defeating Brown in straight sets; the other semi-finalist in the upper bracket will be the winner of the Van Noppen-Noble match, which has not yet been played off. In the lower bracket Gardner advanced into the finals by winning over Hester in a hard-fought contest in which he was compelled to go into extra sets. This leaves Wilson, Van Noppen, Noble, and Gardner among the Juniors from

Plays Are Selected by Carolina Playmakers; To Be Presented Soon

With the first authors' reading of plays on Wednesday night, the Carolina Playmakers have started serious work on their first program of plays to be given on the week before examinations, probably December 12 and 13.

Five original folk-plays were read by their authors before an interested audience of Playmakers in Peabody Auditorium. These plays were all written this year in Professor Koch's advanced playwriting course, English 34, and represented several new types of North Carolina folk-life. Miss Sparrow's play, "Who Pays?" is a drama of the life of the mills and presents the tragedy of children who pay the price of the conflict between mill owners and the striking workers. "The Portrait" by Dougald MacMillan is a play of the sea and the fisher folk, dealing with the mystery of the disappearance of Aaron Burr's daughter and the discovery of her portrait in the cottage of a fisherman who had taken her in after her shipwreck. Miss Lay's play, "The Hag," is a comedy of North Carolina folk-superstition, introducing an old woman suspected of being a witch and the tricks of two mischievous boys who prove that she is a hag. "The Third Night," by Thomas Wolfe, is a drama dealing with the murder of an old mountain "witch man," the appearance of his ghost to the leader in the crime and the mystery of his disappearance in the end. "The Voice of

TAR HEELS DESPITE DEFEAT OF LAST WEEK AWAIT VIRGINIANS

North Carolina's football machine suffered a bad attack of carburetor rheumatism last Saturday on Emerson Field and V. M. I. won 29-7. The Great God Dope left the field immediately after the game and his belows of agony could be heard on the campus until 10 o'clock that night, when he died in Battle Park.

The game was replete with thrilling plays and first class football. The trouble was: V. M. I. held the monopoly.

The fast... and powerful Carolina backfield ripped through the V. M. I. line and tore around the ends with the speed of the agile steam tractor as it leaps nimbly o'er the hillside.

The battle was friendly fought throughout and the size of the score was at all times in doubt. First Mr. Leach, who attends school at V. M. I., would grab the ball and race 40 yards up the field when Carolina's unprejudiced defence would stiffen and throw him for a loss. Then Mr. Leach would go around end for 15 yards only to run against the same

PHI GENERAL ASSEMBLY DEFEATS EUGENICS BILL

The spirit with which the members entered into the discussion of the last two bills before the General Assembly of the Phi Society is proof of the success of the new plan. While these two bills were before the Society the discussion never lagged.

Last Saturday night the bill was one advocating that every applicant for a marriage license in North Carolina should successfully pass a physical examination before receiving the license. It was introduced by the Ways and Means Committee, Mr. Pittman of that committee putting it before the House and discussing the necessity for such a measure.

The advocates of the bill met little opposition until Mr. Grant rose and threw a bomb in the argument of the affirmative, by showing that it would be detrimental to the lower classes—the very class it was intended to help.

A wave of opposition was then turned towards the bill, and it was hotly discussed pro and con until it was so late that the Speaker called for a vote. The results showed 21 for and 48 against.

Several new bills were introduced after the debate. They will be fought out in later meetings, and will no doubt prove extremely interesting.

The regular election of officers of the Society will take place next Saturday night.

PHARMACY ENROLLMENT SURPASSES FORMER RECORD OF ENROLLMENT

The enrollment of the Pharmacy School is larger than ever before in its history. The School is taking care of the demand for druggists throughout the state. This is a great task for the demand is becoming greater every day and the merits of Pharmacy have been recognized. You bet Doc. E. V. Howell and Prof. Beard, who have by their energetic efforts made our Pharmacy School, and who are largely responsible for Pharmaceutical efficiency of the state, will see to it that this efficiency is strengthened as time passes.

We appreciate the development of the William Simpson Pharmaceutical Society. Thirty-five new members have been initiated within the past month. Society pep is not lacking and this pep was aroused Saturday night, Nov. 8 when the society gave a smoker that made each member appreciate his membership. The impression made by the decoration the enjoyment of a good feed made every one feel as if he could express himself by exclaiming melaleuca leucadendron.

The Society is planning work which it hopes will be of interest and value to the future Pharmacist.

TAR HEEL DEFENDERS OF PIGSKIN SUFFER DEFEAT BY CADETS

LEACH'S END RUNS TOO MUCH
FOR TAR HEEL BOYS

CAROLINA ON DEFENSIVE

The speedy team from V. M. I. walked through Carolina last Saturday on Emerson Field to the tune of 29 to 7. Although previous scores this year pointed to a victory for the home team, the lighter and faster squad from Virginia outplayed Carolina in every phase of the game.

Marvellous interference, long end runs, and skillful forward passing characterized the playing of the cadets. Carolina was on the defensive during most of the game. The surprise that V. M. I. gave the stands filled with spectators by scoring in the first few minutes of play was the beginning of many surprising runs and drives.

The game began when Carolina kicked off. By straight football, V. M. I. made a touchdown. They failed to kick goal.

A 63-yard run by Leach in the same quarter made the score 13 to 0. A delayed forward pass to Mason netted the Virginia team another touchdown.

Carolina rallied at the beginning of the second half. Two successful forward passes and a plunge across the goal line by Tenney caused the only score for the University. Blount kicked the goal.

Leach, for V. M. I., continued during the second half, to break loose for long runs. In the last few minutes of play, Carolina came near scoring

North Carolina Club Discusses Educational System of North Car.

Discussing the possibility for much improvement in the educational system of our state, was the theme of the Carolina Club at its regular meeting, Monday night.

Mr. H. F. Latshaw, chairman of the educational committee, introduced the subject by speaking on Educational Ideals. Mr. Latshaw maintained that democracy in education was just as important as democracy in government, and that our present system does not embody the ideals of democracy. A system of education must be secured, he declared, that will provide for education to the old as well as the young.

Mr. Latshaw was followed by the members of his committee who cited various defects that existed in our educational system at the present time. The one outstanding recommendation called for the abolishment of the unit system so that the large number of small schools could be consolidated. This plan would result in the establishment of at least one good school in every county instead of many one-teacher schools as exist at the present time.

This was the first time that the education committee has made an official report. The committee is now getting to work in dead earnest to prepare its plans which will be submitted to the State Reconstruction Commission.

Public health will be discussed at the next meeting of the club, Monday, November 24.

Sophs Defeat Juniors by Six to Nothing Score

In a very hard fought game Wednesday afternoon the Sophomores finally won out over the Juniors by a six to nothing score. Neither team had a considerable margin over the other and it was anybody's game until the last whistle. The Juniors, though strong on offensive and likewise good on their defensive work in most stages of the contest, were never able to concert their efforts enough to score.
