### Gym Team Starts Work With Six Members Back

Prospects are good for a gym team this spring. There are three letter men here now, Spruill, Lynch, and Coffey. Coffey is an old man and has returned since Christmas. Wimberly, Person and Butts are the other members.

This is a good looking aggregation and with practice ought to develop into a good team. All the colleges in the state have been written to in an effort to have a state gym meet, but none have been heard from. There will be the usual try-out for letters in the early spring. It is hoped that the precedent set in the Durham "Y" basketball game will be continued. The crowd enjoyed the short exhibition very much.

Shorty Spruill is the mainstay of the team; if you want to see how this or that stunt is done, ask Shorty, he'll show you. He is at his best when doing a hand stand. He is harder to push off his hands than his feet. And to see him do the giant swing on the horizontal bar is a treat. He does it with such ease that it doesn't even look hard.

Lynch is a genius on the mats as well as being a regular monkey on the bar. His backward hand springs

and flips are as pretty as you see in the circus. And he is a wonder when doing double work on the mats. With Person as his bottom man he does stunts that astonish us all.

Coffey is an old letter man who has come back to us. He won his letter in his freshman year, a thing that happens about once every ten years. He is a natural athlete. He will be a valuable asset to the team.

Person is developing into a staunch and steady support for his co-workers on the mats. He handles his top men very well. He is a lover of the fly-away, both off the bar and rings.

Wimberly is a new man here who has a good record at V. M. I. He has some new stunts on rings and is also a good performer on the horizontal bar.

Butts is a brother to "I. H." and he bids fair to be as good as his brother. He works on the mats as top man.

## APRIL 28TH NEXT DATE OF INAUGURATION OF PRESIDENT CHASE

(Continued from Page 1)

speaker will discuss the institution as a whole; another, the professional schools; another, the graduate school. These addresses will follow the invocation, and will be made by men of national reputation.

The formal induction into office will then follow. President Chase will be presented by former President Francis P. Venable, Chief Justice Walter Clark will administer the oath of office, and Governor Thomas W. Bickett, who will preside at the exercises, being president ex-officio of the Board of Directors of the University, will induct the new president into office. President Chase will then deliver his inaugural address.

Greetings from the representatives of other State universities, of the colleges of the State, of the public schools, the alumni, the faculty and the student body will follow. The formal exercises will close with the benediction. The Committee estimates that the exercises will be completed by 4 or 4:30 in the afternoon, as all the addresses will be strictly limited in time.

A dinner will be tendered that night by the University in Swain Hall to the guests; here there will be further talks of a more informal nature. After the dinner here will be a reception in Bynum gymnasium.
