They are open to men who have a bachelor's degree from a standard college or university and they are available in the departments of Botany, English, Chemistry, Geology, History and Government, Mathematics, and Romance Languages.

Through these fellowships a man spends part of his time in instruction, but opportunity is also offered for a large amount of time in graduate study. The plan is the beginning of others now in preparation for the development of the graduate school. Application for these fellowships are made to Dean Edwin Greenlaw who is chairman of the committee on appointments.

Graduate students are eligible as applicants for the American Field Service Fellowships for French Universities. The fellowships are awarded for advanced study in France to students selected from American colleges by the Advisory Board, made up of American and French educators of which Dr. Greenlaw is a member. The fellowships are valued at about \$2,200 a year and may be used in any one of twenty or more French Universities and include more than thirty fields of study.

## UNIVERSITY OF PARIS SENDS BRONZE MEDAL

A TRIBUTE TO THE FORTY-ONE UNIVERSITY MEN WHO DIED IN WORLD WAR

### RECEIVED BY PRESIDENT CHASE

President Chase received from the rector of the University of Paris a handsome bronze medal sent to the University of North Carolina by the University of Paris in appreciation of services rendered during the war. The medal is about six inches in diameter and the work on both sides is artistically and beautifully done. One side is a representation of some of the old buildings at the University of Paris and these words in Latin: "The University of Paris hails her most loyal sister." On the other side is a picture of Justice with her sword and an inscription reading "With book and with sword knowledge become the instrument of justice—1914-1918."

The medal is received as a sincere tribute to the forty-one University men who died in the war, to the more than 2,300 University students and alumni who, first and last, were in the military and naval service of the United States, and to the many different kinds of home service rendered by the University in lectures, pamphlets, bulletins, training and extension work.

### CAROLINA ENDS BASEBALL SEASON BY TROUNCING TRINITY IN 12 INNINGS

(Continued from Page 1)

will be available next year and Captain Frederick W. Boye, head coach, has reason to feel optimistic. Carlyle Shepard has been elected captain.

#### Spencer Breaks State Record

The track team, under the leadership of Captain Spencer and Dr. Kent Brown, coach, walked away with the state track meet, scoring 52 points to 28½ for Trinity, 28 for A. and E., 25 for Davidson, and 17½ for Wake Forest. In other meets Carolina lost to Virginia but won from V. M. I. in a three-cornered show, won from Trinity in a dual meet, and came out fourth in the big South Atlantic meet at V. P. I. Brilliant individual performances were Captain Spencer's shattering of the state record by pole

vaulting 11 feet 2, and Nichols' making the highest score at the South Atlantic meet, with three first places, in the shot put, the discus and javelin throws. William Royall will lead the team next year.

#### State Champions in Baseball

After losing two heart-breaking games to Virginia, 4 to 3 and 8 to 7, both of them torn away in the 9th inning, the Carolina baseball team came back toward the end of the season and slashed and fought its way to the state championship by winning three brilliant and decisive contests from Wake Forest, 8 to 0, from A. and E., 6 to 2, and from Trinity, 2 to 1. Inside the state games were won from Elon, Guilford, and two from Trinity. Wake Forest split even, winning the first, 8 to 1, but losing the second, 8 to 0. A. and E.

won the first game, 6 to 5, but Carolina took the series by winning the next two, 9 to 0, and 6 to 2. In all, Carolina won 8 games, lost 9, and tied 2.

The individual star of the team was "Lefty" Wilson, who pitched the last three games within five days, winning them all and incidentally breaking a world's record in his last game by throwing 70 balls in 12 innings. In the first 9 innings he threw only 52 balls. In 10 of the innings only 3 men faced him; in the other two he threw to 4 men each, a total of 38 batters. Lowe, first baseman, and McLean, second baseman, were the heavy hitters. Captain Feimster, third baseman, will be succeeded next year by Wilson. William Lourcey was coach.
