CHAPEL HILL, N. C., OCTOBER 29, 1920

Number 11

## FOUR OF STRONGEST SOUTHERN MACHINES TO MEET TOMORROW

### CENTER AND TECH TO STAGE REAL BATTLE IN ATLANTA

There are at least two football games to be played in the South Saturday, the outcome of which will be watched with considerable interest. These two contests are the games between North Carolina State and Virginia Military Institute, which will take place in Lexington, and Centre College and Georgia Tech, which will be played in Atlanta. When these two games begin Saturday certainly four of the strongest teams in the South will be in action.

V. M. I. has already made a record this season, justly to be proud of, and last Saturday when she defeated Pennsylvania by such a decisive score, her feat cited the admiration and comment of many of the great sport critics. State College with her marvelous speedy backfield, the merits of which were fully proved last week when that team defeated Carolina, will play this fast eleven in Raleigh Saturday. The West Raleigh team defeated V. M. I. last year by a good margin, and this year with V. M. I. boasting of a better team and a better record, the odds slightly with the Virginia team, a battle royal is certain to be staged, and a forecast is difficult to be made. We predict, however, that the Virginians will win by one or two touchdowns.

In Atlanta they are saying that Tech will surely beat the famous Kentucky eleven, but over the country the odds are slightly with "Bo" McMillians Centre College eleven. A record breaking attendance is expected when the Georgians and Kentuckians meet on the Tech field, and one of the fiercest Southern battles to take place this season is sure to occur.

Last Saturday both Center and Tech were defeated by Northern elevens, the latter by Pittsburgh and the former by Harvard. But both teams displayed a fight that was remarkable, and northern critics praised them extensively. The breaks, apparently, (Continued on page four)

## DR. EDWARD DEVINE SPEAKS IN CHAPEL TO LARGE AUDIENCE

### EDITOR OF SURVEY SPEAKS OF AMERICAN IDEALS TRUE AND FALSE

### BRANSON INTRODUCES SPEAKER

Dr. Edward T. Devine, Associate Editor of the Survey spoke to a large audience in Gerrard Hall on Wednesday night October 27, on "American Ideals, True and False." Dr. Devine was for many years a member of the Columbia faculty. He served in the War in France as chief of a Red Cross Division, in refugee relief. He has been busy for many years as a teacher of social problems and has been interested as a teacher and writer of social progress. He spoke in part as follows:

"I am aware that there are many American citizens who are luke-warm in their opinion of matters of foreign affairs. Perhaps we have not had the leaders we should have had—or perhaps there are those who should have lead and have not. Our American Ideals have changed in the course of time." There was an ideal of long ago which said that we should have more expansion but that was before this new era. "But we are at the end of a world war and we take pride and satisfaction in the fact that not a foot of territory was asked for with the unanimous consent of the people." It was distinctly understood that we were not in this war for agrandizement. The ideal of American has been realized. The victory of the Allied arms was a triumph of that American Ideal of self-determination, that the powers of government are derived from the governed. The foremost duty today is that very man should look at the problem as it is. "We in this country in a peculiar degree are responsible for the future of civilization." England went to war to see international law administered with justice. France was, as Roosevelt has said "bled white" for the future of civilization. "On our resources and steadfastness depends the future of civilization." It requires first of all a (Continued on page four)

## FIRST MATCHES PLAYED IN CLASS TENNIS CONTESTS

### CONSIDERABLE INTEREST SHOWN IN OUTCOME OF CLASS TENNIS TOURNAMENT

The first preliminaries of the Class tennis tournament were played Monday with the following results: Freshmen—Gregg defeated Bradley, Iceman was awarded match with Wainer through latter's default, Zollicoffer was awarded match with Wearn through latter's default, McCullen defeated Wheeler, Ambler defeated Watkins, Williamson defeated Wolfe, Barden defeated Joyner, and Cooper moved to second preliminaries through lack of another man to play. Tuesday in the second preliminaries Gregg defeated Iceman, and McCullen won out over Zollicoffer. Williamson and Ambler and Barden and Cooper have not yet played their scheduled matches.

Sophomores—McClamrock was defeated by Yates, Coombs defeated Thompson, DeRosset defeated Holderness, Williams defeated Wade, Cheesborough was awarded match with Little, through latter's default, Bell defeated Beale, Menzies defeated Cooper. In the second preliminaries Coombs defeated Yates and DeRosset-Williams, Bell-Menzies matches are yet to be played. Long won out over Cheesborough.

Juniors—White defeated Peacock, Hendren defeated Hodgin, and Brand automatically moved to second preliminaries through lack of another man to play. In the second preliminaries White moved to Semi-Finals through lack of a match, and Hendren defeated Brand.

Seniors—Brooks was awarded match with Stevenson by latter's default, Ervin defeated Moody, Hester defeated Bacon, Massenburg defeated Brown, Shore defeated Martin. In the second preliminaries Erwin defeated Brooks, Hester automatically moved to Semi-Finals through lack of a match, and Shore defeated Massenburg.

It will be seen that not all the second preliminaries have been played, while none of the Semi-Finals have yet been played. Considerable interest is being manifested in the outcome of the class tennis tournament, and the results of the matches in the next few days are being looked forward to greatly.

## CLASS FOOTBALL RULES FOR YEAR 1920-1921

The Athletic Committee of the Campus Cabinet promulgates the following rules for the playing of Class Football.

1. Interclass series will begin Monday, October 25th, and continue until Friday, December 3rd. The men engaged in the professional schools may take part in these games with their respective classes.
2. All men who have won their varsity letter in football are excluded from the series. All men who were out for regular practice in varsity football up to and including October 20th are excluded. The third team only of the first year men is eligible to play, the personnel of which team is to be determined by the first year coach.
3. The length of the game shall be forty minutes, divided into four quarters of ten minutes each. There shall be two minutes between quarters and ten minutes between halves.
4. The games shall start at four thirty P. M. on Class Field. A team failing to appear within fifteen minutes after the schedule time forfeits the game. If both teams fail to appear they both lose.
5. The series will be scored on the percentage basis. The winning team of the series will be given class numerals, (limited to 15 men). In case of tie game the percentage of both teams engaged will remain the same.
6. Managers of the contesting teams will agree upon officials well in advance of the game.
7. Footballs may be had by managers or captains of the teams by signing for them at the headquarters of Class Athletics under the Stadium. The room will be open after Tuesday, October 19th.

One-seventh of the students in the universities of France are from other countries.

## SENIORS GATHER IN FIRST CLASS GAME FROM JUNIOR TEAM

### SCRUBBY REEVES' DROP KICK WINS GAME FOR SENIORS

### TOUCHDOWN FAILS TO COUNT

In the first class game of the season played Monday afternoon, the Seniors won out over the Juniors in a hard fought contest by the score of 3-0. A large mass of students witnessed the exhibition, which was exciting throughout, and supporters of both teams cheered and yelled during the contest.

"Scrubby" Reeves, quarterback for the Senior eleven, made a successful drop kick from the fifteen yard line in the second quarter, registering the only score of the game. In the fourth period a touchdown was made by the Seniors on an onside kick, but was illegal, according to the referee's ruling, and failed to count.

The two elevens were pretty well matched, though Royal's Senior team had a little edge on the younger aggregation and played slightly better football, thereby deserving the victory won. The Junior's failed to carry the ball really within striking distance of the goal during the entire contest, while the Seniors often had it in their opponents territory, where the latter put up a strong defense, when thus in danger.

In the first quarter the Juniors kicked to the Seniors, who quickly made a first down by off tackle plunges. The Juniors strengthened their defense at this point, and the Seniors, unable to register another first down, were forced to punt out of danger, Parker returning the ball for a few yards. The Juniors failed to gain in three downs, when the quarter ended.

In the second period, Phipps attempted to punt for the Juniors, on his teams own fifteen yard line, but the kick was blocked, and the Seniors recovered the ball. A first down was quickly made by off tackle plays, placing the ball within five yards of the goal. Here, however, the Junior de- (Continued on page two)

## MARYLAND STATE TO BATTLE NEW LINE UP IN SATURDAY'S GAME

### PHARR AND TENNEY WILL NOT BE IN SHAPE FOR GAME

### HARD FOUGHT GAME EXPECTED

Head Coach Fuller will send a reconstructed line up on the field Saturday when the Carolina Varsity football eleven is scheduled to meet Maryland State here. The new team will be the result of much experimenting on the part of the Carolina coaches all this week in an attempt to add more punch and put more offensive power in the Blue and White machine. Since the State College game last week some of the fiercest scrimmages of the season have been gone through by the squad, and each day Coach Fuller has made several changes in the line up, all of which has seemed to make for a better team.

The Blue and White team came out of the State college game with several minor injuries, and "Chuck" Pharr, one of the regular half backs, sustained a broken bone in his ankle, which will keep him out of the game most of the rest of the season. Tenney, another regular in the Carolina back field, is still on the sick list and will be unable to participate in the game here Saturday. But the injuries of the Carolina squad are not the only reasons for the new changes in the Carolina eleven. Coaches Fuller and Hite believed it advantageous to reconstruct somewhat and thereby put a little more punch into the offense. The changes have been practically from end to end of the entire eleven.

John Hutchins, left end, has been placed at halfback; Hanby, right tackle, has gone to fullback; Spaugh, fullback, has taken an end, and Kernodle, substitute tackle, has been placed on the other end; Pritchard, right guard, has moved out to tackle, and Morris, substitute, has taken the guard position. With Jacobi at center and Harrell and Poindexter at their regular positions of tackle and guard, respectively, the reconstructed eleven has been playing havoc with (Continued on page two)

## CAROLINA FRESHMEN AWAIT BINGHAM TEAM CONFIDENTLY

### BILL BLOUNT, CENTER ON LAST YEAR'S VARSITY, COACHES BINGHAM

The Carolina freshman football team will meet the eleven hailing from Bingham Military School in Asheville on Emerson field today in what promises to be a hard fought and interesting contest. Coach Knox Proctor of the Carolina first year team has been carrying his squad through a stiff week of practice in preparation for his first game on local territory, and although he has not yet announced the team that will take the field, the line up is sure to be stronger than any time heretofore.

The Freshmen played their first real game last Saturday when they journeyed up to Davidson and were defeated by the Davidson scrubs by the score of 10-0 in a tight and thrilling game. Though his team was defeated Coach Proctor expressed great satisfaction of the showing of the eleven and stated that he believed they would come through with a victory today when they meet the prep school lads.

We have not heard much from the Bingham School team this year but the Asheville school always put out a good team and will doubtlessly put up a strong fight. "Bill" Blount, center on the Carolina Varsity eleven last year, is coaching the cadets and is in town today with his team.

## Former Tar Heel Editor Has Article in Atlantic Monthly

The October Atlantic Monthly carries an article, "Is a Tobacco Crusade Coming," written by L. Ames Brown, an alumnus of the class of 1910. Mr. Brown was a center on the varsity football squad and editor of the Tar Heel, and for a time was the Washington correspondent of the New York Sun.

## BRANSON ANNOUNCES PLANS FOR NORTH CAROLINA CLUB

### MOST PROFITABLE AND FAR-REACHING PROGRAMS EVER ADOPTED BY CLUB

Plans for the work of the North Carolina Club, as announced by Dr. Branson, call for one of the biggest and most profitable programs that has ever been undertaken by the club. The work for the year will be on the general subject of "North Carolina, Industrial and Urban." Several topics for the programs have already been assigned. C. J. Williams will discuss "The Cityward drift in North Carolina" on October 18, and "Small Town Development in Carolina" will be presented by H. D. Cooper at the following meetings.

The schedule for the year is as follows:

- October 18—The Cityward Drift in N. C. by C. J. Williams.
- November 1—Small Town Development in Carolina, by H. D. Cooper.
- November 15—The Developing Industries of North Carolina.
- November 29—The mill and Factory centers of Carolina.
- December 13—The Future of Our Small Towns.
- January 10—Town and County Interdependence.
- January 24—City Problems in Carolina.
- February 7—City Planning in North Carolina.
- February 21—City Government in North Carolina.
- March 7—City Finance and Financial Methods in Carolina.
- March 21—Public Utilities in Carolina Cities.
- April 11—Home Ownership and the Housing Problem.
- April 25—Community Life and Organization in Carolina.
- May 7—Training for Public Service in North Carolina.

## LATIN AMERICAN CLUB MEETS FOR ELECTION OF OFFICERS

### N. B. PRESCOTT ELECTED PRESIDENT, P. A. REAVIS MADE SECRETARY

N. B. Prescott, of Ayden, was elected President of the Latin American Club at a meeting held on Wednesday night. P. A. Reavis, Jr., of Louisburg was elected secretary. A constitution was adopted the chief feature of which was the clause relative to membership. All students in any of the schools are eligible but membership is elective. The members are restricted, however, to those who are interested in Hispanic-American affairs. It was decided to hold the meetings every two weeks, alternating on Monday nights with the North Carolina Club. The next meeting will be held on Monday night at 7:30, October 25. The question for discussion this year is "The Economic and Political Effects and Influences of the World War on Hispanic America." There will be twelve papers each dealing with a certain phase of the general subject. A program committee of Dr. Pierson, J. G. Gulick, and W. T. Hannah was appointed to assign papers and to plan for the meetings. The club anticipates interesting and helpful meetings and expects further that there will be a larger number of men connected with the club than ever before. Ten men were passed on at the meeting.

## "Studies in Philology" Issued

The classical number of "Studies in Philology," has been issued, contains work of the following men: J. H. Harter, J. S. Moffat, Jr., B. L. Allman, J. C. Rolfe, George Howe, and Edwin Greenlaw.

"A co-ed is known by the dates she keeps."—Selected Proverb.

## CITIZENS OF CHAPEL HILL WILL HOLD ANNUAL RALLY

### MEETING HELD TO MAKE ARRANGEMENTS FOR AN INTERESTING PROGRAM

Chapel Hill citizens, meeting last Monday night at the school house, decided to have the annual Rally Day on October 29 in Memorial Hall. Maj. Robeson is chairman of the fair, W. B. Thompson is head of the publicity committee, and M. C. S. Noble is secretary.

It will be remembered that the Rally Day was a success last year, and with the announcement that additional prizes will be offered this time, there is every indication that this will be the best Rally Day yet.

The exercises will begin promptly at ten o'clock in the forenoon when the exhibits will be judged and prizes awarded. During the day there will be free moving pictures at the Pickwick, instrumental music, singing, games and other forms of pleasure and entertainment.

On exhibit will be all kinds of farm products, needle-work, knitting, crocheting, and home-made household ornaments. The ladies will also have a chance when all kinds of canned goods, preserves, cakes, bread—in fact, anything that is prepared in the kitchen are shown.

## Goucher College is First to Provide Education for the New Voters

Goucher College, Maryland, is the first woman's college in the country to provide for the education of women voters as a result of the Nineteenth Amendment. This was made possible by the will of Mrs. Elizabeth King Ellicott, a pioneer suffragist, who left \$25,000 in trust to be used for this purpose as soon as equal suffrage should be secured.
