FRESHMEN REPORT FOR SATURDAY TRACK MEET

Twenty-Five Men Answer Coach Oliver Rand's Call. M. D. Ranson Elected Captain.

Answering Coach Oliver Rand's call for Freshman track, nearly twenty-five men reported on Emerson field last week. Coach Rand expressed his satisfaction at the interest shown in track by the Freshmen. He told the men that they had come out for hard work and stressed the importance of a Freshman track team if Carolina ever expects to be able to compete with Virginia satisfactorily.

It is expected that the team will have two meets this year. One is to be held with all upper classmen who have not made their letter, on Saturday, May 21. Another is to be held with Chapel Hill High School later on if it can be arranged.

M. D. Ranson of Huntersville, brother of the one-mile winner, was elected captain of the team. Of course, it is hardly expected that the meet will be a record breaking one, since it is more to give the Freshman practice than for any other reason. It is hoped that the meets this year will add momentum to the meets next year, and under the direction of a special coach, Freshman track will become popular, for Coach Rand is varsity coach as well and is coaching the Freshmen to help them out.

The following men have reported for the given events:

Dashes — Woodward, Johnson, Moore, Milstead, Cox, Kesler, Cornelius, Doyle, Baum, Allsbrook, Hogan, Bowden, Griffith.

Hurdle — Hogan, Griffith, Cox. Distant Runs — Freeman, Pursler, Crisp, Duls, Hunt, McCoy, Ranson, Faucette.

Shot, Discus, Javelin — Faucette, Wynne, Carroll, Charles.

Jumps and Vaults — Woodard, Wynne, Carroll, Hogan, Moore, Mast and Allsbrook.

FOURTH PLACE TAKEN BY CAROLINA IN MEET

Carolina won fourth place in the South Atlantic Track Meet, which was held at Washington, D. C. Georgetown University won the first place, scoring a total of 75 points. Carolina made an extraordinary good showing. Ten schools represented.

"Bill" Royall registered third place in the 440-yard dash. "Bill" Yates, Carolina's high point man in the state meet, won second place in the 120-high hurdles. Ranson won third place in mile run, Smiley third place on pole vault and Abernathy second place in the javelin throw.

Carolina did well in the preliminaries placing many men in the finals. Abernathy made an especially good showing, throwing the javelin 166 feet 8 inches, breaking the South Atlantic record. Legendre, representing Georgetown and pentathlon champion of the United States, won first place over him, throwing it 168 feet 5 inches.

Only eight teams remain in the race, four in the East and four in the West. As the Tar Heel goes to press these teams are playing to determine the Eastern and Western championships. In the East Cary is to play New Bern, while Red Oak will play Fayetteville, the winners to battle in the semi-finals. In the West Monroe is scheduled to play Startown, while Winston-Salem will play Monticello, the winners hooking up in the semi-finals.

A trophy cup will be awarded the champion team.

PHI ASSEMBLY HOLDS INTERESTING MEETING

Bill to Establish Open Ballots in North Carolina is Defeated.

"Out of Orders" et cetera, were "in order" at the regular meeting of the Philanthropic Society Saturday night, May 14th. Chairman Moore of the special committee to collect the amendments to the constitution throughout the year, made his report. After this the usual motion for a smoker was introduced but this was defeated.

A bill looking to the establishment of the Short Ballot in the election of state officers was introduced by Messrs. Beale and Byrd. This drew forth warm discussion. Messrs. Beale, Young, Rand, Harmon, Prescott, Barden, Byrd, Holmes, Horner, Jim Kerr and others speaking on the bill. The bill was defeated, as likewise a motion to reconsider.

D. L. Grant introduced a motion that the speaker appoint a committee of three members to confer with a committee from the faculty and the Di Society in regard to the arrangements for the society banquets at the coming commencement. This motion was passed and Messrs. Grant, Moore and Young were appointed to serve on the committee.

A motion to give a rising vote of thanks to the Philanthropic Inter-Society debaters, Messrs. Grant, Kerr and Brown, and Horner as alternate, and to Mr. Hettleman as the representative at the peace oratorical contest, was introduced by Mr. Prescott, and passed by assembly.

The assembly adjourned after a long "black list" reading by the sergeant-at-arms.

DI SOCIETY AGAINST CAMPUS CONSTITUTION

Long Discussion Ends With Overwhelming Vote Against; McCoy Associate Editor of Magazine

By an overwhelming vote, the Di Society went on record as disapproving a written campus constitution at its regular meeting Saturday night after a warm discussion that had lasted through two meetings. When the vote of the society was called for only ten voters upheld the measure.

The question was introduced at the meeting of the society May 7, but so many members clamored for the opportunity to speak that it was necessary to continue the discussion at the next meeting. During the two discussions every phase of the subject was discussed and so many points were brought out on each side that it would appear that the argument on both sides was about exhausted when the vote was taken. Those speaking on the affirmative were E. H. Hartsel, A. F. Raper and E. L. Justus; and F. A. Grisette, T. Rond thaler, H. D. Duls, C. L. Nichols and J. L. Allen on the negative.

One of the features of the discussion was the talk of Theodore Rondthaler, a member of the class of '19, who was on the Hill for a visit.

At this meeting G. W. McCoy was unanimously elected an associate editor of the magazine for next year to fill the vacancy created by the resignation of G. H. Leonard.
