EASTERN HIGH SCHOOL CHAMPIONSHIP WON BY THE FAST RED OAK TEAM

New Bern is Defeated in Deciding
Game on Emerson Field Be-
fore Large Crowd.

EDWARDS HAS BIG DAY.

By defeating New Bern on Em-
erson Field Friday afternoon by the
score of 5 to 0, Oak Ridge won the
Eastern high school championship. A
combination of errors and opportune
hitting brought their runs across the
plate. Edwards, on the mound for
Red Oak, was the man of the hour,
striking out 13 men and allowing only
one free pass to first.

Red Oak made their first tallies in
the second inning, scoring two runs.
Faulkner drove out a hit, B. Faulk-
ner next up fanned, but a single
by Jones advanced him. A pretty
hit by Edwards scored both. Red
Oak had an excellent opportunity to
score again, but Jennette, on the
mound for the New Bernites, tight-
ened down and was invincible for the
remainder of the inning.

Ferebee relieved Jennette on the
mound in the fourth inning. He held
the fast Red Oak team to no scores
until the unlucky eighth. In the
eighth inning Red Oak started an-
other batting rally, Edwards singled
to center and advanced to second
when Jones hit through Allen. A
hot grounder hit by Beal scored Ed-
wards and Jones came in on a passed
ball. Griffin sacrificed Beal in home
with a long fly to left. Whitaker
ended the inning by being thrown
out to first.

In the eighth New Bern threat-
ened to score when Shipp stole sec-
ond after he was walked but Edwards
again showed himself master of the
situation and New Bern failed to
score.

A large crowd from both New Bern
and Red Oak attended the game. The
attendance was probably a thousand.
Rain held up the game in the third
inning, and when play was resumed
both teams were handicapped by a
slow and muddy field.

ROOMS ARE ARRANGED FOR EXAM. PREPARATION

Authorities Have Provided Study
Rooms in Alumni, Phillips Hall
and Y. M. C. A. for Students

Through the efforts of President
Chase and the secretary of the Y.
M. C. A. several rooms in some of
the main buildings on the campus
will be opened for the students to
study in just before and during the
examinations. The rooms will all be
lighted and arranged for the con-
venience of the students.

The rooms that will be reserved for
this use, as announced by the secre-
tary of the Y. M. C. A., are as fol-
lows: Alumni 2, 11, 12, 17, and 18;
Phillips Hall 208, 209, 210, 211, 309,
310, and four rooms in the Y. M. C.
A., two on the second and two on the
third floor. Students are requested
to keep the rooms in condition, and
have consideration for others.

'PINAFORE' WILL BE GIVEN ON THURSDAY IN MEMORIAL HALL

Department of Music Is Presenting
Second Opera in History of
University.

EXCELLENT TRAINED CAST

Last year the Department of Mu-
sic produced "The Mikado." This
was the first time such a play had
been put on in the history of the
University, and a high standard of
excellence was set. The present per-
formance of "Pinafore" is in every
way on a par with "The Mikado" per-
formance. The nine principals have
been chosen from among the most
talented singers and actors on the
campus. The chorus consists of 30
co-eds and men students of the Uni-
versity, and has been trained to a
high point of excellence. The Uni-
versity Orchestra will, as usual, play
the accompaniments. A new stage
setting has been purchased and will
add much to the effectiveness of the
play.

The opera "H. M. S. Pinafore,"
which will be produced Thursday
night, May 26th, in Memorial Hall
by the Department of Music, is one
of the most popular of all light operas.
In spite of the fact that it was writ-
ten during the reign of Queen Victo-
ria as a satire on English naval life
of that day, it has continued without
interruption to the present day in its
popularity. It is produced hundreds
of times each year all over the world.
This fact peculiar in the history of
musical comedies is undoubtedly due
to two things: the character of the
music which Sir Arthur Sullivan
wrote for the play, and the character
of the words themselves.

W. S. Gilbert, the author of the
libretto, is recognized as one of the
most clever satirists of recent genera-
tions. No man has been more for-
tunate in hitting upon jingling com-
binations of familiar words, and many
of his lyrics are unsurpassed for their
insidious humor. In "Pinafore" Gil-
bert satirized the several phases of
English life: the extent to which nob-
ility influence the giving of govern-
ment patronage, the ignorance and
lack of experience among the high
officials of the navy, the official
insistence upon politeness and ab-
sence of profanity. Captain Coch-
ran is put in the donjon because
he says "damme;" and the chief
qualifications of the admiral are that
he has "polished up the handle of the
big front door," and can write "in
a big round hand." One of the great-
est reasons for the continued popu-
larity of this play is the fact that
these very faults can be found, to a
greater or less extent in present-day
life in almost every country; and the
jibes written for a generation ago
are, many of them, put in connection
with situations with which we are
all familiar.

Sullivan's music in "Pinafore"
reaches the highest point in this type
of music. It is popular, in the sense
that it is catchy and easily under-
stood; but it is never cheap and
tautrid. It is just that combination
of qualities which ensures for it a
worthy long and popular life.

PROF. TUFTS OF CHICAGO HERE DURING PAST WEEK

Studies Conditions in School of Public
Welfare Under Authorization
of Russell Sage Foundation.

Prof. James H. Tufts, head of the
Department of Philosophy at the Uni-
versity of Chicago, and exchange pro-
fessor at Columbia, has been on the
Hill this week. He has been engaged
in studying the conditions under
which the School of Public Welfare
is working out its plans for special
training, and has also given a num-
ber of lectures.

Dr. Tufts has been authorized by
the Russell Sage Foundation to make
a national investigation of training
for professional social work. He vis-
ited Amherst, Cornell and Bryn Mawr
Universities before coming here. He
found that the University of North
Carolina was doing pioneer work in
this line in a number of ways; so
it was necessary for him to make an
extended visit to this place.

While on the Hill Dr. Tufts has
made addresses in chapel, and be-
fore the faculty club, and has con-
ducted a number of classes in so-
ciology and philosophy.

On Friday he visited the State De-

BOYD HARDIN IS ELECTED TO CAPTAIN TRACK TEAM

Cinder Path Artists Celebrate Close
of 1921 Season With Big
Banquet.

At the annual track team banquet
Wednesday night Boyd Hardin was
elected captain of next year's team.
The banquet closed a very successful
track season for Carolina. "Bill"
Royall, Coach Rand, Drs. Lawson and
Mangum all made speeches which
pleased the team very much.

Boyd Hardin has been one of the
most consistent scorers on the Uni-
versity's track team. For the past two
years he has piled up point after point
scoring in every meet the Tar Heels
have participated in and with several
first places to his credit. A large
amount of work as editor-in-chief of
this year's Yackety Yack prevented
him from reporting early this season.
However he showed up well in all
the meets.

The banquet opened with a speech
by "Bill" Royall captain of this year's
team. He paid tribute to the work of
Coach Rand on the track this year.
It would have been near impossible
to turn out as good a team again with-
out him, he said.

The banquet started then in full
swing. All of the finishing track
men who had been in training for the
past three months rushed toward the
eats. Enormous quantities of chicken
salad, pickles, olives, sandwiches, ice
cream, cake, coffee, and last of all
cigarettes which all track men like
best of all, disappeared mysteriously.

Coach Rand thanked the team for
the cooperation they had given him
this year and wished them God speed
for next year.

Dr. Lawson then spoke and men-
tioned the effect that training had on
the team. The next year's track team
promises to be one of the best in the
history of the University and it
will be due in a great measure to
this year's work, he said.

Dr. Mangum said that a team
doesn't have to win to be a success-
ful one, and that mere victories do
not make a successful team.

CAROLINA IS DEFEATED TWICE ON TENNIS TRIP

Hard Fight Is Staged Against Wash-
ington and Lee, but V. M. I.
Has Easy Time.

Carolina's tennis team returned
Saturday morning from Lexington,
Va., where they played matches with
the teams of Washington and Lee
University and Virginia Military In-
stitute.

On Wednesday afternoon the Tar
Heels lost a hard fought match to
the Generals by the score of 4 to 2.
The result was in doubt until the
final sets of doubles which the Gen-
erals won by a narrow margin. Prob-
ably the best tennis of the afternoon
was the match between the captains
of the two teams, finally ending in
a victory for the Washington and
Lee racketeer. The work of Smith,
of Carolina, in defeating Tschudy,
of Washington and Lee, after his op-
ponent had obtained a commanding
lead was also worthy of note, while
Tommy Hawkins defeated his man in a
rather decisive manner.

A summary of the scores is as fol-
lows: Burch, W. and L., defeated
Jernigan, 6-4, 6-2; Snively, W. and
L., defeated Bardin, 6-4, 5-7, 8-6;
Hawkins, North Carolina, defeated
Cohn, 7-5, 6-3; Smith, North Caro-
lina, defeated Tschudy, 1-6, 6-1, 6-0.
In the double matches the scores are
as follows: Cohn and Burch, W. and
L., defeated Smith and Hawkins, 9-7,
2-6, 6-2; Mason and Tschudy, W.
and L., defeated Jernigan and Bard-
in, 6-3, 2-6, 6-4.

Playing at V. M. I. the following
day the Tar Heels were defeated by
the strong Cadet team, 4-1. The
outstanding match of the day was the
up-hill fight of Lee, of V. M. I., in
defeating Hawkins, of Carolina, after
his opponent had captured the first
set and was leading on the second at
5-4 with advantages-in. Both Smith
and Jernigan were going strong in
their singles, losing to their oppo-
nents only after a hard fight and by
a narrow margin. The scores below
best tell the story:

Singles: Seaman, of V. M. I., de-
feated Jernigan, 2-6, 8-6, 6-4; Lee, of
V. M. I., defeated Hawkins, 3-6, 8-6,
6-4; Young, of V. M. I. beat Smith,
6-3, 10-12, 6-3.

Doubles: Lee and Seaman, of V.
M. I., defeated Hawkins and Smith,

SUMMER SCHOOL WILL BE THE LARGEST EVER HELD AT UNIVERSITY

Largest Attendance Ever Present Is
Expected, and Many Noted Lec-
turers Will be on Program.

SCHOOL OPENS ON JUNE 21

With over five hundred students to
date enrolled for the thirty-fourth
session of the University summer
school all indications point to the
most successful summer school in
1921 in the history of this institu-
tion. Instruction will be offered in
the Departments of Biology, Chem-
istry, Drawing, Economics, Education,
English, French, Geography, Geology,
German, History, Library Science,
Latin, Mathematics, Music, Physics,
Psychology, Rural Economics, Soci-
ology, School Law, Spanish, Writing
and Zoology. Professor N. W. Wal-
ker, director of the summer school,
who has been at Cambridge, Mass.,
for the past year pursuing courses
at Harvard University, will return to
the Hill in time to take charge of
his work. The session will open on
Tuesday, June 21st, and continue
for a term of six weeks, closing on
Thursday, August 4th.

The old "summer normal" at the
University was a pioneer in the sum-
mer school field. It was established
in 1877 by Dr. Kemp P. Battle, and
it seems to have been the first of
its kind in America. It ran for eight
years, and enrolled 2,480 students
and teachers altogether, suspending
in 1884. Revived in 1894, the sum-
mer school ran eleven years during
its second period of usefulness un-
til 1904 when it was again suspend-
ed. Only 1,541 students and teach-
ers were enrolled during this period.

Revived again in 1907, the new
summer school began work on a mod-
est scale. The first year there were
only 36 students in attendance. The
number of students increased and new
departments were opened. In 1916
most of the departments of the Uni-
versity offering liberal arts and sci-
entific courses were open during the
summer school. Many of the courses
offered were of university and college
grade. In that year 1,952 students
were enrolled, in 1917, 901, in 1918,
618, in 1919, 922, and in 1920, 1,147.
During these years the summer school
has developed into an institution of
force and power that has exercised an
elevating influence on the educa-
tional life of the whole state.

The institutes for public welfare,
first held at the University under the
direction of the School of Public Wel-
fare as a regular part of the summer
school of 1920, will be held again dur-
ing the 1921 summer school and with
more adequate facilities and better
defined courses than last year.

Many special features will be held
during the summer school.

The Carolina Playmakers, under
the direction of Dr. Koch, will give
two performances during the session.
One of Shakespeare's plays will be
presented, while another program

CARR FELLOWSHIP IS AWARDED L. J. PHIPPS

Julian S. Carr Gift For 1921-22
Goes to President of the Rising
Senior Class.

The Julian S. Carr Fellowship, en-
dowed by Gen. Julian S. Carr in
1916, valued at about \$300, and
awarded at commencement each year
to a member of the rising Junior
or Senior class who has shown by his
high scholastic quality of his work
that he is worthy of help, and who,
during his first years in the Uni-
versity, has earned his way in whole or
in part, has been awarded this year
to L. J. Phipps, of Chapel Hill.

Jimmie has won the remarkable
distinction of having attained a
scholarship average of 96 for his
three years in the University. In
the recent class elections he was
elected president of next year's
senior class. He is treasurer of the
Phi society, a member of the C. E.
society, Orange County club, its pres-
ident for two years, and adjutant of
the Chapel Hill post of the American
legion. This year he has been the
manager of Chapel Hill's only amuse-
ment palace—popularly known as the
Pickwick.

The holder of this fellowship is
selected each year by a faculty com-
mittee. W. Reece Berryhill was
awarded the fellowship last year.

TOMORROW WILL BE ELECTION DAY FOR OFFICERS OF ATHLETIC ASSOCIATION AND THE TAR HEEL

FRESHMEN WIN OUT IN INTER-CLASS MEET

Woodard, of Freshmen, Individual
Star, Winning Five First Places
with Record Javelin Throw.

The annual inter-class track meet
was won by the freshmen Saturday
afternoon by a score of 67 to 41 1-2.
The feature of the meet was the high
jumping of Woodard, Parker and
Angel. The height jumped by Wood-
ard, who won first place was five
feet, seven and one-half inches.

Woodard, the freshman's high point
man, scored a total of twenty-five
points, winning five first places. Es-
pecially was he in fine form in the
javelin throw. He threw the javelin
one hundred and fifty-one feet and
six inches, which broke the old state
record four feet.

Smiley, Griffith and Angel did good
work in the 120 low hurdles. Un-
fortunately a dog whose habitual
haunt is the track, staged a collision
with Shackell, who was going fine in
this event.

Prof. Daggett Will
Address Scientists

Will Appear Before Sheffield School
at Yale University During Engi-
neering Convention in June.

Prof. P. H. Daggett has accepted
an invitation to present a paper on
Student Government and the Honor
system at the convention of the so-
ciety for the promotion of Engineer-
ing education to be held at Yale Uni-
versity June 28 to July 1.

It is interesting to note that since
Professor Daggett's acceptance of
the invitation, eight members of the
Sophomore class of the Sheffield Sci-
entific School at Yale, have been ex-
pelled for breaking the Honor code
while taking the examination and 13
more have been suspended. This
school was the first department of
Yale to adopt the Honor system in
examinations and the revelations just
made are regarded as a serious blow
to the system. These 21 men consti-
tute an entire class in one subject in
the Scientific school and the viola-
tion of the Honor system occurred
at a recent examination at which the
eight men expelled are alleged to have
"cribbed" while the remaining
13 failed to report their dishonesty as
provided by the Honor system.

No doubt Professor Daggett can
be of aid to the Sheffield school in
working out a better system in as
much as the student government at
Carolina has proven quite successful.

Under the auspices of The Order
of Grail a collection was taken Mon-
day night in an effort to secure gold
baseballs for letter men of the 1921
championship varsity club.

Dr. A. W. Hobbs, J. Saunders Wil-
liamson, S. P. Dubose and W. W.
Sledge were initiated into the Junior
Order of Gorgan's Head Friday
night.
