CAROLINA ELEVEN TRIUMPHS OVER UNIVERSITY OF FLORIDA BY SCORE OF 14-10 IN SEASON'S LAST GAME

Tar Heels Play Versatile Football in Jacksonville Game Saturday Afternoon.

POST SEASON EXHIBITION

"Runt" Lowe and "Johnny" Johnson Again Star With Clever and Brilliant Work.

Overcoming a handicap of 20 pounds to the man, the Carolina football squad finished all football for 1921 by defeating the University of Florida in Jacksonville Saturday, by a 14 to 10 score.

The Florida contest is the first post-season game the University has played in years, and will possibly become a regular post-season affair in the coming seasons. Over 7,000 people saw the game in Jacksonville, and the weather was entirely too warm for good football.

Carolina won by showing superior offense and a better coached and general team. Florida scored early in the game with a long kick from placement from the toe of Dixon. A forward pass for 20 yards near the end of the game accounted for Florida's other score.

A versatile attack, varying from intricate forward pass formations of the Tar Heels to slashing line attacks and long end runs on the part of Lowe, McGee, Johnson and McDonald, puzzled and swept the heavy Florida team off its feet.

The fracas with Florida rang down the curtain on football for the 1921 season.

ELECTRICAL ENGINEERS HOLD REGULAR MEETING

Discuss Engineering Education, Telephone Systems, Distribution of Dynamos; Interesting Talks.

The American Institute of Electrical Engineers met in Phillips Hall Thursday night for the discussion of Engineering Education, Telephone Systems, and Distribution of Dynamos.

P. M. Gray discussed Engineering Education, and made a very interesting talk on the subject. E. E. Dellinger discussed Telephone systems, and brought out some good points. Jack London talked on the Distribution of Dynamos, which was also a very interesting discussion.

In place of the next regular meeting, the society will hold a big feed. All the members are cordially invited to attend the feed.

Winston-Salem Wins High Championship In The West

Winston-Salem, Dec. 3.—The Winston-Salem High School football team defeated Shelby High School this afternoon by the score of 14 to 0.

By winning this game the locals become champions of Western North Carolina and next Saturday will meet Fayetteville at Chapel Hill for the championship of the State.

JIM STROUD'S ELEVEN CRUSHES AGGREGATION FROM THE TWIN CITY

Tigers Teat Through Winston Pond Giants for Two Touchdowns and Claim State Championship.

TACKLINGS ARE FEATURES

(By John McAulay.)

Coach Jim Stroud's eleven pig skin chasers of the Chapel Hill midnight sex tore through, went around and jumped over to a 14-0 victory over the rangy south African sex from the North Carolina metropolis, better known as the Winston-Salem Pond Giants, Friday at 4 o'clock on Caldwell field. The jazzing audience composed of janitors, head waiters, cabin and coop keepers and last, but not least, the fair chocolate colored maidens of our suburban vicinity were all there, crying, laughing, yelling, and screaming their eleven heroes of the gridiron to the well deserved victory. Coach Stroud's charges were the first to arrive and unrobe for a short signal practice, followed by running back punts from the toe of Halfback Tryce, whose punts were averaging the lengthy distance of twenty-five yards.

Mr. Raymond Hariston, the charcoal center of the highly touted Pond Giants, was probably the most noticeable warrior on either eleven. During the first half, although coal black he turned yellow several times, and threatened to mar the finishing of the game by abdicating when the big 220 pound Stroud, playing center for the Tigers, would tap him too hard on his head gearless bean.

Something never seen in gridiron circles during the history of Chapel Hill was seen Friday when the Pond Giants presented the presence of a right end, Snrith by name, who

NEW FOLK PLAYS ARE PRESENTED AND MEET WITH FAIR APPROVAL

"Reward Offered," "Waffles For Breakfast," and "Trista" Are Plays Presented.

STAGE SETTINGS GOOD

The Carolina Playmakers presented their fall series of original Carolina Folk-Plays in the Playhouse on Friday and Saturday evenings. The program consisted of three one-act plays: "Reward Offered," by Jane Toy; "Trista," by Elizabeth Lay, and "Waffles For Breakfast," by Mary Yellott.

Judging the productions by former performance, the plays were not so good as have been seen at the Playhouse, but they were very entertaining, as a whole, unusually well acted, and met with fair success. Larger audiences turned out for the performances than has greeted the other offerings of the year, but at that the house was not full on either occasion.

The production gave two new settings of rare stage beauty, and the attractiveness of the presentations. The stage management was, however, a little slow in making the changes, and had it not been for the excellent music rendered by the University orchestra, under the direction of Carl Wiegand, the audience probably would have become intolerably impatient.

It would be hard to say which of the plays was best. From a strict literary point of view "Trista" of course stands out and above the others. It is unusually well written and has dramatic qualities above the average play that has been brought out by the Playmakers. On Saturday

By Score of 7-0 Fayetteville Takes Great Game on Emerson Field.

WIN BY PLUCKY FIGHTING

New Bern Best Ground Gainer and Has Powerful Team—Winston Wins in West.

Fayetteville won the eastern high school championship, defeating New Bern on Emerson field here Saturday afternoon by the score of 7-0. New Bern appeared to have the stronger aggregation and outplayed Fayetteville in most phases of the game, but the well coached Fayetteville eleven, through desperate fighting, was able to push across a touch down while holding New Bern scoreless.

Underwood, McQueen, and Hall for Fayetteville and Shipp and Simpson for New Bern were the outstanding stars of the game, all five men displaying more than usual high school football ability. McSaulay and Dill were outstanding men on the defense for New Bern. Both teams played erratic ball at times, and both were seriously handicapped by the muddy field.

Fayetteville's Big Drive.

Near the close of the third quarter Hall of Fayetteville intercepted a forward pass on New Bern's 40-yard line carrying the ball to New Bern's 30-yard line. In three successive plays the Fayetteville team made first downs, Hall carrying the ball. Two line plunges, the fast Fayetteville backfield smashing through with apparent ease, and a long end run spelled defeat for New Bern.

After this lone touchdown throughout the fourth quarter and practically during the entire game New Bern was the most consistent ground gainer and four times came within the Fayetteville 15-yard line. In the last quarter with Simpson and Shipp doing the bulk of the work, after Simpson had passed to McSaulay for a 45-yard gain, New Bern carried the ball within six inches of the goal line. There was some dispute as to whether the ball was over for a New Bern touchdown, but the referee decided in Fayetteville's favor.

This last drive of New Bern's came after a similar offensive in which New Bern had carried the ball within Fayetteville's seven-yard line but had failed to register a touchdown by line plunges.

First Half.

In the first quarter New Bern kicked to Fayetteville's five-yard line and McQueen ran the ball back 20 yards. Fayetteville failed to make first down and Tripp punted to Fayetteville's 45-yard line. Dill went five yards over right tackle. Dill gained two more yards through right tackle, and a first down followed with Shipp carrying the ball. Dill and

SENIORS HOLD SMOKER ELECT A CABINET MAN

W. C. Murchison Elected as Representative on Campus at Very Enjoyable Meeting

For the purpose of electing a Senior class representative on the Campus Cabinet the Senior class held its second smoker of the year in the social room of the "Y" Wednesday evening. W. C. Murchison was elected by a large majority over three other nominees.

The principal speaker of the evening was Dr. E. W. Knight of the school of Education. At the beginning of his speech he said that he would abide by the premonition of a member of the class in not making a serious talk. Nevertheless he made a practical and impressive speech in which he declared that the virtue of a college education rested not in scholarship and high honors but in the student's ability to handle effectively the problems involved in his life's work.

Candies and sandwiches prepared by the co-eds of the class were served in the first course of eats. Afterwards short talks in which the virtues of the class were pointed were made by several members present. On the last course apples and smokes were served and the meeting closed with a rising vote of thanks to the co-eds for preparing the eats.

FORENSIC SCHEDULE ANNOUNCED FOR YEAR

Carolina-Pennsylvania Debate Will Be Held in Philadelphia Saturday Night—Other Debates.

In addition to the Carolina-Pennsylvania inter-collegiate debate, to be held in Philadelphia next Saturday night, the following schedule of debates and oratorical contests has been announced by the Debate Council:

1. The Triangular Debate between the Universities of North Carolina, Washington and Lee, and Johns Hopkins, to be held at the seats of the respective institutions on the night of March 4, 1922. Each university will have a team of two men defending each side of the query: "Resolved, That the United States government should own and operate the coal mines." The elimination preliminaries will be held on the night of February 6, the affirmative in the Phi hall, the negative in the Di. The contestants on each side will be narrowed down to four men, from which two men and an alternate for each side will be chosen in the final preliminaries the following night. All contestants must be members of one of the two literary societies at the time of the preliminary.

The teams will debate as follows: Washington and Lee, negative, and Carolina, affirmative, at Johns Hopkins; Carolina, negative, and Johns Hopkins, affirmative, at Washington and Lee; Johns Hopkins, negative and Washington and Lee, affirmative at Chapel Hill.

2. The Fresh-Soph debate, finals to be held in both society halls the night of February 18. The preliminaries will take place January 30, the query being, "Resolved, That the eighteenth amendment to the constitution of the United States be repealed." The Phi freshmen and Di sophomores will have the negative; the Di freshmen and Phi sophomores, the affirmative.

3. The Junior oratorical contest, to be held in Gerrard hall February 25. The preliminaries will be held in each society hall February 13, at which time one junior from each society will be selected to contest for the Julian S. Carr medal.

The team representing Carolina at Philadelphia Saturday night in the annual Carolina-Pennsylvania debate will be composed of T. L. Warren, W. E. Horner, and F. A. Grissette, with C. L. Moore as alternate. The query is, "Resolved, That the transportation act of 1920 be so amended as to empower the labor board to enforce its decisions."

CAROLINA CLOSES TENNIS SEASON; GREAT SUCCESS

Team Wins From Greensboro Country Club Saturday—Season Marked By Splendid Playing.

The match with the Greensboro Country Club last Saturday marked the close of one of Carolina's most successful tennis seasons. The work of this year's team has been especially notable, having won fourteen out of seventeen matches played.

Competition for places on this year's team has been lively. The addition of Cox and Johnson, both of Asheville and first rate tennis players, added much to the strength of the team.

Professors Pat Winston, Louis Graves and Lasley have been vital factors in the success of the team. They have assisted in coaching and training the squad.

The season opened with a match with Trinity at Durham. Carolina easily took this, losing only one match out of six played. Barden lost this match to Powell, captain of the Trinity team.

The next match was with Virginia. This was very hard fought, and at times the outcome was doubtful. The singles were especially close. Cox disposed of his man with ease, but Johnson and Barden found more difficulty in defeating theirs. It was only after a close fought match that they won. Their victories, however, were clear and decisive.

Carolina won four of the five matches, and lost one of the doubles. In doubles the team has been weakest throughout the season.

The Greensboro Country Club was played here on Thursday, and the team experienced more difficulty in defeating them than any other team that they had met. Out of the six matches played Carolina won five. The scores in matches, are not indicative of the closeness of the matches.

Cox defeated Smoot in a close and hard fought match. Smoot, one of the best players in the state, was runner-up of Pat Winston in the state tournament last year, and missed victory by the narrow margin of a point.

The ranking of the team as given out for publication in The News and Observer a few days ago was: Trench Cox, Barden, Johnston, Hawkins and Jernigan. All of these men have been showing up well during the season. Cox, Barden, Johnston and Jernigan composed the singles team. Barden and Hawkins, and Cox and Johnston composed the doubles team.
