## Six Carolina Players Get Berths On Mythical All State Baseball Team

By R. C. Maulsby

An all-star selection that meets with the approval of all concerned is a thing that may be dreamed of but never seen. Therefore the results of our attempt at choosing an All-State Intercollegiate baseball team will surely be criticized from one source or another. However, we have tried to make a fair comparison between every player before making our selection.

For the first base guardian there is only Shirley and Crawford to pick from, but "Mule" gets first choice, without any dispute.

Ellis, the fast Wake Forest captain, is probably the class of the second basemen in both hitting and fielding. McLean is close on his heels, however.

At short McDonald gets the preference over Redfean on account of his all around ability and superior batting. The Carolina man has played more errorless games, at the same time covering just as much territory.

Fred Morris was undoubtedly the best third baseman, although not fielding very consistent at times. Stringfield, of Wake Forest, must be shifted from shortstop to third on the second team.

"Casey" Morris gets the backstop position on account of his excellent hitting, catching, and brain work. Neal gets second choice because of his all around ability. Dennis, of Wake Forest, is another good catcher although rather weak in hitting.

In the outfield our pick is Spikes, in left field, Norwood in center, and Ormond in right. All of these have averages of over .400 and are fine fielders. Sweetman is the equal, if not the superior, of any in fielding, but under favorable circumstances would not hit over .300. Norwood and Spikes are both brilliant fly chasers.

For the pitching staff of this mythical nine, Llewellyn, Curtis, and Wilson are easily the choice. Wilson would play right field against left handed pitchers when not in the box himself.

Sanderson and Simpson, of Trinity, and Cline, of State are the class of the remaining twirlers and are selected for the second team.

## CASEY MORRIS CAPTAIN OF 1923 BASEBALL TEAM

Varsity Catcher for Two Years Is Chosen to Pilot Next Year's Nine.

At their annual banquet held at the Coop Saturday night, the baseball squad elected R. W. "Casey" Morris captain of next year's team.

This is "Casey's" second year on the varsity, and in the two seasons he has caught practically all of the games. He is recognized as the best catcher in the state both because of his batting ability and his prowess behind the plate. Besides being able to size up a batter he keeps his head in a pinch and directs infield plays when there is any probability of an infielder making a bad play. He bats above the .300 mark, and many of his hits are for extra bases such as his homer which practically won the Trinity game Saturday.

## Bond Issue Election To Be Held in Chapel Hill May 30

On May 30, the citizens of Chapel Hill will be called upon to vote for a bond issue of \$40,000 to be used for the Chapel Hill Graded School. If this project goes through \$10,000 of the money will be used to pay for three rooms already erected; \$10,000 to erect three similar rooms on the opposite wing; \$8,000 to erect a Physical Education Building; and the remaining \$12,000 to pay off notes coming due, to purchase two acres of land in the rear of the building and to buy the new equipment that is needed.

## BLUE RIDGE DELEGATION IS NOW BEING MADE UP

At Least 20 Men Certain to Go From Carolina; Others Have Been Nominated.

At a recent meeting of the Y. M. C. A. officers a number of nominations were made for men to go as Carolina delegates to the big Blue Ridge Conference, June 13-22, an annual religious, social, and athletic meeting of collegians from all over the South. Fully twenty conference registration fees are to be sent in tomorrow for men who are certain to go. Nominations are being made daily. The following men, a large number of whom are expected to be included in the Blue Ridge delegation from Carolina, were nominated up to last Tuesday:

## BUDGET PLAN IS NEARLY COMPLETED BY CABINET

After Much Discussion in Committees Campus Cabinet Is About Ready To Present Plan to Students.

Monday night the campus cabinet met for the purpose of discussing the report of the committee on the form of policy of the pooled budget. The sub-committee on the different amounts to be raised under the budget for each of the five activities—the Carolina Magazine, the Tar Heel, the Yackety Yack, the Y. M. C. A., and the Debating Council—had already made its report. The maximum sum of the total fee will not exceed three dollars per quarter.

The details were thoroughly thrashed out by the cabinet, and final details were given to the committee.

The cabinet will meet again Friday night, at which time the committee will present for ratification the finished plan, in that form in which it will be presented to the student body.

## THE MARY ANNE SMITH BUILDING DESTROYED

Early Morning Fire Causes Complete Destruction of \$45,000 Building. Loss Covered by Insurance.

By leaping from the upper stories of the Mary Anne Smith building into blankets held as nets by men at the base of the dormitory, a score or more of students at the University of North Carolina escaped severe burns and probable deaths when the building, in which they were sleeping, was completely destroyed by fire, last night about one o'clock. The building, a three-story brick struc-

## POLITICAL FESTIVITIES CLOSE WITH ELECTION OF CLASS OFFICIALS

Shirley Gets Presidency Senior Class; Coley, of Junior, and "Squatty" Thomas, of Sophomore.

### MUCH INTEREST SHOWN

With the class elections over, politics on the campus comes to an end. The class elections, like the elections for president of the student body, were wrapped up in politics. In the rising senior class, an athlete was elected president for the first time in several years. Those nominated for this office were E. R. Shirley, V. V. Young, and S. M. Cathey. On the first ballot the votes stood for Shirley, 65; for Young, 22; for Cathey, 49. On the second ballot Shirley received 85, while Cathey received 71.

The only man nominated for vice president was H. J. Bryson. The race for the office of secretary was more lively. The nominees were S. M. Whedbee and R. G. Koozts. who received 54 and 53 votes respectively. The election was not declared certain, however, on account of a miscount of the votes. For treasurer S. H. Youngblood was the only nominee and the same was true of the representative from the senior class on the campus cabinet which went to Allen McGee.

The race for president of the rising Junior class was, like the presidency of the senior class, very hotly contested. C. Y. Coley received 115 votes, John Purser 21, and Earl Hartsell 90. Al Johnson was elected vice president. The vote being as follows: Al Johnson 126, Worth Redwine 15, Charles Holschauer 50, John Zollicoffer 25. G. Y. Ragsdale with 98, and Winton Green with 58 were to be voted on again for secretary treasurer as they beat out R. S. Pickens. W. W. Gwynn and Ed. Woodard with 81 and 100, respectively, eliminated Henry Duls, who polled 33 on the first go-around, for the class representative on the campus cabinet.

As usual the rising Sophomore class elected an athlete for president. "Squatty" Thomas with 115 won out over C. H. Yarborough with 59, and Bill Ferebee with 2. For vice president L. T. Rogers won over Edwin Lanier by a vote of 99 to 60. For secretary-treasurer Thomas Tevepaugh won. The nominees and their votes were as follows: T. Tevepaugh 43; L. M. Guder 27; John Henderson 21; W. T. Rowland 31 and S. W. Shaffer 39. For representatives of the class on the campus cabinet C. K. Massey defeated C. T. Mitchell by a vote of 114 to 30.

## HIGH SCHOOL BASEBALL TITLE IS TO BE DECIDED

Championship Game on Emerson Field Tomorrow—Eastern and Western Contests Held.

The annual high school state championship baseball game will be played here tomorrow evening on Emerson field. Much interest has been shown in these games and every one is predicting a battle royal between the two contestants for state laurels.

The race for the eastern and western championship of the state culminated with the two games which were played last Wednesday. In the east Clayton contested Fayetteville for the eastern championship while Winston-Salem and Stoneville were the contestants in the west. As the Tar Heel goes to press reports have not yet arrived as to the winners in these two games.

Last year Red Oak fought her way through thirty-six schools, defeating Winston-Salem in the championship game, and thus won for herself the much coveted state championship. These high school games, which are staged each year under the auspices of the University Extension Division, have done more to advance this sport in North Carolina than any other one factor and much credit is due to this department for the work which it is accomplishing.

The rescue of the students was accomplished by the rare presence of minds of the college boys.

## COMMENCEMENT WILL BE MARKED BY MANY EXCELLENT SPEECHES

Baccalaureate Sermon To Be Delivered by Rev. Ben R. Lacy, Jr. Address by Hon. Carter Glass.

### MANY REUNIONS PLANNED

Commencement time draws near and judging from the very interesting program, which includes some of the best speakers of the day, the exercises will be the best held here for a number of years. The opening event of commencement is the annual inter-society debate which will be held on Saturday, June 10, in Gerrard Hall.

The Baccalaureate sermon will be delivered by Rev. Ben R. Lacy, Jr., of the Central Presbyterian Church of Atlanta in Gerrard Hall at 11 o'clock a. m. Rev. Lacy, who is the son of our present state treasurer, is a graduate of Davidson College and a Rhodes scholar. Besides being an accomplished orator and scholar, he bears the name of being a fighter. As chaplain of the 13th field artillery during the recent World War he made for himself quite an enviable record and won the title of "the fighting chaplain." Vesper services will be conducted under the auspices of the Y. M. C. A. by Parson Moss under Davie Poplar at 5 o'clock p. m.

Monday will be senior class day. The program for the day will begin at 10:30 a. m. with the president's farewell address, which will be followed immediately by the class gift. In the afternoon the Mangum contest in oratory will be held at Gerrard Hall followed by the presentation of the Mangum medal to the winner. President Chase will give a reception to the senior class members and their friends from 4 to 5 o'clock p. m. The last thing on the program for the day will be the closing exercises and the formal presentation of the campus to the rising senior class.

Tuesday, Alumni day, will be devoted to meetings of the various classes of the University alumni. There will be a reunion of all former women students and pharmacy students. The board of trustees will hold its regular meeting on that day and the alumni association of which Col. Albert L. Cox is president will meet. Following these meetings the annual alumni banquet will be held at Swain Hall at 2 o'clock p. m. On Wednesday morning an academic procession will form and march to Memorial hall where Hon. Carter Glass of Virginia will deliver the commencement address at 11 o'clock. Then diplomas will be awarded by Governor Morrison and honorary degrees will be conferred. A list of the alumni of the University who have died during the past year will be read and the University Quartet will sing Integer Vitae, which will conclude the exercises for the day and for the commencement.

## CAROLINA FRESHMEN WIN OUT IN ASHEVILLE MEET

In Track and Field Events First Year Men Take 62 1/2 Points To Opponents' 45 1/2.

In the dual track and field meet with Asheville school held at Asheville last Saturday the Carolina freshmen won out by 17 points, the score being 62 1/2 to 45 1/2. Yarborough, captain of the freshman team, was high point man with 16 points. Shumway, star of the Asheville team, being second with 12 points. Melver, Carolina, won 11 1/2 points and Murphy, Asheville school, 10 points.

A large crowd came out to witness the meet, and their cheering was given for every display of sportsmanship and unusual ability by each team.

In the dashes Carolina was out-classed, Asheville school winning first two places in both the 100 and 220. In the distances, however, the opposite was true, and Carolina showed her opponents a clean pair of heels, copying first in the mile, first and second in the half-mile, and all three places in the 440 yard run.

Both of the hurdle races went to the freshmen. In the 220 yard low hurdles, Rickie, of Asheville, was leading by a few yards when in looking behind he lost his stride and

Governor Morrison Makes Address on Taxation System and State Resources.

## MEMORIAL HALL FILLED

Rives, Nash, Moore, Wade, McGee, Smith, Poindexter, Young, McDonald and Llewellyn Chosen.

The Golden Fleece Tapped Tuesday night.

Governor Cameron Morrison was the principal speaker and was introduced by Prof. Horace Williams as a governor with a passion for North Carolina. The chief executive expended his passion for the state on the crowded Memorial hall.

Everybody knows who got tapped, but to be in detail they started with Scrubby Rives. Two Fleece men, in the Fleece garb, after marching sedately up and down all the aisles of the hall, stopped and held a short conversation with other Fleece men in the back. The suspense was admirably worked up and hearts skipped a beat now and then as the march was continued. Then Scrubby got his.

Scrubby got tapped. The man tapping him took him by surprise. The little cheer leader was almost knocked out of his seat. With face red and a suspicion of a tear in his eyes Scrubby had the ribbon pinned on him and realized the dream of every man who comes to Carolina.

Marion Nash came next. Then C. U. Smith. More marching up and down the aisles with the entire crowd straining to watch both tappers at the same time. Allen McGee came next. Then Jake Wade.

Poindexter was literally jerked out of his seat. McDonald was caught near the back of the house and when the golden and blue ribbon was pinned on his shirt, the house shook with cheers. Moore got his near the middle of the house. Victor Young was sitting over on the left. The Fleece man came slowly down the aisle. Several men shifted uneasily in their seats. The tapper passed Young and then turned and with a leap almost knocked the boy out of his seat.

Back to the front of the hall the two tappers marched. Then they tapped Llewellyn's acceptance of a bid. That ended the tapping.

Much could be written about Governor Morrison's speech. He spoke long and dealt with many subjects. The taxation system of the state was explained rather much in detail. The inland water ways of the eastern part of the state was not neglected and the Charlotte politician grew eloquent over the undeveloped water power that has been going to waste ever since the day of Adam.

## KENTUCKY WINS CLOSE DEBATE FROM CAROLINA

Horner-Brown Team Loses to Johnson and Neal by Two to One Vote of Judges.

In one of the hardest fought debating contests of the year, Carolina, represented by W. E. Horner and B. C. Brown, was defeated by the University of Kentucky, represented by R. T. Johnson and S. P. Neal, in Gerard Hall, Saturday evening, May 13. The query was: "Resolved, that the present Dillingham law should be retained as a permanent measure; namely, that three per cent of each nationality that was in this country in 1910 shall be the only annual quota immigrants allowed from that country."

The law, which was introduced into the lower House by Representative Dillingham in 1920, was passed for a period of one year, but when it reached the Senate, it was extended for a period of two years. This law has caused much discussion throughout the country, and is now being debated in many of the colleges.

The first speaker on the affirmative, R. T. Johnson, of Kentucky, presented a very convincing argument in which he declared that the present high rate of immigration into the United States is a source of peril for the future of the American people. He stated that the present immigrants are destroying the ideas and
