NOT BE PAID BY THE
DI AND PHI SOCIETIESDual Committee Meeting Decides
That Two Societies Are Not
Liable for Debts.

SEAMAN WANTS \$2,000.00

The two committees appointed week before last by the Phi and Di societies to render a report as to the best action to be taken in regard to a two thousand dollar indebtedness on last years Carolina Magazine has finally rendered a decision after a dual meeting of the two committees last Friday evening. The essence of their decision is as follows:

"That inasmuch as the two societies were only nominally connected with the Carolina Magazine, except in the capacity of a subscription agency, after having elected its business manager, and whereas the business manager was the recipient of any and all profits derived from the publication, that the societies could neither afford to be guarantors, nor be held liable for any indebtedness incurred by the business manager."

The members of the Phi committee are C. L. Moore, W. T. Shaw, and V. V. Young; of the Di, Tyre Taylor, J. P. Trotter, and M. W. Nash.

The decision which these two committees have reached must be voted on by both societies, however, before it goes into effect, but general opinion in the two organizations seems to comply with the decision rendered by the dual committee.

The committees were appointed as the result of a letter addressed to the two societies by the Seaman Printery of Durham, calling attention to the debt and requesting prompt settlement of same.

P. A. Reavis, Jr., under whose management the principal part of the \$2,000 debt was incurred, takes the same stand in regard to the matter as the members of the committees. Although a minor at the time the contract was signed, he has expressed determination of standing by it and says that he will pay the debt if the printing company will give him time.

The Magazine has been published under the auspices of the two societies since its foundation in 1884. Even with the subsidy of a dollar subscription for each society member, the financial end of the publication has never been on a sound basis. Practically every business manager has lost money on it, and there is a strong feeling in the societies that the burden of the magazine along with

COMMUNITY CHORUS
GIVES ENJOYABLE RECITALThirty-Five Students and Townspeople
Under Direction of Prof.
Weaver Get Up Program.

Real talent and hard work were responsible for the success of the community chorus recital given in Gerard Hall Wednesday evening. A good sized group of students and Chapel Hill people filled the hall and received with a decided show of appreciation the two short but enjoyable numbers sung by a chorus of 35 students and townspeople. Both songs drew the applause of the entire hall and it would be hard to tell which was the most enjoyed.

The two who took solo parts were Alber Cullen Hewitt and Miss Aline Hughes. Hewitt is a young "Caruso" of the class of '25 whose clear tenor voice has a tone of unusual sweetness and promise.

Miss Hughes' soprano is always a delight, and she was at her best while singing "The Highwayman." This song is the story of a pretty young girl who gave her life in an attempt to save her highwayman lover from the red-coats. In itself it has a peculiar touching appeal which was greatly enhanced by the singing of Miss Hughes and Mr. Hewitt.

"The Slave's Dream" was the last number of the program, Mrs. A. S. Wheeler as accompanist deserves mention as her playing was of the best. Mr. Paul John Weaver, director and moving spirit of the chorus is in a large way responsible for its success.

The junior Music Club gave a reception in honor of Mr. and Mrs. Weaver at the Parish House immediately following the recital. All the chorus attended and a jolly good time served as a climax to several weeks of tedious practice, and well merited success.

JUNIOR DEBATE CHOS-
SEN.

The preliminaries for the junior commencement debate were held Thursday night in the Dialectic and Philanthropic Society halls. V. V. Young and George Hampton were chosen to represent the Phi with J. J. Beal as alternate. J. M. Brown and G. W. McCoy won out in the Di with J. P. Trotter as alternate.

The query for the debate is "Resolved, That there should be compulsory arbitration of all public utilities disputes seriously affected by public interests."

YACKETY YACK ON SALE
GOING FAST SAYS PHIPPSTar Heel Reviewer Praises Work of
1922 Staff; Many Changes From
Last Year's Annual.

The 1922 Yackety Yack, considered by its publishers, Baker-Jones-Hauser, Inc., of Buffalo, N. Y., as one of the best ever put out by them, and to be entered by them in a publishers contest held in New York City, was put on sale at the Y. M. C. A. last Saturday morning, with only a limited number of extras on hand according to Business Manager L. J. Phipps.

The special feature of the University annual this year is the section called "Views," which portrays scenes near and dear to the hearts of every Carolina man, from the chapel, to the gym, the dorms and general campus scenes. These pictures according to a representative of the publishers who has been on the Hill will also be entered in an art contest in Atlanta.

Bound in substantial leather cover, with a raised figure of General Davis, founder of the University, upon the front, the 1922 Yackety Yack, copyrighted by W. E. Matthews, editor and L. J. Phipps and I. D. Thorpe, business managers, contains 359 pages of a systematic review of campus life and problems for the past year, flavored with thought and fun.

Although it is not the largest annual ever published, yet the editors consider it even better by virtue of that fact, since it omits many of the monotonous details of a college annual such as several pages of faculty members, etc. It also contains less pages of advertisements than last year's annual, another point in its favor. The only sin of omission seems to be the humorous review of the Tar Heel and Magazine, which was an enjoyable feature of former annuals. Another innovation which breaks the yearly routine is the sandwiching of various branches of athletics between the classes and official organizations.

The annual is dedicated to I. S. Emerson '79, known best to Carolina students as the donator of Emerson

SHIRLEY WILL NOT PLAY
WITH PROFESSIONAL CLUBStar First Sacker Will Again Spend
Summer at New Bern With Other
Carolina Players.

The announcement that "Mule" Shirley, Carolina's stellar first baseman, has decided not to enter professional baseball this year is highly gratifying to his many admirers here and throughout the state. In a recent interview Shirley stated that he had not signed to play with Norfolk, as it was rumored. However, he will participate in the national pastime at New Bern, along with several other Carolina and Trinity stars.

Shirley had an exceptionally successful season on Coach Fetzer's team, and expects to be back in uniform next spring. Besides covering first base in great style, "Mule" swatted the horsehide well over the .300 mark. The loss of the classy first sacker would materially weaken the 1923 Blue and White machine, therefore much excitement was caused among Carolina supporters by the report that he was to play in the Virginia League this summer.

Among the other Carolina men to play at New Bern are: "Casey" Morris, Sweetman, McLean, Fred Morris, and McGee. "Sim" Wrenn and Norman Shepard, former Davidson battery, but now in school here will also be members of the New Bern club. "Lefty" Wilson will twirl for Tarboro, in the East Carolina League, and Bryson will occupy them out for Hamlet.

COXE'S FRESHMAN NINE
RETURNS FROM WINNING
TRIP THROUGH VIRGINIAPlay Fishburne, Woodberry Forest,
Augusta and Virginia Freshmen
While Away From Hill.

WIN THREE OUT OF FOUR

Leaving the Hill last Wednesday and returning the following Tuesday, the Freshman baseball team made a very successful trip, taking on games with Fishburne, Woodberry Forest, Augusta and the Freshmen of the University of Virginia.

The first game on the schedule was with Oak Ridge, but after three innings of consistent playing by both teams, the game was called on account of rain. The Oak Ridge team had a one run lead on the first year men with Ferebee and Starling as batteries for the Freshmen.

From Oak Ridge the boys went to Waynesboro, Va., where they met the Fishburne team. It was evident from the first that this was a hard fighting crew, and at the end of the third inning Finch, who had lost his control, but had allowed only two hits, retired from the mound in favor of Jackson, who held the "preps" to only three hits during the remainder of the game. The final score was 10-5 in favor of the Freshmen, who touched the Fishburne twirler for fourteen hits, John McCauley getting a home-run, and Jones and Starling 3 hits each.

Leaving Waynesboro the Freshmen went to Orange where they played Woodberry Forest. With Coltrane and Starling as batteries, the team, of '25 ran the score up to 7-2 in the 5th. inning. At this point Coltrane, who was going fine surrendered the mound to Billy Cox, who yielded only 3 hits during the remainder of the game and led the Freshmen to a victory of 9-4.

The Freshmen got 15 hits while Woodberry was able to get only 7. The big feature of the game was the hitting of Jones, Starling and Gibson.

The next game scheduled was with Virginia's Freshmen, but on account of rain this game was delayed until Tuesday. After spending Saturday in Lynchburg, the team left Sunday for Ft. Defiance where they locked horns with the hard fighting team from Augusta Military Academy. Coltrane pitched a splendid game for the Freshmen and had the lead on Augusta until the 8th inning, and in the 9th the score was tied, 6-6. In the last half of the 9th it was thought that an extra inning would have to be played and Ferebee was sent in to relieve Coltrane. The first man up flied to the left field but the ball was muffed by Gibson. This error, coupled with a bad throw from second to first and a single netted the winning run for Augusta. The final score was 6-7, Augusta getting 8 hits and the Freshmen 13. The big feature of the game was a spectacular catch made by John McCauley.

From Ft. Defiance the Freshmen left

PAN-HELLENIC SURPRISES
BY ELECTION OF TURNER"Dark Horse" Elected By Majority
of One Vote Over McGee, the
Board Nominee.

Thomas Turner, Jr., was elected fraternity manager of the 1923 Yackety Yack by a majority of one vote over Allen McGee at a meeting of the Pan-Hellenic Council, Thursday night. This came as a complete surprise because the recommendation of the Yackety Yack board this year was for McGee.

The board recommended ten men for associate editorships, from which the following six were selected: J. T. Barnes, Jim Kerr, Clayton Bellamy, Robert Thompson, Watts Hill, and C. J. Parker, Jr.

Drinking at the dances was discussed by the council and the pledge system received rather favorable comment. A committee composed of Tommie Hawkins, and R. B. Crawford was appointed to draft a resolution to be proposed to the council at a later date.

A committee was also appointed to procure the fraternity scholarship cup. Officers for next year's council are to be elected at a meeting to be held sometime next week. According to members of the council this last meeting was one of the most interesting ever held.

REGULAR SPRING FEED
WITH BOXING AND TALK

Lemonade, Sandwiches, Smokes
and Speeches Feature.

OFFICERS ARE INSTALLED

The sophomores held their annual blowout last Friday night at nine o'clock in Swain Hall, featured by the selection of the Boo-Boo Club, a fast boxing match, many speeches, eats and the installation of new officers.

The first course was grape fruit. Following this Coach Bob Fetzer gave a short address on mass athletics, stressing especially class athletics as a basis for varsity teams. Next came pink lemonade and sandwiches, which made such a hit that the Boo-Boo Club was passed as submitted without changing a single name, though there were many who had friends on whom they wished to bestow this greatest honor which the sophs have the power of conferring.

As soon as some degree of order was restored, Dr. H. D. Meyer spoke entertainingly and helpfully. A fast boxing match was staged in which Bill Smith won over G. F. Styfart on points. When the decision had been announced, President Ambler called for any business and Jim Bradley made a motion to appoint a committee to put through a project of the campus cabinet to establish social rooms in the dormitories. This motion was passed and Ragsdale, Purser and Hartsell were placed on the committee, with Bradley as chairman, to look after this matter.

After all business was finished President Ambler turned the meeting over to president-elect Coley who outlined briefly his plan for the coming year.

POSTMASTER ANXIOUS
TO KEEP LOBBY OPENWill Cooperate With Students in
Hiring Watchman so Building
May Be Left Open.

Postmaster Stroud, bothered by numerous complaints against the closing of the post office soon after mail time each night, is anxious, through the co-operation of the student body, to hire a guard to stay at the office and in this way to keep the place open until a later hour.

Should the office be kept open later than the time when the last employee leaves, the postmaster will be held criminally liable by the Government for any offence committed during his absence.

An order to this effect was issued the third of January 1921, but has not been in force until several days ago, when Inspector Franks, passing through, noted the condition and ordered that the office be closed in accordance with the regulation.

The postmaster wired at once to Washington telling the officials there that the Chapel Hill office had never obeyed the ordinance and that it would seriously inconvenience the people of the town and the students if it was enforced now. He received an immediate reply ordering that the office be closed.

LAUNDRY TO GIVE CASH
REFUNDS DURING EXAMSSurplus Cash of Laundry Fee Will
Be Returned—Laundry to Con-
tinue Through Summer.

Refunds in cash to all those who have not used up their laundry deposit will be made at the office of the laundry before examinations close, according to a statement made by Mr. Paulson Friday afternoon. He also stated that the University laundry would remain open and run in full force during the summer school period.

New improvements are constantly being added to the laundry building and equipment. This week two-venty-36 inch air fans are being installed in the rear wall which will permit a change of air over the entire building every two and one-half minutes. Many changes are to be made in the laundry system after this quarter. The wash room, and receiving and marking rooms are to be moved into the basement department.

Meeting of Year.

At Swain Hall, Wednesday evening at 9:00 o'clock, the outgoing senior class will hold its last meeting of the year the annual senior banquet. A very pleasing program has been arranged, and the permanent officers of the class will be elected.

L. J. Phipps, president of the class, will be toastmaster. The program will be as follows: address, Dr. Edwin Greenlaw; response, G. B. Porter; address, Dr. R. D. W. Connor; response, W. E. Horner; report of class gift committee, T. L. Warren, chairman; election of permanent class officers.

Engineer Freshmen to Make
Final Inspection Trip Soon

Under the direction and supervision of Prof. Janda, there will be held Tuesday, May 30, the final inspection trip by the engineering freshmen. This trip will be divided into an inspection tour of the sub-station of the Southern Power Company at University Station, and a field day, combined finally with a picnic. The party will be composed of all the freshmen in the engineering schools and of the faculty of those schools.

Prior to this final inspection of the sub-station, there have been inspection trips to the hosiery mills at Carboro and the Durham Traction Company at Durham. These trips are carefully supervised by members of the faculty from the engineering schools, who explain and instruct the boys as to any part of construction which they do not understand, the chief purpose being to give the freshmen an opportunity to know what practical and real engineering has accomplished and let them examine the construction so as to get an insight into practical engineering.

ANNOUNCEMENT.

The regular main meeting of the incorporators of the Carolina Playmakers will be held in Prof. Frederick H. Koch's office in the Library, Monday, May 29, at 7:30.

Takes Title In Tenth Inning
of Ragged Battle By
Score of 12 to 7.

Clayton scored five runs in the tenth inning against Winston-Salem on Emerson Field, Saturday, thereby winning the state high school championship game 12 to 7. Poor fielding on both sides allowed several unearned runs to cross the plate.

Clayton scored first in the fourth on Buckner's double followed by Matthews' single. Baucum then drove Matthews in with a single. Cofer, Winston's third baseman, made a pretty catch of Young's liner for the final out.

In the fifth frame, Winston forged ahead when Watkins singled, Veach fanned, and Connelly sent Watkins over with a single. Long walked, and he and Connelly crossed the plate on Joyce's hit.

Joyner's Twin City team scored four times in the seventh and Clayton came back with three in the eighth. The easterners tied the score in the ninth on hits by Hinton and Broughton and an error by Connelly. In the tenth inning, two singles and a triple by Sorrell, coupled with three errors gave Clayton five runs and the championship. Broughton and Sherron led in the hitting for Clayton, while Joyce was the offensive star for the Twin City bunch.

A. I. E. E. DANCE BIG
SUCCESS FRIDAY NIGHTCo-Eds and Engineer Students Cele-
brate Annual Function and Have
Enjoyable Time.

The student branch of the American Institute of Electrical Engineers gave an attractive informal dance in the co-ed room of Peabody building, Friday night. This is an annual affair and served as a finishing to the years work. The hall was decorated in the A. I. E. E. colors of blue and gray. Due to the ingenuity of some of the E. E. students the hall lights were arranged so as to give an iridescent effect which added successfully to the moonlight shadowing of a spotlight.

About twenty-four couples and a number of stags attended. The dance was chaperoned by Professors Lear and Daggett with their wives. The Committee in charge was composed of Chairman D. A. Wells and two representatives from each of the E. E. classes.

Music was furnished by the Carolina Trobadours and was pronounced good by everyone. Practically all the dance was full of life until the last strains of "Home Sweet Home" called the merrymakers away at 1:00 a. m. sharp.

The young ladies attending were Misses Russell, Brogden, Penick, Venable, Henderson, Andrews, Birch, Koontz, Woodrow, McIver, Greenlaw, Batts, Hughes, Branson, Toy, Price, Cutler, McMillan, Denham, Uzzelle, Hogue Boyd, and Noble.
