NEW YORK

HOTEL ASTOR

Where you breathe the sparkling atmosphere of that New York you have come to enjoy —

Where you are but a step from the play-houses and shops you have come to visit —

Where you find in your rooms the comfort and rest of your own home.

To have stayed at the Astor is to have lived in New York

SPRING PRACTICE BEGINS FOR NEXT YEAR FOOTBALL

About 75 Men Report to Coach Fetzer and Begin Ten-Day Training on Emerson Field.

With the baseball season ended and Coach Bill Fetzer on hand, spring football practice began Friday afternoon on Emerson field. Equipment was issued to about 75 men and the prospects are good for a snappy ten days of practice. A number of men from the first year reserve squad of last fall were out and looked good in starting.

Only a few fundamentals were set forth the first day. Coach Bill divided the squad into two sections, one consisting of backfield men and the other of line men. He himself took the backfield men and gave them instruction in proper position, starting, snatching the ball, and side-stepping. Bill Blount and Jacobi gave the line men points on position, starting, offensive and defensive line play, and snatching the ball. Followed a short session of forward passing and then Coach Bill gave the entire squad a short and meaty talk.

The Fetzer brothers are well pleased with football prospects for next year. Almost the entire varsity squad will return and several good men will be available from the freshman squad of the past fall. Several good football men have entered college since then in time to be eligible for football next year.

The University Masonic club gave a dance at its club house last Friday evening. The club is composed of University students and faculty members. Music was furnished by a Durham orchestra. A good number of out of town guests were present.

CHAMPIONSHIP TEAM IS BANQUETED BY CITIZENS

Chapel Hill Folks Entertain Baseball Men at Wonderful Feed Served A La Gooche.

Expressive of the friendly relation between the people of the community and the University, the citizens of Chapel Hill gave a banquet to Carolina's championship baseball team last Thursday evening a la Gooche. The team had their last enjoyable rally of the season and a table of good eats went down to defeat even as Virginia, N. C. State, Trinity, Georgia, Washington and Lee, Swarthmore and the rest had gone before.

Prof. "Billy" Noble sparkled with his wonted inimitable wit as toastmaster. Dr. Lawson made a comparative review of southern college baseball records since his own time, and made clear the unparalleled record of the 1922 Carolina varsity. Frank Graham, responding for the team, spoke of the loyal ties binding the town and the college, called on the players to dig deep into their books these last weeks, and to keep their amateur standing unquestioned during the summer months. Coach Fetzer emphasized two points of scholarship and summer baseball. He advised the men to play summer ball but to consult with him and Chairman Hobbs of the athletic committee in regard to its limitations.

Donnel Van Noppen, ex-president of the Y. M. C. A., came to the Hill Saturday to confer with the committee on plans for the reunion of the class of '21 at commencement.

The installation of the new Student Council will take place in chapel Thursday, May 25. President Porter will turn the reins of government over to president-elect J. O. Harmon who will then make his inaugural address.

SENIOR-FACULTY GAMES SCHEDULED THIS WEEK

Faculty Stars Report to Captain Hobbs—Games on Emerson Field Today, Thursday, Saturday.

Captain A. W. Hobbs, of the faculty ball club, formerly with the New York Americans, issued a call for all faculty athletes to report on Emerson field last Tuesday for the purpose of organizing a faculty team. As a response to this call Capt. Hobbs now has on his list: Mr. Frank Graham, an old Carolina player, Dr. Lawson, a former Varsity and Boston National star, Professors Haronian, Howell, Carroll, Woosley, Snell, DaShields and Royster.

The large number of men out is very encouraging to the captain, who has already scheduled three games this week, Tuesday, Thursday and Saturday with the Seniors. Several times during the last few years this team, composed of old leaguers, ex-varsity men and scrubs have been able to whip into shape a team which has blanked the Seniors. And this year with Mr. Haronian, a number one man who will hold down the hot corner, with two star twirlers, Capt. Hobbs and Dr. Lawson and with Prof. Graham, a fast man in the field, the faculty men are expecting to give the seniors a hot time.

Officers for Next Year Are Elected By Engineer Society

The civil engineering society held its regular meeting last Thursday and elected officers for next year. O. E. Martin was elected president, A. S. Chase, vice-president, H. A. Lawrence, secretary, and E. M. Knox, treasurer.

F. R. Bacon gave an account of an inspection tour to the difference hydro-electric plants in North Carolina and South Carolina, a trip made in connection with water power engineering and for the purpose of studying its development. L. J. Phipps spoke on the necessity of all-round development for engineering students. He urged a greater interest in college activities

and literary work.

On next Thursday the C. E. society will hold its last meeting for the college year. The feature of the program will be a talk by A. B. Hilsley of Charlotte, bridge engineer for the Southern Railway.

BROADWAY CAFE

Student Headquarters
Greensboro, N. C.

Your mother's fruit cake

Good as it is when made, it improves with age. That's the way with VELVET.

The choice sun-ripened Kentucky BURLEY tobacco that's used for VELVET is aged two years in wooden hogsheads until it's rich in mellowness and appetizing taste.

Prove it out in your pipe bowl.

Velvet

And as for cigarettes—
nothing less
