FRESHMAN DEBATING SOCIETY

The Freshman Debating Society held its second meeting of the year in the Di society hall last Monday night. An interesting open forum discussion was held on the type of work the society should do this quarter. The society meets again next Monday night at 7:15. The topic for discussion is: "Resolved—That the league of nations should exert itself to prevent the Turks from entering Europe."

GERMAN CLUB TAKES IN OVER HUNDRED MEMBERS

Initiation Fee Raised From Three to Five Dollars—Other Business Transacted.

The German club held its first meeting Tuesday night and 109 new men were proposed for membership and passed. The majority of these men passed are the new fraternity neophytes, but quite a few of the non-fraternity men also became members.

A motion to raise the initiation fee from \$3.00 to \$5.00 was passed, this fee to be paid two weeks from date the candidate's name is passed, else his name will be removed.

Howard Holderness, Clayton Bellamy, George P. Hunt and Bretney Smith were appointed as financial committee for the ensuing year.

A motion to have every order or class pay the same amount per hour for their music as the German club was passed. The meeting was conducted by President Robinson and was carried through in a minimum of time for the amount of business completed.

PAUL GREENE'S PLAY APPEARS IN POET LORE

The play, "The Lord's Will," written by Paul Greene and produced by the Carolina Playmakers last spring, appeared in the autumn number of Poet Lore. Mr. Greene, a graduate of the class of 1921, who was a teaching fellow in English at the University last year, has written several plays for the Carolina Playmakers, a student organization which seeks to stimulate interest in folk lore plays dealing with life in North Carolina. By its excellent productions the organization has won national reputation as the foremost of its kind in the country. Mr. Greene is now a student of philosophy in Cornell University.

LOVICK KERNODLE WEDS MISS LUCILLE HOLMES

Last Wednesday night Mr. Lovick H. Kernodle, better known to the campus as "Lob," and Miss Lucille Holmes, both of Graham, were united in bonds of matrimony.

"Lob" made his letter in football for the past two years and was a tackle of considerable reputation. He has a pleasing personality and was popular in many fields of University life. Mrs. Kernodle is one of the prettiest young ladies of the state and has a large circle of friends.

William Scott, last year law student, was best man, and William Gaither one of the ushers. The wedding ceremony at the First Baptist church was said to be one of the prettiest ever solemnized in Graham. The bride and groom were previously showered with all kinds of home accessories.

A large dinner party was given Tuesday night in Greensboro in their honor by members of the Sigma Chi fraternity, of which Kernodle is a member. After their honeymoon the newly-weds will settle in Graham, where the erstwhile football tackle is hitting the line hard, only his line now is the practice of law.

NORTH AND SOUTH CAROLINA TO BATTLE ON EMERSON FIELD

(Continued From Page One)

Carolina will enter the scrap bent on revenge for the defeat handed them on Riddick field last October when "Runt" Faucette gathered up a Carolina fumble and raced 30 yards for the only touchdown of the game.

By defeating Randolph-Macon 20-0 in the opening game of the season and by holding the strong Washington and Lee team to a 14 to 6 score last Saturday the "Wolfpack" showed that Coach Hartsell has succeeded in bringing together a combination that will be heard from as the season progresses.

A special train will carry the Carolina student body to Raleigh to witness the struggle. At least 1500 men are expected to be on board to root for their team.

The S. A. E. fraternity has sent out invitations to a dance to be held in their hall Friday night. This is the first dance of the year in Chapel Hill.
