FIRST YEAR RESERVE IS TO BE BUILT UP IN THE FORENSIC ACTIVITIES HERE

Debate Council Inaugurates Plan
Whereby Freshmen Will Be
Given Incentive to Work.

WILL IMPROVE DEBATING

At a meeting of the debate council Saturday afternoon a program was adopted which is expected to place the debating and oratorical program of the University on a higher plane in the years to come. Two new freshmen contests were outlined and plans were made for the carrying out of these proposed contests. One of these is a freshman declamation contest to be conducted similar to the junior oratorical contest. There will be chosen two members from each society on a competitive basis to contest for a \$10 gold medal. This contest is expected to draw a large interest from the men who have just come from the high schools and are filled with declamations. This contest will take place in the winter quarter.

The other contest is a triangular freshman intercollegiate debate with probably Trinity and Wake Forest, if these colleges can be interested. This contest is to come off some time during the spring quarter.

These contests will put the debating program of the University on the same basis as its athletic program—that is, of having a reservoir of material from which to draw varsity material. These contests will also help to put more interest in forensic contests.

The council also decided the wrangle on the Mary D. Wright debate. The Phi presented two queries to the Di from which the Di will choose a query and side not later than today noon. At a later meeting of the debate council a set of regulations will be drawn up in written form to govern future contests between the two societies. The intercollegiate program was also discussed but nothing definite was decided upon.

Engineer Society Is Organized For Year

The William Cain Student chapter of the American Society of Civil Engineers held its first meeting of the year last Wednesday. This was strictly a business meeting, as an outline of the year's work was discussed, and various committees appointed.

In preparation of this outline several members made short talks. G. M. Braune, professor of civil engineering, then explained the connection of the local society with the American Society of Civil Engineers. He further explained the purpose of the organization to be the discussion of present-day engineering problems, and to afford its members an opportunity to put their ideas before the society in a clear-cut and concise way.

This gives a two-fold advantage in that the engineering student does not only exchange his ideas with the other members of the society, but is trained to express himself clearly and forcibly before any group.

CHEMISTRY CLUB HAS ORGANIZATION MEETING

The Carolina Alembic Club of the chemistry department of the University was organized last Friday afternoon. The club was formerly known as the Journal Club, but was reorganized this year under the new name. W. B. Smoot is the new president, Lawrence Phillips secretary, and Miss Lillie Cutler, reporter.

The purpose of the club is to discuss chemical problems and have technical articles presented by various members for consideration. Any student of the University who has had at least one year of chemistry is eligible to attend the meetings, whether he or she be a chemical engineering student or not.

The meetings will be held every Friday afternoon at 4:30 in the Chemistry Hall. Twenty students were present at the initial meeting.

MEYER TO DISCUSS BOYS' WORK IN "Y"

Professor H. D. Meyer, of the department of sociology, will lead a discussion group on boys' work every Friday night at 7 o'clock in the "Retreat" at the Y. M. C. A. Mr. Meyer's outline calls for 15 meetings during the year. H. D. Farrell, leader of the Chapel Hill Boy Scouts, is student chairman of the meetings, the first meeting having been held last Friday night.

BONE DRY ENFORCEMENT IS VOTED BY DI SOCIETY AFTER WARM DISCUSSION

Twelve Men Take Part in Debate,
Six on Each Side—Constitutionality
is Waived.

SEVEN NEW MEMBERS

With twelve men taking part in the discussion, six on each side, the Di Society went on record as a "bone-dry" body by a close vote after a heated argument lasting until late into the night. The query was: "Resolved—That the Di Society go on record as favoring the modification of the Volstead Act, so as to permit the use of light wines and beers."

The following men took part in the discussion: Affirmative—J. M. Brown, A. A. Feagan, Thomas Turner, H. C. Klingenschmitt, F. W. Hamrick and E. L. Justice; negative—A. F. Raper, C. N. Deaton, Earl Drake, S. M. Cathey, M. L. Shepherd and A. D. Walser.

The chief contentions of the affirmative were best expressed by the first two affirmative speakers, Mr. Brown and Mr. Feagan, namely: (1) that the majority of the people of the country are not in favor of prohibition as shown by the recent Literary Digest polls, (2) that the law is not and never can be enforced. Mr. Hamrick took the rather unique position that although he was in favor of prohibition, yet he believed that the lawful use of light wines and beers would stop the use of bootleg whisky and other strong and poisonous drinks.

On the other hand, Mr. Raper expressed the sentiments of the negative by stating that the Literary Digest polls were not indicative of the people's will. Mr. Drake and Mr. Cathey summed up the argument of the negative, however, by showing that modification was only a step toward repeal. The question of constitutionality was waived throughout the debate by a previous vote of the hall.

Under business, a resolution was passed providing that initiations be held only on the last Saturday in every month, with the exception of the first four meetings of the year. The hall also voted to cease the payment to the Extension Division of the University for high school debaters medals.

The following men were initiated into the society: W. McN. Carpenter, Greenville, S. C.; L. A. Crowell, Lincoln; H. L. Thach, Auburn, Ala.; C. W. McAnolly, High Point; J. S. Smith, Jr., Asheville; Roy Armstrong, Spencer; Pierce Matthews, Asheville.

LIBRARY ASSOCIATION OF STATE HAS DISTRICT MEET

Durham-Raleigh Division Holds Regular Fall Assembly at Chapel Hill—Many Visitors.

The Durham-Raleigh district of the North Carolina Library Association held its regular fall meeting here today. In this district there are 45 librarians and about 35 of these were present today for the purpose of becoming more intimately acquainted with each other personally and to discuss general library work.

Among the speakers on this occasion were A. C. Hibbard, of the English department of the University, who spoke on "The Literature of the South," A. F. Griggs, on "The 25th Anniversary of the Durham Library," and Mrs. Charlotte Williamson, librarian of the State College, who spoke on "The Lack of Reading Among Students." Other speakers were: Miss Fargues, of Raleigh; J. P. Breedlove, Miss Mary B. Palmer, secretary of the association, and Dr. L. R. Wilson, University librarian.

CALENDAR

Tuesday:

Le Cerele Francais meets at 7:30 in "Y."

Supper in the Presbyterian Social Rooms at 6:30 p. m.

Wednesday:

Band practice in Old East at 8:30 p. m.

Y. M. C. A. Supper in the social rooms Presbyterian church at 6:30 p. m.

Friday:

11:15—Compulsory chapel attendance for freshmen, sophomores and juniors.

VARSIITY TAKES EIGHT DAY REST BEFORE GAME WITH MARYLAND

Is Sorely Needed After Strenuous Schedule Calling for Four Games in Thirteen Days—Team Is in Good Shape—Maryland's Record Poor—Comparative Scores 1921-22.

The Carolina varsity has survived one of the hardest tests that a football team can be given—that of playing four games in the short period of 13 days. None of the players received more than minor injuries and all are expected to be in good trim for the Maryland contest here Saturday, as they have an eight-day rest between the Fair Week game and the coming fray.

While Carolina and State were recovering from their terrific fight, several games that will have important bearing on the South Atlantic championship were played. Davidson surprised the entire South by holding the V. P. U. grid machine to a 7-7 tie. The Wildcats claim the distinction of never having lost a football game on their home ground. This fine record was almost broken Saturday, but a 75-yard dash by Laird, a Davidson substitute, tied matters up.

V. M. I. secured revenge for the defeat received at the hands of Virginia last year by defeating the Old Dominion on Lambeth Field 14 to 0. White, the Cadets' fullback, was the big noise, although the opposing guard captains, Hall of Virginia and Harrison of V. M. I. played splendidly on the defense.

Maryland lost to Princeton 26 to 0. Coach Byrd's charges have not scored against a strong opponent this season. Richmond, Pennsylvania and Princeton have all blanked the College Park aggregation, while 33 to 7 against Randolph-Macon is the only bright spot on the Maryland record.

The Black and Gold defense is strong, as it usually is. Captain Nesbit, a Charlotte boy, is perhaps the best player in the Maryland line. Brainer at right end and Bailey at center have demonstrated their high ability many times.

"Untz" Brewer, Maryland's famous punter of last year, has graduated and his wonderful kicking is greatly missed. Coach Byrd has a fast quartet in the backfield, composed of Groves, Pugh, Semler and McQuade. Semler is considered one of the best broken field runners in this section, and it was his brilliant end runs that defeated the Tar Heels here in 1920.

Carolina has bettered last year's record in every game so far. Comparative scores are:

1921	
21—Wake Forest	0
0—Yale	34
7—South Carolina	7
0—State	7
28	48
1922	
62—Wake Forest	3
0—Yale	18
20—Trinity	0
10—South Carolina	7
14—State	9
106	37

FOOTBALL RESULTS SATURDAY

Davidson, 7; V. P. I., 7.
Lynchburg, 20; Wake Forest, 7.
William and Mary, 13; Trinity, 7.
V. M. I., 14; Virginia, 0.
Tulane, 18; Camp Benning, 0.
Princeton, 26; Maryland, 0.
Yale, 38; Williams, 0.

Phi Has Short But Interesting Meeting

The meeting of the Phi Assembly on last Saturday night was a short but impressive one. According to an announcement of Speaker Young, the meetings throughout his term of office will be short, but filled with progressive action. In order to have the maximum amount of time for the discussion of bills and resolutions, the business was dispensed with first, instead of last, as was the custom. The meeting opened with the initiation of four new men, after which the assembly was thrown open to reports from standing committees.

The constitutional committee, which was appointed to present and consider advisable amendments to the constitution and thus place the meetings on a more efficient plan, gave its report on a few constructive changes, which were passed unanimously. The committee appointed to present a subject for the annual freshman intra-society debate announced the query decided upon as: "Resolved—That the recent Soldiers' Bonus Bill as presented by Congress should be adopted."

In conjunction with this announcement was one made by the debate council to the effect that plans are being put under way for the staging of an annual freshman inter-collegiate debate, the triangle to be formed by Trinity, Wake Forest and Carolina. According to the debate council plans are also being developed to have an annual freshman declamation contest for the two societies. This enlarged program is being instigated in the hope of creating a greater interest in literary society work among the new men.

Following the business were two instructive and helpful talks by H. D. Meyer, of the sociology department, and G. M. McKie, professor of public speaking.

A motion was then presented and unanimously passed to appoint a committee to draw up and present some expression of the Assembly's sympathy to Dr. Horace Williams in regard to his recent bereavement in the death of his wife.

The following resolution was read and discussed, after which the society adjourned until its next meeting: "Be it resolved, that the Phi Assembly go on record as favoring that the student body be limited to a specified number of men for the reason that only a certain number can be adequately and properly cared for, since there is limited (Continued on page two.)

WITCHES ARE TO HOLD FORTH ON HALLOWE'EN

Woman's Association Will Give Annual
Carnival in Y. M. C. A. Building
—Many Thrills Promised.

Bewitching witches, ghosts and goblins, alias Carolina co-eds, will haunt the campus next Saturday night, proceeding from the Cave of the River Styx (alias the Y. M. C. A. building), which will be the center of activities for Halloween celebrations. Weird forms will be seen to stir the boiling cauldron over the huge bonfire in front of the "cave," while on the inside soothsayer-ettes and palmists will unfold to the amazed freshman or senior, as the case may be, his destiny in this world and in the world-to-come.

Miss Elizabeth Branson, chairman of the Halloween Committee of the U. N. C. Women's Association, has announced that the admission to the "cave" will be free, and that the performance inside will take the form of the annual carnival which has been the custom for the woman's association to hold at this season every year. Upperclassmen will remember the huge success of the carnival last year and will turn out in large numbers, while the freshmen are earnestly requested by the our fair fellow-students to come out and give it the "once-over."

Miss Branson also announces that the admission to the various side shows will be very reasonable so that all students can afford to patronize several of them.

Miss Henderson To Spend Year In Japan

Miss Curtis Henderson, daughter of Dr. Archibald Henderson, sails for Tokio, Japan, November 2, where she will visit Captain and Mrs. Lyman Cotton. Captain Cotton is United States naval attaché in Tokio for the second period, having served three years before the war, and is of high rank in the American embassy to Japan.

Dr. and Mrs. S. B. Kibby, of Boston, will accompany Miss Henderson. The trip will be made via Philadelphia, Chicago and San Francisco. A stop of 24 hours has been planned at the Grand Canyon of Colorado.

From San Francisco the party will sail direct to Tokio on the liner President Wilson. Miss Henderson will be in Japan for the better part of a year. Most of her time is to be spent in travel throughout the Orient, observing art and custom in the East. Her return will be through Europe, visiting especially France, Germany, The Netherlands and England, possibly Italy and Switzerland. Upon returning to the States Miss Henderson expects to again take up her studies at the University.

Professor W. S. Bernard gave an illustrated lecture in Oxford Friday, October 21.

FRESHMAN RALLY LAST QUARTER AND PUT OVER TOUCHDOWN TYING SCORE

Maryland Leads in First Half But
Savage Offense and Forward
Pass Knots Score.

TEAM SHOWS UP WELL

Coach Alexander's first-year reserves held the Maryland University freshmen to a 6-6 tie in the opening game of the season at Washington, D. C., Saturday afternoon. The freshmen trailed Maryland the greater part of the game, but in the last quarter a savage offense was launched which produced the touchdown necessary for a tie. A forward pass Devin to Underwood finally put the ball over.

The entire team showed up well. But the playing of Jones and Epstein at ends, Griffin's ability to circle end for consistent gains during the whole game, and the forward passing combination Devin to Underwood deserve especial mention.

The line-up:

Carolina	Maryland
Position	Position
Hodges	Henderson
Ashman	Hall
Sherlock	Bonnet
Roberson	Dorsett
Taylor	Herzog
Brown	Lenigan
Jones	Comer
Devin	Parker
Underwood	Armstrong
Foy	Wilton
Griffin	Supple
Fullback	
Score by periods:	
Carolina	0 0 0 6-6
Maryland	0 6 0 0-6
Referee, Peak (V. P. I.); Umpire, Appleby (Maryland); Head linesman, Spinney (Johns Hopkins). Time of quarters, 12, 10, 12, 10.	

STUDENTS FROM ABROAD GUESTS OF VOLUNTEERS

Student Volunteer Band Entertains
Seven Foreign Students in Social
Rooms of Presbyterian Church.

The Student Volunteer Band gave a delightful entertainment in honor of the seven foreign students of the University in the social rooms of the Presbyterian church last Friday night. The program consisted of numerous games, songs and talks.

Dean F. F. Bradshaw gave an interesting talk on "A State University and Foreign Students," in which he extended a hearty welcome to the foreign students on behalf of the University. Miss Pritchard, traveling secretary for the Student Volunteer Movement, told of the numerous opportunities in the foreign field for college men. J. A. Bradley, of the junior class, chairman of the committee, attempted to correct the foreigners' false impression of Americanism which holds money as the deity.

The entertainment part of the program was in charge of Miss Mattie Smith and Miss Sanders, of the senior class, and was voted a huge success. Hot chocolate and cakes were served.

The following are the names of the foreign students present, with their home addresses: Miss Edith Moore, Chulwon, Korea, Asia; Miss Kiku Maeshima, Tokio, Japan; D. B. Kirtiker, Bombay, India; Urbano Soler, Santiago de Cuba; C. C. Hsiung, Nan Chang, China; Maximo Soler, Santiago de Cuba; Yutaka Maechima, Tokio, Japan.

SIGMA UPSILON INITIATIONS

Sigma Upsilon, national literary
fraternity, initiated the following
men Saturday night:

M. B. Kitchin,
E. H. Hartsell,
R. S. Pickens,
C. B. Colton,
G. W. McCoy,
W. C. Proctor,
G. Y. Ragsdale.

CAMPAIGN FOR "Y" GETS UNDER WAY WITH MUCH ENTHUSIASM MANIFESTED

Supper at Presbyterian Church
Gives Requisite Amount of
"Pep" to the Canvassers.

RAGSDALE IS MANAGER

With plenty of pep, vigor and vim, the University Y. M. C. A. gave its annual campaign among the students and faculty a rousing send-off at a supper held in the social rooms of the Presbyterian church last night, with 115 men present. President W. C. Riddick, of State College; Dr. F. P. Venable, of the chemistry department; Dean D. D. Carroll, of the School of Commerce, and Dean A. H. Patterson of the School of Applied Science, were the principal faculty speakers at the supper, while Alan McGee and C. C. Poindexter voiced the student sentiment regarding the "Y," her demands, and her right to make such demands.

The campaign began at the conclusion of the program and although returns are not yet available, all indications are that the drive will go "over the top" in great shape.

Manager G. Y. Ragsdale of the financial campaign opened the drive by a contribution of \$15, and other members of the canvassing committee followed suit with their subscriptions. Ragsdale states that the campaign will not officially end until the "Y" has a card giving the pledge of every student, his cash or his reason for not subscribing, and states his belief that no man can give a satisfactory reason for neither signing the pledge card for some amount nor paying cash. He adds, however, that all reports are expected to be in by 6 o'clock Wednesday afternoon, at which time the committee will have a closing supper.

President C. C. Poindexter presided at the supper and presented "Parson" Moss of the Presbyterian church, to represent the board of trustees of the "Y," as the board's chairman. After Dr. Moss, the following men spoke on the subjects named: Dr. F. P. Venable, "The Place of the 'Y' in the University's Life;" President W. C. Riddick of State College, "A Word From State College;" Dean A. H. Patterson, "A Brief History of the Carolina Y. M. C. A.;" Alan McGee, vice president of the "Y," "The Relation Between the 'Y' and Other Student Activities;" Dean D. D. Carroll, "The 'Y' as a Community Investment;" Secretary H. F. Comer, "The Expansion Idea."

The campaign committee is elaborately organized. G. Y. Ragsdale is general manager of the campaign and 15 captains have been chosen to lead various canvassing committees, among whom the campus and town are divided.

John Hutchins Pays Visit To Carolina

John Hutchins, star end and fullback on Coach Fuller's 1920 team at the University, was here Sunday visiting friends. He is playing fullback on the Carson-Newman University team this year, and is making a wonderful record in Tennessee football circles.

Carson-Newman is coached by Tom Moran, whose father is the famous Center College coach. Although a comparatively small school, Carson-Newman has a strong team, holding Washington and Lee to 13 and 7 this fall. Hutchins made both the touchdown and extra point in that game, and scored five touchdowns against Athens College.

Saturday being an open date on the Carson-Newman schedule, "Johnnie" ran over from Jefferson City, Tenn., for a day or so. The Carson-Newman eleven, of which nine are freshmen, plays Camp Benning Saturday. Out in Tennessee they think that Tom Moran will eventually build up a team that will equal the great Centre machine. One thing is certain, he has a capable fullback to begin building with.

PHI DELTA PHI INITIATION

The local chapter of Phi Delta Phi, national legal fraternity, initiated four neophytes Friday night. A banquet at the "Y" served to reassure the novices that there are roses among the thorns. The following were initiated: Alexander E. Cook, Fayetteville; Luther Hartsell, Concord; Thos. S. Kittrell, Henderson, and Charlie Stroud, Greensboro.

The Halifax County Club met for the purpose of organization in the club room of the Y. M. C. A. last week. The club numbers about 20 members.
