

FIRST WRESTLING MATCH IS DEFEAT FOR CAROLINA AND VICTORY FOR TRINITY

Captain Midgett Stars for Methodists But Loses to Poindexter on Points.

THE FINAL SCORE IS 23-8

The University's first intercollegiate wrestling match ended in a defeat by Trinity, 23 to 8, before a good crowd in the Bynum gymnasium last Tuesday night.

In the 119-pound class, Hardaway of Trinity threw Schwartz in 6 1-2 minutes. In the 129-pound class, Daniels of Trinity won from Hagan on points.

In the 139-pound class, May of Trinity threw Vick in 4 minutes. In the 149-pound class, Mathewson won five points for Carolina by throwing Harrell in 5 minutes.

In the 162-pound class, Midgett of Trinity threw Waters in 5 minutes. Midgett also threw Fowler, 175-pound class, in 6 minutes. In the unlimited-weight class, Poindexter won 3 points for Carolina by winning from Midgett on points.

Baily, Trinity's coach, and A. A. Shapiro, Carolina coach, were referees. The time of the periods was nine minutes.

Wrestling has been established here through Dr. Lawson and Mr. Shapiro, who hope to make it a letter sport.

The schedule has not been definitely arranged, but teams throughout the Carolinas and Virginia have been approached.

No captain has yet been elected for the team. The proceeds from the match will be used in buying uniforms.

Flu Epidemic Not Cause For Alarm

During the past two weeks the spread of a mild type of influenza has caused some little comment. A few cases of this "flu" have been cared for at the infirmary each week since the fall quarter opened.

Dr. Abernethy says that there is no reason for alarm, as the "flu" differs greatly from that which swept the country in 1918. The usual case only has to stay in bed for 48 hours. The only danger is when some one tries to fight the disease by keeping up and at work.

By doing this a mild case of "flu" may be changed into a serious case of pneumonia. Ordinary care, with sufficient exercise and sleep, should be enough protection.

Only sixteen cases of "flu" have been cared for in the infirmary in the past week; there are eleven down with it at present. One case of pneumonia has been recorded.

Cross Country Run Goes to N. C. State

By taking second, third, and fourth places, the N. C. State team emerged victors in the second annual intercollegiate cross-country run here Saturday afternoon. First place went to Ransom of Carolina who led the field over practically all of the three-mile run and finished at least 50 yards ahead of his nearest competitor.

State scored nine points, Carolina 15, Davidson 34, and Trinity was ruled out because only two men entered the race.

Of the sixteen men in the race six represented Carolina, four were from State, three from Davidson, and two from Trinity. It was agreed that only the first three on each team would be allowed to score.

The six Carolina men were Ransom, Parker, Fowler, Wells, Keeler and Milstead.

BAND HAS BECOME VERY MUCH ALIVE

There is an activity on the campus which has already demonstrated to the student body that it is very much alive. That is the band. Since the band has been under the active leadership of Mr. Sheldon it has progressed very rapidly.

BUSINESS MANAGER RESIGNS

L. J. Brody, business manager of the Tar Heel, has resigned, effective with the first issue of the new year. Too much work is the reason Brody assigns for his action, stating that he wishes to put more time to his studies and the management of the Boll Weevil.

SWAIN HALL WILL HAVE SERVICE MUCH IMPROVED

Ten Men to Table Instead of Eighteen—Walters Will Pay a Third of Their Board.

After Christmas the style of service at Swain Hall is going to undergo a radical change, according to an announcement just out. The tables of eighteen men are to be reduced to tables of ten men, and the food is to be carried to the vicinity of the table by large wheeled carts, instead of by hurrying waiters, as now.

The management of Swain Hall has long felt the need of some means of improving the service. It has been the aim of the management to make Swain Hall a gentleman's boarding house, rather than a mere beanyery, and it is with this in view that the newest reform has been planned.

The group of ten around a small table, it is felt by the management, will be far more congenial and conducive to good fellowship than the present system. A boarder will get to know his fellows who eat at the table with him, conversation will flow more freely, and a clique may be more easily formed.

One disadvantage of the system to be put into effect is that each student waiter will have two tables, or twenty men, instead of the present eighteen at one table. He will be able to take care of these men because he will be assisted by the wheeled carts.

Some little saving will thus be made by the Swain Hall management, and it is intended that anything saved in this way shall go into the giving of better food to the boarders.

Some little saving will thus be made by the Swain Hall management, and it is intended that anything saved in this way shall go into the giving of better food to the boarders.

Koch Gives Lecture On Folk Playmaking

Yesterday afternoon Mr. Frederick H. Koch lectured before a large gathering of the Arts Association in 200 College Hall, on Folk Playmaking. Mr. Koch, who has done much in developing amateur productions in North Dakota and North Carolina, showed many pictures of open air theaters and amphitheaters and outlined their advantages.

His slides made of the Shakespearian interpretations and scenes taken of productions in North Dakota were especially interesting to the audience when he told that these people had in many instances never seen a play of Shakespeare's. However, he brought out that the play whose subject was of a local nature took better, but that all plays produced under such circumstances were already paying for themselves.

Mr. Koch's lecture gave many hints to anyone who aspires to writing of a dramatic nature. He believes that in giving the natural talent of the country, however crude it may be, a chance for expression, some great dramatist may be discovered. In order to carry out this plan he proposes the establishment of theaters at all state universities, where amateur plays may be produced.

Election of football captains by the various colleges and universities for the 1923 gridiron campaigns discloses an unusual preponderance of linemen chosen as field leaders. While a number of colleges have delayed selecting new leaders, a list of 36 embracing the South, East and Middle West shows 26 linemen and 12 backs elected.

"GIVE THE SCRUBS CREDIT" SAYS COACH BOB FETZER IN INTERVIEW

Coaches Are Appreciative of Great Work of Second String Men—"They Get the Bumps"—Well Satisfied With Wonderful Season, Letter of Appreciation Is Sent to Members of the Squad.

"The coaches wish to express their most sincere thanks and appreciation of the faithful work and loyal devotion of the second team men or scrubs," stated Coach Bob Fetzer in an interview, commenting on the recent very successful football season, and bringing out a point that is generally overlooked by the student body and football fandom as a whole when singing their praises for the varsity over the glory of victory.

"In our coaching experience we have never had a more eager, earnest, and willing squad of second string men," he went on to say. "They are the truly great, for they gave freely of their ability and worked faithfully for the success of the varsity, whose glory they are seldom allowed to share."

Coach Fetzer declared that, in athletics, as in all phases of life, there is always a story of struggle and hard work, and he asserted that the brilliant record made by the Carolina football eleven this fall could not have been had every man on the squad not done his best and exerted his utmost.

"After all," he said, "it is the scrubs that get the bumps and are the backbone of the team, and yet never receive the proper credit. Only those on the inside know the true value of this all-important portion of the football squad, and it is in the hope of directing some small part of the praise for our glorious season to these second team men, and in an effort to make them feel that they had a real part in making the season such a splendid success, that I give out this statement."

Coach Fetzer seemed mighty well satisfied with the outcome of the season, and thinks that prospects for next year's team are exceedingly bright. He is anxious that the student body respond in whole hearted spirit and co-operation the remainder of the year in order that in the other branches of sport Carolina will be able to come through with colors flying.

An expression of appreciation from

the coaches for the work of the squad is embodied in a letter sent to each member by Coach Bob Fetzer. It reads as follows:

"December 12, 1922. "The 1922 Football Squad, "Chapel Hill, N. C.

"As a member of the 1922 varsity football squad, you have just finished one of the most successful seasons in the history of the University, and have had a real part in establishing a name and record that will live and grow brighter long after your football togs have molded and been added to the scrap heap.

"The record of the 1922 season has been made and closed forever, but the spirit that made such an enviable record possible has only reached its infancy. While your physical deeds are done for this year, and while some of you will never appear again to champion the name of U. N. C. of all you have a wonderful and glorious opportunity to keep alive, to nourish and foster, by your words and deeds, that indomitable spirit that has been the backbone of your success, and that should characterize every athletic team that represents the University in future years.

"As on the football field you have refused to acknowledge defeat, and have responded unflinchingly to every call for service and sacrifice, so let each and every one of you register a solemn promise to do your part to maintain and develop at the University a spirit that recognizes and rewards service, that subordinates self; a spirit that makes possible the blending of all into one harmonious unit; a spirit that is generous and liberal to our rivals and sportsmanlike to the very core; a spirit that values effort above scores, that glories in victory only as a reward of conscientious and persistent effort, and accepts defeat with quiet determination to profit by it and do better next time.

HIBBARD IS CHAIRMAN OF POETRY COMMITTEE

Movement on Foot to Organize Poetry Society in North Carolina—Much Interest Being Shown.

To cultivate intelligent appreciation for poetry and to encourage the writing of verse in the state of North Carolina, are the two underlying purposes of a poetry society which is now in process of organization in this state.

A meeting was held last week in Raleigh at the offices of the Historical Association, to perfect preliminary organization of this society. It was attended by twelve persons who are enthusiastic over the prospect. At this meeting it was decided to present a petition to the State Library and Historical Association asking the president of that body to appoint an organization committee. This was done, and the following committee was appointed: C. A. Hibbard, Chapel Hill, chairman; Nell Battle Lewis, Raleigh; Roger McCutchen, Wake Forest; N. L. White, Durham, and Gerald Johnson, of Greensboro. The purpose of this committee will be to investigate the sentiments of the people throughout the state. If interest develops—and it is thought that it will—another meeting will be held next year. By thus beginning at the bottom and working up, the committee hopes to build up a strong support for this much-needed institution.

It was also decided that cash prizes should be given to writers of good poems in the state.

GUILFORD CLUB MEETS

The Guilford County club met in the club room at the Y. M. C. A. on Monday night, December 11, with an attendance of 21 members. Since this was the first meeting of the year, the club was organized and officers elected. C. C. Fordham was elected president, William Hunt vice president, and J. B. Fordham secretary, treasurer and press reporter. It was decided that the club should have a smoker after the Christmas holidays and a committee was appointed to make arrangements for it. After a short discussion of the objects and aims of the club, the meeting was adjourned.

NEW LAW REVIEW MAKES ITS SECOND APPEARANCE

First Issue Made Very Favorable Impression in Legal Circles—Three More Issues Scheduled.

(By M. R. KITCHIN)

The second issue of the North Carolina Law Review made its appearance on the campus Tuesday. This is the first number this year to appear, and other numbers are to follow in January, April and June, respectively. Although the appearance was later than schedule time called for, the Review staff cannot be blamed, as the type of work presented will not bear hurry, and first issues of new publications are produced under many handicaps. The attractively shaded pearl-grey cover, with contents listed on the front cover, is pleasing and attractive to the layman eye. The Review announces its membership in "The University of North Carolina Press," a non-profit corporation controlling all University publications, of which L. R. Wilson is president and Louis Graves is secretary. It is to be hoped that the deplorable failure that existed last year in not having a sufficiency of copies published will not be duplicated this year. The Review announces demands as still coming in for the first issue, which are unable to be met.

Under the heading, "Articles," an article on the child labor problem discussing the difficulty met with in securing national law on this social problem is presented by Thomas R. Powell, of Columbia. "Special Tax School Districts in North Carolina," by A. C. Mc-

SCHEDULE OF EXAMS table with columns for dates and times of exams for various classes.

CHRISTMAS CANTATA SUNDAY

A Christmas cantata, "The Story of Bethlehem," will be given at the Presbyterian church on Sunday evening, December 17, at 7:30 o'clock. The chorus consists of the union of the choirs of the Chapel Hill churches and the choir of the First Presbyterian church of Durham.

CAROLINA QUINT MEETS DURHAM 'Y' TOMORROW

Fast Contest Will Take Place in Bull City—Team in Splendid Shape.

Carolina will play the first basketball game of the season tomorrow night when Captain McDonald's team meets the Durham Y. M. C. A. on the latter's floor. The Blue and White quint is in splendid shape for the contest which should be one of the hardest fought games on the schedule.

The varsity line-up will be "Sam" McDonald and Green, forwards; Carmichael, center; Mahler and Neiman, guards. "Monk" McDonald will not be out until after the holidays, and in the meantime "Cart" Carmichael, 1922 captain, will lead the team.

Durham Y. M. C. A. has another strong quint on the floor this year. Although the loss of Leo Mangum will be felt considerably, the supply of stellar material on the "Y" squad has not been exhausted by any means. Starling, a former Trinity forward, "Sis" Perry, Knight, Heflin, and Jess Erwin, an old Carolina guard, are known all over the state as players of more than ordinary ability.

In 1921 Carolina defeated the Durham outfit 22 to 15 and 44 to 25. Last year the "Y" basketweavers turned the tables on Coach Fetzer's five and won both contests, 46 to 25 and 41 to 18. It is now Carolina's turn to be victorious and the present team appears to be equal to the task of "bringing home the bacon."

Registrar Attends New Orleans Meet

T. J. Wilson, Jr., University Registrar, attended the meeting of the Association of Colleges and Secondary Schools of the Southern States which was held at New Orleans, Tuesday, December 5-8. He was the only delegate to the meeting from Carolina. Dr. Chase was to go but he was taken sick and had to remain at home. A. H. Patterson attended the meeting, not as a delegate but as a member of a committee from the S. I. A. A. to make a report of that association to the meeting. Athletic rulings to be included among the standards to which all members must conform were laid down.

Officers were elected and Richmond, Virginia, was chosen as the meeting place of next year's conference, which will be the 25th annual convention. Dr. Chase was elected to membership on the executive committee.

Holt Scholarships Are To Be Awarded

Applications for the Lawrence S. Holt, Jr., scholarships should be made to the President and must be on file in the office of the President by the 20th of this month, December. These scholarships were awarded last year for the first time. They are worth one hundred and twenty-five dollars each, and are given one to some member of each of the four academic classes.

The awarding of the scholarships is in the hands of a special committee, and the basis on which awards are made are: (1) need of financial assistance, (2) record as a self-help student, (3) committee's estimate of the applicant's worth and promise, and (4) scholarship.

Letters of application should be framed with these points in view. Applicants need not give college grades, as the Registrar's office will furnish them. Personal interviews may be requested; the letters of application will determine this point.

PRESIDENT CHASE BETTER

President Chase, who has been confined to his home for several days on account of an attack of flu, is very much improved and will be out again in a few days.

ASHEVILLE-NEW BERN GAME PROMISES TO BE EXCITING END OF FOOTBALL SEASON

Contest Postponed for Week on Account of New Bern Fire—Much Interest Shown.

NEITHER TEAM DEFEATED

When the Asheville High school football team, western champions, and the New Bern High school, winners in the east, lock horns on Emerson field tomorrow afternoon in the bout that will decide the state high school championship in football, the final curtain will be rung down on the 1922 football season so far as Chapel Hill is concerned. This game was scheduled to have been played Saturday, December 9, but a number of the New Bern players were doing guard duty in the fire-ravaged district of New Bern and were not in shape to play a championship game. The local interest is at a high pitch, and judging from reports sent out from the rival camps there will be large delegations on hand from both towns to cheer their favorites to victory.

Both teams have gone through the season without suffering a defeat. Since the elimination series started Asheville has forced Salisbury, Charlotte and Monroe to bite the dust in three successive games. In the east, New Bern has won from Washington, Wilmington, Rocky Mount and Sanford in hard-fought games. In the opinion of those in charge of the elimination series the contestants have displayed a better brand of football than ever in the past.

This is the ninth time since 1913 that the high schools of the state have played for the state championship. Raleigh High school won the first championship in 1913 when they defeated Washington and Wilmington, the only other entries that year. In 1914 they were again victorious. This time they took the measure of Asheville in the final game. In 1915 they were winners for the third time. Charlotte was defeated in the deciding contest. In both the 1916 and 1917 seasons Charlotte captured state honors, winning from Chapel Hill both years. Chapel Hill carried off honors in 1919 and 1920, beating Greensboro in 1919 and Monroe in 1920. Last year Fayetteville won the state title when the Winston-Salem Highs went down in defeat in the final game.

The Asheville team is under the direction of Coach Frye, while New Bern is coached by Bardin, Hardy and Harrell.

Heelers Are Given Rating In Contest

The judges in the Tar Heel "Heelers'" contest have announced the following honor list of twenty, arranged in order of eligibility. Heelers not on this list may improve their standing by hard work after the holidays, so as to be included in the list published at the end of the winter quarter. If one's name does not appear below, it does not mean that he has been dropped, but only that there are at least twenty men between him and the top of the list.

The list as announced follows: J. M. Roberts, M. M. Young, H. N. Parker, Geo. Stephens, Jr., R. W. Linker, L. A. Crowell, Jr., G. A. Cardwell, Jr., E. S. Barr, C. L. Haney, Julius Ragland, H. D. Weibe, J. E. Farris, B. A. Britt, R. L. Daughtry, C. M. Williford, W. B. Pipkin, W. B. Vaughn, Nady Cates, Jr., R. H. Cain, W. C. Biggers.

RELIEF WORK HERE FOR NEW BERN FOLKS

The New Bern relief work is progressing rapidly. Mrs. W. S. Bernard, as chairman of the relief committee of the Community club, is receiving the contributions from the University and all organizations of the town. The club is canvassing the whole town, having a representative for each neighborhood. Up to Sunday afternoon Mrs. Bernard had received two truck loads of clothing from the University and many boxes and barrels from the town.

The Chapel Hill school donated \$27 in money, which, added to that which had been collected from the University, brings the money to something over \$30. The churches of the town took up a collection Sunday night which is expected to raise the money to about \$50. The work is still progressing rapidly, shoes, hats and clothing coming in regularly.
