

TRACK MEN LEAVE IN GOOD SHAPE FOR TRIANGULAR TILT AT CLEMSON

Coach Bob Pilots Fifteen Men to South Carolina.

REAL DOPE VERY SCARCE

Clemson Is Probably Stronger of Opposing Teams—University of Georgia Considered Easy.

TEST FOR CAROLINA TEAM

Bob Fetzer left to-day with 15 men in tow for Calhoun, South Carolina, where the Tar Heel track team will meet the University of Georgia and Clemson College in a triangular meet.

It has been impossible to get any real dope on either of the Tar Heel's opponents. Reports that have drifted to the hill by one source or another indicate that Clemson is the stronger of the two. Georgia is generally considered to be easy.

The men sure to make the trip Wednesday night were: Sinclair, Woodard, Yarborough, Cox, Milstead, Jonas, and Abernathy. There has been a constant improvement all along in the times of the various events, and they have now grown into respectability. Cox is running the quarter in 52 and is capable of making it in 51 when in good form; he is running the half in 2:4 and should make this in close to 2 flat of all goes well.

Moore threw a Charley Horse in time trials a few days back and it is doubtful if he will be able to participate in the dashes to-morrow. This throws a load of lead into Carolina's balloon since it leaves Sinclair as her only representative in these two events. The gentleman from Wilmington will be a good bet though and promises to let the "Geekies" know that he has been there before the meet is over.

With Yarborough and Woodard on the low hurdles Carolina should take at least first and third places. They have been running them in 27.2 which is good time for North Carolina hurdlers. Yarborough will also be in the broad jump, and has been checking 21 feet. Woodard will be in a number of additional events—broad jump, javelin, and high jump.

The mile will be ably handled by Dale Ranson and Jonas. Ranson is running the mile in early season form in 4:40, and Jonas form has shown a remarkable improvement over last year. Jonas will also be in the half.

If the events are run in collegiate order Carolina will suffer another serious blow in the two mile, since Andy Milstead, good track man that he is could hardly run this event after having finished the 440, the most grinding of all races.

Abernathy will hurl the javelin and has been looking mighty good on the discs with his 112 foot heaves. Corbett may assist him in the discs and put the shot along with McIver. Corbett has shown a decided slump this week in his work. If he develops himself there is no reason why he shouldn't make one (Continued on page three)

ALUMNI REVIEW JUST OFF PRESS CONTAINS ATTRACTIVE FEATURES

The April number of the Alumni Review is just off the press and has already been sent out to list of subscribers. The front of the issue has a perspective of the Carolina Inn that will be constructed here for the purpose of giving the old town a place where alumni and their families can come and spend a few days looking over their old campus.

Among the articles included in this issue is a very interesting one on the University and Women Students, which gives an account of the recent uprising of the student body against the admittance of women as undergraduates. It also contains the statement that President Chase gave out in regard to the opinion of the University on the co-ed question. The comments "Heard and Seen Around the Well" are especially good and will prove of interest to the alumni who have this as the only method of learning the doings around the Hill.

An unusual feature of this issue is a cartoon, on the way to Chapel Hill for the big alumni reunions of this year. This is the first time that the management has had such a cartoon and it helps out the issue considerably. As a whole the issue is well up to standard.

JOURNALISM PROFESSOR TO SPEAK HERE SUNDAY

Charles N. Feidelson, professor of journalism in William and Mary College, is to speak at the Presbyterian church on Sunday night, April 15. His subject will be "American Realities Based on Dudwig Lewishohn's Upstream."

FIRST COLLEGE SORORITY AT UNIVERSITY INSTALLED

Dr. Chase Formally Announces Installation of Chapter of Chi Omega—One of Largest Sororities.

The first college sorority at the University has just been installed, according to an announcement authorized by President Chase. It is Beta Epsilon chapter of the Chi Omega national fraternity, formerly known locally as Lambda Tau. It was installed as a chapter of Chi Omega on January 20, 1923, "formal announcement being withheld," says President Chase, "at the request of the University."

The members of the local chapter are May Belle Penn, of Greensboro; Genevieve McMillan, of Red Springs; Sue Byrd Thompson, of Norfolk, Va.; Winifred Potts, of Davidson; Kate Culpepper and May Culpepper, of Fayetteville, Ga.; Lula Martin McIver, of Greensboro; Enid Matherly, Marguerite Smith, Sadie Hanes Connor, Helen Meyer, Ruth Steiner and Etta Piedson, of Chapel Hill. The patronesses of the chapter are Mrs. Paul J. Weaver, Mrs. Gustav Braune and Mrs. R. E. Coker.

Chi Omega is one of the largest sororities in the United States, having more than 60 chapters, 20 of which are in Southern colleges. The sorority takes a great interest in social service work and is everywhere noted for its fine influence among the women students of the colleges and universities where it is represented. The installation of a chapter here is regarded as an event of more than passing importance for the women students of the University.

U. N. C. Press Will Publish Monographs

The Board of Governors of the University of North Carolina Press announces that beginning July 1, 1925, the Press proposes the establishment of a new series of publications to be entitled "The University of North Carolina Monographs." The general series will be subdivided under three lesser series which are as follows: Social Science and History Series, Language and Literature Series, and Science Series.

A fund of \$2,000 has been set aside by the University for the publication of the three series. The directors have announced also that manuscripts for publication in any of these series will be received by them.

The Board of Governors has also approved the principle that the copyright to the McNair and Weil lectures shall rest in the University of North Carolina Press, and that the lecturers be informed, at the time of their invitation, that their fee shall cover the delivery of the manuscript to the Press and also the surrender of the copyright. In order to devise ways and means to make this principle effective the following committee was appointed: H. W. Odum, W. C. Coker and Louis Graves.

DEBATING SCHEDULE

Monday, April 16
Preliminary for West Virginia debate. In Phi society hall at 8 o'clock. Three men to be selected.
Tuesday, April 17
Preliminary for Freshman Intercollegiate. Affirmative in Di hall, and negative in Phi hall, 8 o'clock. Two men to be selected for each side.
Wednesday, April 18
Preliminary for Peace Oratorical contest. In Gerrard hall, at 8 o'clock. One man selected to represent Carolina in final contest to be held in Burlington.

DEVIN POLLS HOME RUN IN FATAL SIXTH INNING AND FRESH LICK DURHAM

Freshmen Barely Nose Out Durham High in Fast Game Wednesday Afternoon.

PHILLIPS PITCHES WELL

Billy Devin of Oxford broke up a perfectly good pitcher's duel in the sixth inning Wednesday in the game with Durham High School by poling out a home run. With two out and nobody on base, Sigley let Devin's fly glide through his fingers and before the ball was recovered Devin had gambolled about the circuit for the only run of the game. Sigley was replaced by Maynard in the next inning.

Durham threatened to store away the old game in the first canto when with the bases full and nobody out Semon Holt came to the bat. However, Phillips proved himself master of the situation and Holt hit into a double. Carden followed and was thrown out at first.

Carolina was slaughtered in one, two, three order, Devin ending with a long fly to centerfield.

Both sides threatened in the third. Satterfield reached second on error and was sacrificed to third by Byrd. He died there. Ross made first while Cherry was juggling the ball and went to second by the robber's route. Cobb beat out a pop fly but Ross put an end to affairs by being called out at home.

In the seventh inning Carolina again threatened when Prescott opened with a hit and was safe at first. He went out trying to steal second. Hildebrande followed with a hot single to third. Second base was pilfered in easy style while the pitcher napped. Johnson then lined out another hot drive down the third base line which was brought into tow by Holt's pretty catch. Hildebrande was then thrown out at the home plate as a result of slow base running.

Durham died an easy death in the eighth leaving one man stranded on second. The freshmen followed with threats of a merry-go-round when Phillips made first on a pretty hit into right field. Ross reached first while Phillips was being tagged at second. Ross then stole second. Cobb came thru with a neat Texas Leaguer sending Ross to third. Cobb slipped over to the second station. Cherry tightened up and Devin was out on an easy fly. Thomas ended the game for Carolina with a hot one towards (Continued on page three)

CLASSES ALL DAY MAY BE POLICY NEXT YEAR

Purpose of Measure Is to Economize Time and Space—Will Be Discussed by Faculty.

At the next meeting of the faculty the administrative group will recommend that next year the University adopt a schedule of eight one-hour periods for the day, with a half-hour for chapel, which will make the University's day begin at 8:30 and run continuously until 5. According to this plan there will be no formal intermission for the noon meal, which will become a matter for the individual student or professor to arrange in terms of his schedule and his personal considerations. This will provide for the periods to be lengthened five minutes and also add an extra period to the day, which will help relieve the shortage of space by which the University will be confronted next year.

Afternoon laboratory classes, if desired, can be held from 2 to 4, instead of from 2:30 to 4:30 as at present. In other ways a serious attempt will be made to distribute better the load through the day, in order to utilize most effectively the classroom space which the University has at the present. For that purpose a schedule committee, consisting of the deans of the undergraduate schools and the Registrar, has been asked to undertake the shaping of a schedule, taking into account departmental preferences so far as possible, but keeping in mind steadily the effectiveness of the University's working day as a whole.

If this ruling is put into practice next year it will mean that a student can (Continued on page three)

PLAYMAKERS TO LEAVE MONDAY FOR WESTERN TOUR OF FOURTEEN DAYS

Indications Point to a Successful Trip—"Peggy," "Mamma" and "Agatha" to Be Presented.

GREAT SUCCESS EXPECTED

The Carolina Playmakers will leave Monday afternoon on their Fifth State Tour, which will extend westward as far as Asheville and return, covering a period of fourteen days. The program for the tour consists of "Mamma" by Ernest Thompson, "Peggy" by Harold Williamson, and "Agatha" by Jane Toy. The latter play was carried on the Eastern tour during the winter quarter and "Peggy" is a revival.

The indications are that the tour will be the most successful on record. George V. Denny, Business Manager of the Playmakers, has recently returned from a trip through all the points to be covered and states that everywhere much enthusiasm was manifested. The trip was far easier to book than ever before and the management was unable to meet nearly all the requests for performances. Since Mr. Denny's return several requests for dates have been received which the Playmakers cannot fill.

Everybody has heard of the Carolina Playmakers now, and in a number of places the coming of the troupe is to be a sign for a get-together of Carolina alumni, with Spring banquets, et cetera, in order. In Greensboro, where the company will play on April 27, the performance will form a part of a great Carolina week-end. On that evening there is an alumni banquet at 7:00 p. m. and the Playmakers at 8:30. On the next day there is the Carolina-Virginia Baseball Game, followed that evening by a mammoth ball.

Performances are to be given in ten Western cities and two cities in the Eastern half of the state. The itinerary is as follows, commencing with April 10 and extending through April 28: Hillsboro, Reidsville, Winston-Salem, Salisbury, Charlotte, Hickory, Asheville, Morganton, Lenoir, High Point, Greensboro, and Pinehurst.

The personnel of the tour is as follows: Charlie Gold, Hoyt Boone, Spencer Murphy, R. S. Pickens, George Koch, Kitty Lee Frazier, Sue Byrde Thompson, Elizabeth Taylor, Mary Trill Yellott, Nancy Battle, N. C. Barefoot, H. C. Klingenschnitt, J. E. Hawkins, George V. Denny, and Fredrick H. Koch.

LAW REVIEW COMES OUT THREE MONTHS DELAYED

Articles of Interest to Lawyers and Laymen Feature January Number.

The January number of the North Carolina Law Review, rendered three months late by unanticipated editorial difficulties, made its appearance Wednesday, April 11. The April issue will appear the first week in May, and the June issue about commencement time. The June number will be devoted to a review of the public laws enacted by the General Assembly of 1925.

The leading article in the current number is a discussion of the economic and legal aspects of the controversy between the state banks of North Carolina, Georgia, Kentucky, and Oregon, and the Federal Reserve System over the par clearance of checks. It is contributed by Prof. C. T. Murchison, of the School of Commerce of the University of North Carolina. Dean L. P. McGehee, of the School of Law of the University, has an article on an important aspect of real property law, estoppel and rebuttal in North Carolina. Prof. Lyman P. Wilson of the College of Law of Cornell University, is the author of an article entitled, "Limitations on the Attractive Nuisance Doctrine," in which an early decision of Judge H. G. Conor, then a member of the Supreme Court of North Carolina, and a recent decision of Justice Holmes of the Supreme Court of the United States, form the basis for what the author regards as the solution of the problem. Professor M. T. Van Hecke, the editor-in-charge of the Review, contributes an article on Leg- (Continued on Page Four)

QUAKERS ARE EXPECTED TO GIVE TAR HEELS A STIFF ENCOUNTER

SPRING ELECTIONS BEGIN NEXT WEEK

The first of the spring elections will be held next Monday. At that time the men who were nominated for officers of the Y. M. C. A. will be voted upon.

J. O. Harmon, president of the student body, announced last week that the nominations for next year's president of the student body will be held in chapel Monday morning and that the voting on these men will take place the following Monday.

CAMPUS SWAMPED WITH HIGH SCHOOL STUDENTS

County Clubs Busy Entertaining Visitors, Especially Girls—Active Week-End for All.

The latter part of this week the campus has been literally swamped with the high school debaters and athletes. All sections of the state are represented here in the group of high school students who come here to compete for honors on the track and tennis courts and in debating. All the county clubs have been busy entertaining the representatives from their particular counties. The work has been especially enthusiastic if some of the youthful orators were high school lassies.

The week-end is one that every student looks forward to and enjoys. The track meet and the tennis matches both come for their share of spectators and supporters among the students. This is the one season of the year that all students are interested in debating. Last night, for example, there were a good number of debates going on all over the campus and in each hall, so far as can be learned as the Tar Heel goes to press, there was a good audience besides the presiding officers and the judges. And then this morning many students were rejoicing because High School week is here, due to the fact that they received grants as their prof was serving on a committee of judges.

Nearly everywhere this morning one could hear the question, "Well, what did your team do last night?" This would bring forth the answer that they won or lost as the case might be. The Carolina men become high school students again, at least in spirit, when their old "alma maters" compete with the "alma mater" of their room-mate or class-mate.

NEW HOLIDAY RULE HAS BEEN PASSED

There has been a rule passed that no class that comes just before a holiday can be moved up or omitted. Just before the Easter holidays several classes, by special arrangements, were either moved up or were omitted. Under the rule now in effect, from now on no such arrangements under any circumstances shall be made, but that the work of the University, as normally scheduled, shall continue up to the last moment before the beginning of the holiday.

Miss Alma Holland, assistant in the department of botany, spent part of the Easter holidays in Lancaster, Pa., at the offices of the Intelligencer Printing company. The Intelligencer company has taken over the publication of Dr. W. C. Coker's new book on water molds, "The Saprolegniaceae." Miss Holland reports that the book will be in from the press very soon.

CALENDAR

Friday, April 13:
High School Contests—
10 a. m.—Tennis tournament.
10 a. m.—Track meet and field events.
2 p. m.—Track meet and field events.
3 p. m.—Final debate for Aycock Memorial Cup, Memorial Hall.
8:30 p. m.—Carolina Playmakers, at Playhouse.
Saturday, April 14:
3:30 p. m.—Baseball game, Guilford, Emerson field.
8:30 p. m.—Carolina Playmakers, Playhouse.

Several Players of Outstanding Ability Will Perform.

IS FIRST GAME AT HOME

Will Be Watched With Much Interest by Local Baseball Fans.

THE LINE-UP UNCERTAIN

Dook's Quakers from Guilford are billed to display their baseball strength before local fans tomorrow afternoon when Carolina will be seen in action on Emerson field for the first time this season. Reports have it that Guilford is much stronger this year, and may afford the Tar Heels a stiff fight. Regardless of how close or one-sided the game turns out to be, there are several players of more than ordinary ability on the visiting aggregation, therefore fans are sure to see some good baseball.

Local officials were at a loss to explain the failure of Roanoke College to appear Tuesday afternoon. Everything including "Ham and Eggs" was in readiness for the opening game, so Coach Fetzer had the varsity and scrubs to stage an exhibition in order to repay the crowd for turning out in such large numbers. The regulars greeted Contrane with five consecutive hits and slammed the ball consistently throughout, thereby demonstrating the fact that they mean to continue their hard hitting of the first three games.

The team lined up Tuesday with Shirley, McClean, McDonald and Jones in the infield; Bonner, Sweetman and Carmichael doing the fly-chasing; and Bryson and McGee for the battery. It is possible that Captain Morris will be in shape to go behind the bat against Guilford, while as usual, the pitching choice will be a mystery until the last minute. Frank Cox was recently declared eligible under the rules governing athletics at the University. Many are anxious to see him under fire, in order to ascertain just how far his work will go toward replacing the loss of "Lefty" Wilson and Llewellyn. Coffey and Ferebee, in addition to Bryson, will be in condition to occupy the mound against the Quakers.

REPRESENTATIVE CHOSEN FOR SOUTHERN CONTEST

In the preliminaries held last Tuesday night, E. H. Hartsell was chosen to represent the University in the Southern Oratorical contest which is to be held at Johns Hopkins University in Baltimore on the night of April 14. The title of his speech is "Common-Sense Patriotism." At the same time M. A. James was chosen as alternate. The other men who contested were C. A. Peeler, C. E. Spencer and J. R. Allbrook.

FRESH TENNIS TEAM DEFEATS GREENSBORO

A representative freshman tennis team picked by Manager Jernigan won its match with Greensboro High school, on April 11, by the score of 5 to 1. This final score hardly indicates the close playing throughout. The four Greensboro players were well matched, W. Scott and C. Scott having a slight edge over their teammates.

Whitaker and Milstead played the best tennis for the freshmen, although Whitaker lacked stiff training, and Milstead needs practice. Carmichael won his singles match easily, and played a fair all-round game. Cordon was over-cautious in his match, and allowed W. Scott to outsteady him. He hit out more freely in his doubles match with Whitaker and played a good game.

Scores:
Singles Matches
Whitaker (Carolina) vs. C. Scott (Greensboro), 6-3, 6-3.
Carmichael (Carolina)—Penn (Greensboro), 6-2, 6-2.
Milstead (Carolina)—King (Greensboro), 6-1, 6-0.
W. Scott (Greensboro)—Cordon (Carolina), 6-3, 6-3.
Doubles Matches
Carmichael and Milstead (Carolina) vs. King and W. Scott (Greensboro), 7-9 (G), 6-2 (C), 6-2 (C).
Whitaker and Cordon (Carolina) vs. C. Scott and Penn (Greensboro), 5-7 (G), 6-2 (C), 6-3 (C).
