

## FETZER'S TEAM BEATEN IN FIRST HOME CONTEST BY LYNCHBURG COLLEGE

Five Tar Heel Pitchers Used in Disappointing Exhibition—Score is 6 to 4.

### UNINTERESTING CONTEST

Lynchburg College collected 10 hits and six runs at the expense of five Tar Heel pitchers Monday afternoon, and as a result, the first home game of the season went to the visitors, 6 to 4. Thomas, the left-handed ace of the Hornets, escaped the rough treatment accorded him on Emerson field last spring, while Clark, who went to the mound later, always tightened in the pinches. Bryson, Ferebee, and Coltrane showed up well during their stay in the box, but Frank Coxe had a poor inning and Coffey did nothing brilliant.

Shirley was the hitting star for Carolina, with a double and triple out of four times at bat, and McLean also garnered two hits. Cromwell, Oliver, Parker and Fuller each poled out a pair of singles, while Bonner, Bonner and Carmichael contributed the fielding features; the latter's catch of a hard drive in the eighth being a pretty piece of work.

The visitors scored in the first frame when McDonald and McLean allowed easy outs to go for hits. Again in the sixth, with Frank Coxe pitching, Lynchburg tallied three times. After Cromwell had been given a pass to first, Nottingham, Oliver and Parker hit safely in succession, accounting for two markers. Another run followed from a fielder's choice before three men could be retired in that inning. John Coffey was the victor of a second Lynchburg drive which netted two runs in the eighth.

## THE POLITICAL SEASON IS NOW IN FULL BLAST

The Election of Next Year's Officers for the Y. M. C. A. Has Been Held.

The political situation on the campus is now at tense heat. Although one election has already passed this has only served to announce to the campus that the others are on the way and will be here soon. The election of the officers for the Y. M. C. A. for next year was the first of the annual spring elections. For these on last Monday the following men were elected: President, John Parsery vice-president, W. W. Gwynn; secretary, H. R. Fuller, and treasurer, E. D. Apple. The votes were close in all cases.

Last Monday in chapel E. R. Shirley, in the presence of the president of the student body, threw open nominations for the president of next year's student body. The following men were nominated in order: C. A. Holshouser, J. R. Allsbrook and Buxton Midyette. Tommit Turner brought up an amendment to the constitution that would allow any person who has been in attendance at the University for three years to be eligible for president of the student body. He also stated that the constitution specifically stated that the nominations should not be held until after the first of May. However, Shirley stated that he was there to receive nominations and that he intended to do so. He did say that the amendment would be submitted to the student body at the time of the elections on Monday.

Later in the week the president of the student body, J. O. Harmon, announced that due to the general mess-up in the whole affair, the amendment would be voted upon today and that nomination would be again opened on Monday. It is generally rumored around the campus that another candidate will be put up when the nominations are again opened.

Other elections that are due to come off soon are the class election, the Tar Heel elections, and the elections for the different managers of the athletic teams. Elections of sub-assistant managers of varsity basketball were held Wednesday. Only freshmen were allowed to vote for these men.

D. D. Carroll, dean of the school of commerce in the University, spoke last night before the Rotary club of High Point on "Education in the New Day." It was the educational meeting of the club, and the seniors in the high school were guests.

### MAGAZINE EDITOR LEAVES

Editor George W. McCoy of the Carolina Magazine left the University with the Easter holidays to accept a position on the staff of the Asheville Citizen. He will not return to Carolina, but will resume his studies next year at Chicago. McCoy delegated the "getting out" of the May-June issue to Assistant Editor A. M. Moser and Associate Editor Reed Kitchin. The May-June issue will be known as the "Athletic-Miscellany Number."

## GARBER-DAVIS SECURED TO PLAY FOR FINAL HOPS

Will Be First Appearance of Popular Orchestra in Chapel Hill—Contract Signed.

Garber-Davis orchestra will play for the finals this year. The contract has already been signed by Jack Garber and members of the German Club. Believing that the early bird must be on his job in the matter of securing a universally popular orchestra, it was decided a few days ago to clinch the matter at once with the acknowledged best orchestra leader of the South.

The contract calls for all afternoon and night dance on Thursday, June 14, and for a morning, afternoon and night dance for Friday. As this is to be the first appearance of Garber-Davis in Chapel Hill, and because of the orchestra's widespread popularity, it will prove to be a magnet which should draw one of the best groups of girls and dancers ever seen at University dances.

A. M. McDonald is chief commencement ball manager. Other ball managers for this year are J. T. Little, Thomas Turner, Jr., J. T. Barnes, Cyrus Whedbee, Allan McGee, and Howard Holderness. These were elected by the senior class of 1923. They each have reputations as able men and their combined efforts have already shown results.

Some new system regarding breaking will be worked out and announced later. For the first time freshmen at the University will be allowed to show just how sophisticated they really are.

## UNIVERSITY TRUSTEES VOTE TO ERECT CO-ED BUILDING

Decision is That \$100,000 Be Expended for That Purpose from the Recent Appropriations.

One hundred thousand dollars for a woman's building. That is the decision of the executive committee of the University trustees upon the question that caused so much argument recently. This amount does not provide for as elaborate a structure as was once proposed.

The decision to remodel the old buildings, making them serviceable for dormitories and for other purposes, at a cost of \$125,000, was one of the most important acts of the executive committee. It also voted \$400,000 for a chemistry building.

The rest of the expansion schedule is as follows: Men's dormitories, \$375,000; permanent water supply, \$120,000; roads and grading, \$50,000; permanent departmental equipment, \$85,000; sewers, heating, lighting extensions, \$115,000; exercise and recreation grounds, \$50,000; furniture and fixtures, \$45,000; storage and repair shops, \$10,000; infirmary addition, \$30,000; physical training building, \$40,000; gymnasium repairs, \$5,000; biology basement floor, \$12,000; extra finish, law building, \$7,700; railway and equipment, \$65,000. Total \$1,637,700.

W. N. Everett presided in place of Governor Morrison at the joint meeting of the executive and building committees.

Felix Harvey was elected a member of the building committee to succeed the late J. Bryan Grimes.

Leslie Weil was elected to the finance committee to fill a vacancy.

The fourth annual contest of the Southern Oratorical League was held in Baltimore last Saturday night. First prize was awarded to W. P. Darnell, representing the University of Kentucky. G. C. Harrison, of the University of Alabama, was picked by the judges as second best. Other contestants entered were W. C. Williams, of Johns Hopkins University, and E. H. Hartsell of Carolina.

## Methodists Find Bryson Easy And Win Out In First Frame

Ferebee Holds Trinity Safe for Rest of Game—Dempster Pitches Effectively for Coach Steiner's Team.

Fielding in flashy style behind the steady pitching of Dempster, Coach Steiner's team won the first important game of the season on Emerson field Wednesday afternoon, 4 to 2. Trinity landed on Bryson for three hits and a like number of runs in the first frame, and another merry-go-round was brewing when Bill Ferebee was rushed to the rescue in the next inning. The youngster demonstrated conclusively that he has nerve, dependability, and something on the ball, by holding the Methodists scoreless for the rest of the contest.

"Candy Ball" Smith, first man up, singled to left field, and went to second when Bonner juggled the ball. Turner doubled over second, scoring Smith, while Ormond walked, and both runners advanced a notch on a long sacrifice fly which Bonner gathered in on the run in deep left-center. Johnson received a pass to first, but two runs came in on a single by English. The Trinity first sacker was caught off third by Bryson, and Carver hit an easy fly to Jones.

With two men down in the first, Bonner walked, went to third on Shirley's single, and was forced in when Dempster pitched Casey Morris four balls, and hit Sweetman. Scoring stopped, however, when Carmichael tapped an easy grounder to the pitcher. Trinity continued to sweat the pill in the second round. Harry Johnson drew a pass, and crossed the plate when Dempster and Smith singled in succession. At this point, Ferebee went in the box and forced Turner to foul out to catcher and Ormond to pop up. Spikes walked, but J. D. Johnson was an easy out, McDonald to Shirley.

Carolina did not get another hit until the fifth, when Jones led off with a single. He was forced out at second by Ferebee, while the latter went to third when English errored McLean's grounder. Smith's fast throw caught the Tar Heel second basemen off first, and a splendid chance to score was gone. Trinity collected a hit in each inning until the seventh, when Ferebee fanned English and Carver, and Shirley nabbed J. D. Johnson at first unassisted. The latter's triple in the ninth, which was of no avail because Spikes failed to touch second ahead of him, was all that the visitors could produce in the last two frames.

Carmichael led off the seventh with a clean single to center, Jones was out on a fly to center and Ferebee whiffed, but "Monk" McDonald singled, scoring the Tar Heels' last run. In the eighth it was three up and three down, but with two out in the ninth Carmichael

chael was safe on a fielder's choice and Faquay received a base on balls. John Coffey was sent in to hit for Ferebee, and with a chance to drive in the tying runs, ingloriously struck out.

Ferebee's pitching was the one consolation for Carolina supporters. He kept the situation in hand like a veteran, and made four Trinity batsmen bite the dust on strikes. A nifty piece of work was executed in the fourth inning by McDonald, Morris, Jones and Shirley. When Morris made an attempt to catch Ormond on his way to second, Smith, who was on third, made a break for the plate. McDonald started after the Methodist third baseman and trapped him between third and home. Shirley came running in and made the put out at the plate. Smith's beautiful catch of a terrific drive by "Casey" Morris, and the sensational fielding of English at second were the fielding features for Trinity.

## UNIVERSITY MAY GIVE CREDIT FOR BIBLE STUDY

Committee to Make Recommendations Asking for Classes to Be Held in Various Churches.

A meeting of various church representatives to discuss the advisability of giving a course in Bible study in each of the churches on the Hill with University credit was held in the Episcopal Parish House on Tuesday. This body is expected to make some recommendation along this line to the University board of trustees which may be considered at the next meeting of the trustees.

The matter was brought up by President Chase two years ago and was opposed at that time by the Baptists, who planned to build a school of their own in Chapel Hill. The other four churches on the Hill were in favor of the proposition.

Members of the committee meeting held in the parish house on Tuesday are: Episcopal, Bishop J. B. Cheshire of Raleigh and Mishop-Coadjuter N. A. Peniek of Charlotte; Presbyterian, W. H. Hunter of Davidson and W. W. Orr of Charlotte; Baptist, Charles E. Madry; Methodist, W. W. Peel of Raleigh; Christian, N. G. Newman of Elon College and W. S. Long of Chapel Hill; also President H. E. Rondthaler of Salem College.

### DI SMOKER

Plenty of cigars, cats and bull will be the order of exercises at the Di-Society smoker Saturday night. The program committee has worked out a well balanced entertainment which will be a departure from the customary smoker procedure.

## THE TOWN POLITICAL POT STARTS BUBBLING AGAIN

Mayorality and Aldermanic Elections Promise Some Excitement in Near Future.

Chapel Hillians are becoming very interested in local politics and politicians as the approaching mayorality and aldermanic election draws near. Mayor W. S. Roberson, who has held the reigns of government for the past eight years, will again be a candidate for that office. But he is not without opposition. Carl Weigan, a prominent local attorney and University man, has made public the announcement of his intention to oppose the present incumbent for mayorality honors. The campaign promises to be a live affair since each faction possesses a great deal of strength. There are those who are dissatisfied with the present administration and feel that eight years is long enough for one group to remain in power, hence they are advocating the election of Weigan as a means of accomplishing the desired change. Others are loyal to Mayor Roberson and are again asking him to serve them in the office he has held so long.

Students who have attained the age of 21 and who are not voting at any other place, and who expect to live in Chapel Hill for a few years are eligible to vote. Registration will begin Friday morning at 9 o'clock and continue for several days. The election will be held on May 8, 1923.

### NOTICE

Golden Fleece meeting every Tuesday and Thursday night, at Y. M. C. A. Old Fleece members cordially invited to meet with the active society.

### ANNOUNCEMENT

The Julian S. Carr Fellowship, endowed in 1916 by General Julian S. Carr, valued at \$300, and open to any member of the rising junior or senior class who has shown by the high scholastic quality of his work that he is worthy of help, and who, during his first year in college, has earned his way in whole or in part. Applications are now being received by the President of the University, and the award will be made soon after the middle of May. Applications should show fully the ways in which the applicant has supported himself during the past years in the University. The holder of this fellowship is selected by a faculty committee appointed for that purpose.

## TAR HEELS VISIT STATE TO STAGE COMEBACK

Dope Favors Hartsell's Crew but Dope Often Goes Wrong—Same Line-up.

Carolina and State College meet for the first time this spring tomorrow afternoon, when Coach Fetzer's nine journey over to Riddick field, at West Raleigh, N. C. In view of the Tar Heels' recent defeat in the Trinity affair, general opinion favors Hartsell's team, but said opinion is liable to receive a sudden jolt. Captain Morris and his men are dead set on winning the State game, and the battle is sure to be a tight contest.

Curtis will probably do the hurling for the Wolfpack, and either Coltrane, Coxe or Bryson for Carolina. In the outfield, State has Ruth, Correll, former Washington and Lee star, and Johnson, a fast, hard hitting trio. The Red and White infield is composed of Lassiter, Gladstone, Captain Redfean and "Dutch" Holland. "Legs" Faulkner, a Red Oak product, is doing the receiving for Hartsell's crew, while Curtis, right-hander, and Allen, southpaw, are mainstays in the box.

Griffin may take care of the right garden in tomorrow's game, as he is a left hand hitter. Carmichael appears to be at home in the outfield and has surprised some with his batting ability. The rest of the line-up will more than likely remain intact.

## DEBATERS ARE CHOSEN FOR FUTURE CONTESTS

Intercollegiate Debate With West Virginia and Triangular Freshman Meet Scheduled During May.

Debaters have been selected to represent the University in the forthcoming intercollegiate debate with the University of West Virginia and in the freshman intercollegiate triangular debate with Trinity and Wake Forest.

The preliminary for the West Virginia debate was held Monday night. C. A. Peeler, J. M. Saunders and G. C. Hampton, Jr., were selected to represent Carolina in the debate with West Virginia. Carolina will defend the affirmative side of the query: "Resolved—That an excess profits tax should be made a permanent part of the federal fiscal tax-system." This debate will be held at Morgantown, West Virginia, some time in the middle of May.

The freshmen triangular preliminary was held Tuesday night. The query of this debate is: "Resolved—That the issuance of tax exempt securities should be forbidden by an amendment to the federal constitution." Carolina's affirmative team, composed of A. L. Groce of Candler and L. T. Bledsoe of Asheville, will meet the Wake Forest negative at Durham. The negative team, represented by R. Livingston of Asheville and M. M. Young of Durham, will contest with Trinity's affirmative at Wake Forest. This freshmen triangular debate will be staged on the night of Saturday, May 5.

### N. C. CLUB CHANGES TIME OF MEETING

The North Carolina club meets Monday night in Phillips Hall at 7:30. Members are asked to note the change in the time. The officers of the club ask that the future meetings be made as full as possible in order that the year's work may be completed in good fashion. All papers must be handed in by May 15 to the committee of judges consisting of Archibald Henderson, H. W. Odum and S. H. Hobbs.

## REPORT OF THE FACULTY COMMITTEE ON RUSHING SYSTEM WILL BE MADE

Petition Presented by Pan-Hellenic Council Considered and in the Main Approved.

### TO GIVE DECISION SOON

The request of the Pan-Hellenic Council to the faculty that the rushing system be changed here has not been ignored at all by the faculty. When the petition of the Pan-Hellenic Council was presented to the faculty a committee was appointed to make a report on the situation here and its relation to the systems in vogue at other institutions, and to make recommendations as to the advisability of a change in the system here. This committee was composed of Dr. A. H. Patterson, chairman; Professors J. F. Royster, W. S. Bernard, W. M. Day, and Dean of Students Francis F. Bradshaw.

The petition presented the faculty asked that the rushing season here be shortened so that a man could be taken into a fraternity here at the beginning of the Spring quarter of his freshman year. The faculty committee considered this petition very carefully and investigated the systems in use at many other places and have made out a report to present to the faculty at their next meeting which, according to the chairman of the committee, Dr. Patterson, is favorable to the general ideas as expressed by the petition signed by the Council.

Dr. Patterson stated, however, that the petition of the Council was not acted upon favorably as a whole. The several changes that have been made will be better for the students, and he expressed the opinion that the students (Continued on page four.)

## GRANT ATTENDS MEETING OF ALUMNI SECRETARIES

The National Conference of Alumni Secretaries Will Be Held in Chapel Hill in 1925.

Daniel L. Grant, general secretary of the alumni association, has just returned from a trip north. While up north he attended the National Conference of Alumni Secretaries which was held at Cleveland, Friday and Saturday of last week. This was the tenth conference of the organization. The organization was formed some years before the war but was dropped during the war. Now it is in a process of general reorganization.

Secretary Grant reports that a very interesting and instructive three day program was carried out. Papers were read of the different phases of the work of the general alumni secretary, which were very helpful to the members of the conference.

Chapel Hill will probably get the conference here year after next. Mr. Grant extended an invitation at the meeting to come to Chapel Hill next year, but due to the youth of the organization it was thought unwise to get too far away from the larger centers of learning. However, the members expressed a willingness to come to this institution the following year. Next year the conference will be held at Lehigh University at South Bethlehem, Pennsylvania.

### NEW FACULTY MEMBER PAYS VISIT TO THE HILL

Dr. Edmund Brown, who will next become a member of the faculty as associate professor of marketing in the school of commerce, was a visitor on the Hill last Tuesday. Mr. Brown has been on the Federal Trade Commission investigating marketing conditions in gain and cotton throughout the country. He was formerly the head of the department of economics in the University of Richmond, Richmond, Va.

### MRS. DANIELS MOVES HER BOARDING HOUSE

Mrs. M. W. Daniels is having the rear of Jack Sparrow's Smoke Shop remodeled to serve as temporary quarters for her boarding house. This is necessitated by the removal of the house she now occupies to another location in order to make way for the new Carolina Inn, work on which will begin in a very short while. The temporary quarters will be used only until Mrs. Daniels is able to secure another house suitable for a boarding house.
