

PREPARING FOR ANNUAL DEBATE

250 High School Debaters Are Now Working Hard on Debates—Finals April 11

High school debaters in 250 high schools scattered through all sections of the state are now making preparations for the approaching contest of the High School Debating Union of North Carolina.

The triangular debates will be held through the State on March 28, according to an announcement made by E. R. Rankin, secretary, and the final contest for the Aycock Memorial Cup will be held at the University on April 10 and 11.

The query which will be discussed this year by all the schools taking part in the contest is: Resolved, That the inter-racial war debts should be cancelled. An extension bulletin on this subject, containing a statement of the query with limitations, a brief of the subject under discussion, a bibliography of the subject, and selected articles bearing on both sides of the question, has been issued by the University Extension Division, and copies of the bulletin have been forwarded to the member schools of the High School Debating Union of North Carolina.

The High School Debating Union is conducted under the auspices of the Dialectic and Philanthropic Literary Societies and the University Extension Division. It was organized in the fall of 1912, and this year's contest will thus mark the twelfth in the history of the movement. Winners of the Aycock Memorial Cup in the past are: The Pleasant Garden High School, 1913; The Winston-Salem High School, 1914; The Wilson High School, 1915; The Graham High School, 1916; The Waynesville High School, 1917; The Wilson High School, 1918; The Durham High School, 1919; The Asheville High School, 1920; The Durham High School, 1921; The Durham High School, 1922; and the Elizabeth City High School, 1923.

Guilford County with an enrollment of fourteen schools leads the State this year; Gaston County and Mecklenburg County comes second with an enrollment of ten schools; Forsyth County and Roberson County come third with an enrollment of nine schools each; Moore County and Nash County come fourth with an enrollment of eight schools each; Buncombe, Duplin and Wayne have seven schools enrolled each; Alamance, Catawba, Rowan and Wake have six schools enrolled each; The following counties have five schools enrolled each for the contest: Burke, Franklin, Granville, Halifax, Johnson, Martin, Rutherford, Wilson, and Edgecomb. The following counties are represented by four schools each: Cleveland, Harnett, Haywood, Henderson, Iredell, Montgomery, Rockingham, Union and Wilkes.

Bessemer High Wins Non-Accredited Title

Bessemer High School defeated the Unionville High School team for the championship in the non-accredited high schools league by a score of 13 to 11, Tuesday night. This is the first year such a league has been in existence and so Bessemer has the honor of being the first state champion of this group.

The game was a nip and tuck affair from the beginning with Bessemer always in the lead or tied. The first half ended 3-3. The second half opened with a better range on the basket for both teams. Shields lead the scoring for Bessemer with three field goals while Hartsell lead the Unionville team with three goals from the floor and one foul. Bryant for Bessemer and Benton for Unionville played good games at guard.

The line-up and summary:
Bessemer (13) Unionville (11)

Shields (C.) (6) L F Price (C.) (2)
Sims (1) C Hartsell (7)

Big Track Carnival Booked for March 11

A big track carnival will be held at the indoor field, Saturday, March 11. All the dormitories and fraternities will be represented in the contests, each dormitory and fraternity having the privilege of entering twenty-five men. This is the second meet of its kind to be staged this year; the first one was held February 1 and was successful from every point of view. In this preliminary meet all the dormitories were represented; ninety men registered for the events. Steele and Grimes tied for the first place by gathering in twenty-six points each.

The Dormitory Association is responsible for these track meets; they are a regular part of the Intramural program that the Association has been fostering all the year. Much interest has been shown by the students, and it is believed that some good track material will be discovered by this means. In the contests each dormitory is represented by a certain color and the men wear the colors of their respective dormitories. Ribbons are given to the men who place in the races and field events.

The events of the meet Saturday night will be:
75-yd dash.
50-yard dash.
440-yard run.
880-yard run.
Standing Broad jump.
Running high jump.
8 man team shuttle relay.
12 man team shuttle relay.
3 legged race.

FRESHMEN COUNSELORS HOLD MEETING TOGETHER

A meeting of the Freshmen Counselors was held Wednesday in Phillips Building. About forty men were present. The success and opportunity for growth of the Counselor system was discussed. All but two of the men decided that they would continue the work next year if they were called upon. Two thirds of those present had had boys come back to them for advice on various subjects after their first meeting. It was decided that perhaps the greatest good the Counselors could do the freshmen assigned to them would be to help them in the arrangement of their first quarter's registration. Following the system of choosing as counselors for boys some instructor who had them on one of his classes, this help would not be possible. The only solution offered was the plan of offering a larger number of professors to assist in registration of freshmen so that they could give them individual attention.

Hartsell Calls for Copy for Buccaneer

All copy for the Easter number of The Carolina Buccaneer must be in the hands of the editors not later than March 20. Manuscripts or drawings may be mailed to Box 831 or left in room 111 Manly.

Anthony Martin, Jr., '24, has been appointed art editor of the new publication. All other places on the art and editorial staff are to be filled on the basis of work done in getting out the first two issues.

Editors Hartsell and Martin ask the co-operation of all students in making the first issue of The Buccaneer a success. They will be glad to receive suggestions and ideas of any kind, and those interested in trying out for the staff should get in touch with them.

Two prizes of five dollars each will be given for work done on the first issue. One is for the best work of a literary nature (jokes, verse, stories, etc.); the other for the best cartoon or drawing submitted.

Several students and a few people in the town went down to Atlanta to witness the Southern Basketball Tournament.

ANNUAL STUDENT CONVENTION HERE

Southern Association of Colleges Will Hold Its Second Meeting Here

Practically every college of importance in the South will be represented in the second annual meeting of the Southern Association of Colleges which will be held here in April. The association was organized in Atlanta in February 1923, and held its first annual meeting at the University of Tennessee in April of last year. The presidents of the government of each college will represent his institution. In some cases, other members of the student governing bodies will form a part of each delegation.

The purposes of the organization are many. In a general sense it performs two functions: In the first place it is to attempt to solve campus problems and difficulties of student government, and secondly, to act as an arbitrary body to smooth over differences between colleges. At its meetings the college publications, fraternities, athletics, religious life, and student activities in addition to friendly relations, athletic and otherwise, among colleges. It is truly a Southern association, only Southern colleges being represented.

The meeting will begin on Thursday, April 10, and will continue through the 12th. Friday morning will be given over entirely to a conference of all delegates. On Friday afternoon, there will be some sort of athletic contest for the representatives. The delegates will meet together again Friday night and Saturday morning. Saturday morning, some form of amusement, probably an athletic contest, will be given the

WRESTLING TEAM FINISHES SEASON

All-State Team Is Picked—Carolina Has Three Men on the First Team

By Dennis Madry
Tar Heel All-State Wrestling Team
FIRST TEAM
Hardaway, Trinity—119 pound class.
Cromartie, Davidson—129 pound class.
Mathewson, Carolina—139 pound class.
Waters, Z., Carolina—149 pound class.
Midgette, Trinity—162 pound class.
Poindexter, Carolina—175 pound class.
Lindermood, Davidson—Unlimited class.

SECOND TEAM
Sesler, Davidson—119 pound class.
Hagan, Carolina—129 pound class.
Daniels, Trinity—139 pound class.
Mays, Trinity—149 pound class.
Waters, Carolina—162 pound class.
Mathewson, Trinity—175 pound class.
Umberger, Trinity—Unlimited class.

In picking the above teams they were picked on what the men have done. Hardaway, of Trinity, although moved up to the 129 pound class, in which he did not show up as in the lighter weight, is by all odds the logical man for the 119 pound selection. He is fast, slippery and very aggressive, not losing a match in two years.

Cromartie, of Davidson, is likewise aggressive and a hard man to keep down on the mat. He is experienced and uses his head in tight places. He has never been thrown in college wrestling. The 129 pound class goes to him.

Mathewson, of Carolina, stands head and shoulders above all other contestants for the 139 pound berth, winning every decision this year. His record in college has been eight falls and two wins on points out of ten matches.

Zack Waters, of Carolina and Mays of Trinity are pretty nearly evenly matched, and it is only because Mays broke his arm and was forced out of the running that these two men are not paired for first place. But little Waters had the chance to show

MASS MEETING

There will be a mass meeting in Chapel Monday morning for the purpose of considering the petition of the Monogram Club to the student body for permission to nominate the cheer leaders. This petition was drawn up by the Monogram Club as a better selective method than is now in practice.

Mr. Fitch to Give Musical Program

A vocal recital sung, with one exception entirely in English will be given by Mr. Theodore Fitch in Memorial Hall, Sunday at 4:30.

In explaining the unusual feature of a recital in English, Mr. Fitch explained that he thought our language very servicable for musical purposes and that the American public has long been hoodwinked in accepting the comparatively lifeless substitute of song and opera in some foreign language.

"The trouble has been the translation," he said as he pointed out why the songs written into English have not been well received. In the past much poor verse has been written in translations of the words of standard operas. "A good translation," Mr. Fitch continued must have three requisites; it must be accurate, poetic, and it must have rhythm that is appropriate to the music.

The field of translation of lyrics and librettos is being much more seriously considered at present than it was a few years ago.

Some of the numbers in Mr. Fitch's program are:
"Pleading"—by Elgar.
"Her Rose"—by Coombs.
"Nocturne"—by Handel.
"Evening"—by Curran.

Besides these, Mr. Fitch will sing the famous "Lament" from Leoncavallo's "Pagliacci." It is interesting to note in reference to this number that Mr. Fitch has sung in this opera.

THE SUNDAY MUSICALS ARE TO BE CONTINUED

Musical programs for the Sunday concerts which it has been the custom of the Music Department to present will be continued throughout the spring quarter. Because of the illness of one of the members of the vocal quartet which was to sing last Sunday, this program has been indefinitely postponed. The quartet consists of Mrs. J. Lawrence, Mrs. J. A. Harter, Mr. T. Fitch and Professor P. J. Weaver. Mrs. A. S. Wheeler will be at the piano.

The program of this ensemble is to consist of "The Persian Garden," a song cycle by Liza-Sehmann. The words are taken from the "Rubaiyat" of Omar Khayyam.

The orchestra, under the direction of Mr. F. Hard, will give a concert on March 30, while on May 4, there will be a program given by five of the most advanced students of the music department.

Extra Copies of the Annual Are Available

The business managers of the Yackety-Yack are making preparations for taking care of all the extra copies of this year's annual which students, or others, may want. The price of these extra copies will be four dollars each to students, and five dollars each to those persons not actively connected with the University at this time.

All persons who desire extra copies should send in one dollar (\$1.00) before the first of April, which will reserve them an extra Yackety Yack. The balance will be payable upon receipt of extra copy in May.

The order for the exact number of Yackety-Yack will be mailed to the publishers on April first. There will positively be no second edition, nor will the number originally ordered be altered under any circumstances. The present number to be ordered includes enough books for each student to have a copy as provided for in advance as the exact number be known before the order is placed in the hands of the publishers.

Upon the invitation of Prof. E. V. Howell the Raleigh String Quartette came to Chapel Hill and played for a number of Mr. Howell's friends in Mrs. Fred Patterson's home Sunday night.

WEST VIRGINIA ACCEPTS QUERY

Debate With West Virginia University Will Be Held Here April 10

The University of West Virginia has accepted the terms of a debate here as set down by the Carolina Debating Council and plans for the debate have been made. The question agreed upon is Resolved, That the United States Should Adhere to the Permanent Court of International Justice on the Basis of the Conditions Proposed by Secretary Hughes. Carolina will have the negative side.

The West Virginia debate was expected to be postponed until next year due to some misunderstanding as to the query and also to the date of the debate. Since West Virginia has accepted the query and sides it will mean that there will be intercollegiate debates in the spring quarter with six different institutions. There will be four contests, two being triangles and two dual debates.

The finals in the West Virginia debate are set for April 10, and the preliminary try-outs for March 27. The mountain state institution could debate only two dates, either the 10th or 11th of April, because her teams are making a trip South about this time on the same question.

Try-outs will be held shortly after exams and men going out for debate should begin to work right away. There are to be three men on the team and an alternate. Preliminary speeches will be limited to five minutes, so that the judges will not have to take up so much time on the preliminary, as there will be a number of men out for debate.

Last year West Virginia defeated the Tar Heel team sent to Morganton to oppose them. This team was composed of C. A. Peeler, G. C. Hampton and H. M. Saunders. The debate this year will give Carolina a chance to break even with the West Virginia institution.

The Debating Council urges that a large number of men go out for the debate, not only that Carolina should win this debate but that the Spring Quarter's forensic program may be carried through successfully. There will be a fine chance for men to make places on intercollegiate teams this coming quarter because of the number of contests booked.

The gold N. C. monogram is given to all varsity intercollegiate speakers. Membership is also extended to all those making such contests by Tau Kappa Alpha, national honorary forensic fraternity.

WILL CONDUCT CONTEST FOR HIGH SCHOOL PAPERS

A contest in journalism for High School newspapers and magazines is to be commenced this year. This contest is under the auspices of the Extension Division of the University and is a continuance of its policy of increasing the excellence of athletic and scholastic achievements of the various High Schools.

Two silver cups will be awarded by the Extension Division; one to the High School having the newspaper judged best, the other to the High School having the magazine judged best. In deciding on the newspaper, the judges will take in consideration news values, editorial values, and the general make-up and typographical appearance of the papers which are entered. In judging the magazines entered, consideration will be taken of literary excellence, editorial values, general make-up, and typographical appearance.

N. W. Walker is chairman of the committee which will conduct the contest. Others on the committee are: J. F. Royster, C. A. Hibbard, Louis Graves, E. R. Rankin, C. D. Snell, and R. W. Madry.

Dr. Archibald Henderson's new book "Washington's Southern Tour" (Boston: Houghton Mifflin Co. 1923) is reviewed in the weekly Literary Review of the New York Evening Post Mar. 1, 1924. The reviewer praises the thoroughness and accuracy of the work. The review itself is of interest.

Dr. I. H. Manning, who has been in Chicago to a meeting of the Association of American Medical colleges, will be back on the Hill about Monday.
