

## SENIORS DECIDE ON A BIG WEEK

### Gaudy Costumes to be Worn by the Graduates During Week

Senior week, with all seniors wearing "Tuck" collars, blue and white neckties, and class colors of purple and gold, is a new innovation at Carolina which promises soon to become a tradition of the University. The Senior class, meeting Tuesday night, went on record as favoring a proposal by Johnny Purser to inaugurate Senior week as a constituent part of the Senior program during the last few weeks of school.

It is announced that co-ed members of the class will take part in all activities of the program, except that they will not wear the "Tux" collars. Senior Week will get under way next Monday morning at 10:30 o'clock, when the class will assemble under the Davie Poplar. About 10:45 o'clock that day the Senior flag will be raised on the campus flag pole between the Old West and Old East buildings.

The regular Davie Poplar meetings will begin Monday night at 7:00 o'clock, and will continue throughout the week. Monday night Prof. Horace H. Williams will give the class a 15-minute talk; Tuesday night the Senior Banquet will be held at Miss Cate's Cafeteria; Wednesday night Prof. M. C. S. Noble will make a short talk to the class; Thursday night will be devoted to a musical program; Dean D. D. Carroll will make a short talk to the class under the old Poplar on Friday night; Saturday night Dr. James F. Royster will be the speaker.

Preparations for the banquet, which will begin at 9:00 o'clock Tuesday night and last until mid-night, are elaborate. Various members of the class will make speeches and there will be entertainments with the students in the role of entertainers. One advanced number which, it is said will be a great feature, will be an act by Mrs. Anne Majette Grant, Eli Bloom, and other entertainers on the program. A Senior quartette, with Cap'n C. N. Siewers as the leader, with Holt Moore, C. E. Prescott, and Sam Blount also lending their voices to the occasion, will be another feature of the banquet. Humorous talks by Earle H. Hartsell, Cullen Bryant Colton, and others, will be another feature.

Wednesday night song services will be held under Davie Poplar, while Thursday night will be devoted entirely to music. The program includes a quartet, with either the Uni-

## CHI PHI REVIVE ALPHA CHAPTER

### Gamma Phi to be Installed Into National Fraternity Next Fall

Word was received here recently by Gamma Phi, local fraternity petitioning Chi Phi national, that their petition to revive the old chapter of the fraternity here has been favorably passed. The local group has been organized nearly two years, petitioning Chi Phi last fall.

The "Southern Order" of Chi Phi was founded at this University in 1853 by Thomas Capheart and four other undergraduates. The chapter enjoyed a prosperous life until the Civil War came on after which the University was closed for a period of ten years. With the inactive period of the University the chapter died and was not revived.

The chapter, when installed, will be known as the Alpha Alpha of Chi Phi. The old chapter became the Alpha of the fraternity at its foundation, but when it became inactive the Virginia chapter assumed the powers of the parent chapter.

Very interesting bits of University and fraternity history are connected with the old chapter of the fraternity here.

Installation dates of the local group have not yet been definitely set, although it will probably be next fall in order to allow the new members to attend the 100th celebration of the founding of Chi Phi in this country.

## Reporters Selected For the Coming Year

Fifteen new men and one co-ed reporter have been added to the staff of the Tar Heel to take the places left vacant by men who will not be with the paper next year.

This number represents the successful candidates who went out for places on the board some time ago. A number of other men had to be left off the board because of the limited number of places. The board for next year will be considerably larger than this year's but more men were needed to reorganize and equalize the beats of the campus.

Four men are retained as alternates. These men, if they show up, may oust some of the present board for next year.

From the 16 successful candidates, 11 are from the freshman class; 2 are sophomores; 2 are juniors, while one is a special student.

The new men are C. V. Kiser, C. W. Bazemore, R. B. Raney, E. R. Patterson, F. P. Eller, W. L. Wilson, J. T. Madry, James Van Ness, J. M. Sartin, G. E. Wilkerson, W. T. Peacock, W. T. Rightsell, B. C. Wilson, Julian Busby and W. N. Cox. Miss Lucy Lay will be the co-ed on the board.

The four men retained as alternates are J. K. Davis, C. A. Moore, E. S. Gilreath and E. B. Stone.

## Many Students Plan to go to Blue Ridge

According to the latest report of the Committee in charge of Blue Ridge work, 44 men have signed up for the trip to represent Carolina, and there are some 60 others on the list of possibilities from which the committee is signing up several new members every day. All men who are interested in going should get in touch with some one of the committee at once or call at the recruiting office, at the Y. M. C. A., to complete the arrangements.

In the next issue of the Tar Heel there will be a list given of the men who are planning to go, and an additional list of the men who have the trip under consideration.

At this time last year, there were only 25 men signed up for Blue Ridge, and it seems from this that there will be something like twice the number of Carolinians there this time than there were last year. An effort will be made to register a complete victory for Carolina as there are still two championship pennants at large the members desire to bring back and pin on the walls of the Y.

## M. A. James Will Go To Sewanee Contest

M. A. James, Asheville, N. C., goes to the University of the South, Sewanee, Tenn., Saturday night, May 17, to represent Carolina in the Southern Oratorical contest. Preliminaries were held last Tuesday night in Phi Society Hall. James' subject was "Inter-racial Adjustment."

Other contestants and their subjects were: R. L. Hollowell—"Ideals and Democracy"; L. T. Bledsoe—"The Stone Mountain Memorial"; J. H. Morton—"The Menace of Nationalism"; and D. H. Hodgkin—"The Gospel of Peace."

Hodgkin, who represented Carolina at the Southern contest a few years ago, was chosen as alternate.

James took second place at the annual Peace Oratorical contest held recently in Durham where he represented Carolina. He also won other honors here, being one of the final contestants in his Junior year for the Julian S. Carr medal in oratory. Carolina's representative in the Southern contest last year was E. H. Hartsell, who also won the Carr medal.

The judges for the preliminaries were H. W. Odum, R. W. Adams, and H. D. Meyers. Malcolm M. Young acted as presiding officer and secretary.

Last Tuesday night Dr. N. W. Walker made the commencement address at the closing exercises of Roper High School. Last Tuesday morning, May 13 Dr. Walker delivered the address at Siler City High School. He has the following commencement addresses booked for the future: May 23 at Bltmore, May 30 at Rocky Mount, and June 3 at Ashboro.

## VARSITY LEAVES FOR THE SOUTH

### Team Will be Without Service of Several Regulars

The Carolina baseball team left Thursday for Macon, Ga., where it plays Mercer tomorrow in the first of two games between the two institutions. The second game will be played in Macon Saturday. Alabama will be met next on May 19 and 20 at Tuscaloosa and the trip will end with two games with the University of Georgia at Athens on May 21 and 22.

The team will be badly handicapped on its tour by the loss of four of its regulars—Captain Hermon Bryson, pitcher, who will miss two games; "Monk" McDonald, second baseman; "Rabbit" Bonner, catcher, and John Coffey, outfielder.

Captain Bryson, who was unable to leave with the team on account of work required for his master's degree, will leave here Sunday and meet the team in Tuscaloosa in time for the first game with Alabama. Other pitchers making the trip are Ferebee, Coltrane, Poyner and Moore.

"Monk" McDonald and Johnny Coffey were both unable to make the trip on account of studies. Two likely substitutes for McDonald's position at second are Charlie Thomas, star third baseman of the freshman team last year, who has played several games at third with the varsity, and Fuquay, substitute on last year's varsity.

Johnny Coffey's loss will be felt most in the hitting department. His hitting average so far this season is above .400. Gibson, who has shown up well in games this season, will probably take his place in outfield. Carmichael, who was out of several

(Continued on Page 4)

## TRINITY WINS BY RALLY IN NINTH

### Bonner and Spikes Hit Homers; Bonner's Hand Badly Hurt

For the third successive game Carolina jumped off to a two run lead in the first inning only to be nosed out by a late spurt. For the second time this two run lead has been due to a home run. Both times McDonald has been on base. Yesterday he was first man to face Trinity, and he opened with a slashing triple. Before the cheering had died away, Bonner smashed one of Dempster's south-paw offerings for a home run.

Both pitchers were hit freely. Carolina getting eight hits and Trinity seven. Of Trinity's seven hits Spikes, their center fielder contributed four, batting for an average of 1.000, by getting two singles a homer and a triple. McDonald was the big man at the bat for Carolina. He got two singles and a triple. Although touched for seven hits, Bryson kept them scattered. In only one inning, the ninth, did Trinity get more than one hit. Besides pitching a nice game, Bryson starred in the infield. He made two put outs and six assists.

Bonner split his hand on a foul ball in the sixth inning and was forced to retire from the game. Morris finished behind the bat, Jones going to first.

Trinity tied things up in the fourth, when Spikes hit a homer after Towe had walked. Neither side scored again until the sixth when Dodderer opened up for Carolina with a hit through short-stop Johnson hit one to second base, reached first while Turner was retiring Dodderer at second and took second when Turner in a try for a double play, threw the ball over the first baseman's head. Bry-

## Harry W. Chase Oper- ated on in Durh

Dr. Harry Woodburn Chase, president of the University of North Carolina, underwent an operation for appendicitis Thursday at Watts hospital, Durham. Dr. Chase entered the hospital Monday and after a thorough examination by D. Foy Roberson, a University alumnus, the operation was decided upon.

Reports from Durham say that Dr. Chase stood the operation well and is on the road to a rapid recovery.

## Masque and Wigwe to Close Contest June 1

Masque and Wigwe is again conducting a contest for a manuscript which will be used as the basis for the annual musical comedy to be presented by that organization next fall. As usual a prize of \$50.00 is offered for the winning manuscript. It has been customary in the past to hold this contest in the fall of the year; the change in date for the contest is due to the fact that the production itself will be given at an early date next year instead of in the spring quarter.

It is known that five plays are being written for entrance in this contest, and there are undoubtedly others in preparation. The manuscript must be delivered to Mr. Weaver by June 1st.

## N. C. Tennis Team Continues on Trip

The Carolina tennis team left Atlanta last Tuesday, where they entered the Southern intercollegiate tennis tournament, for a match in Cincinnati. Their schedule for the rest of the week is V. P. I. in Blacksburg on the 14th, Washington and Lee on Saturday the 17th. Later a return match will be held with Davidson at Chapel Hill.

Although neither the doubles team nor the singles player that won the tournament is from Carolina, Solomon, of Carolina, was runner up in the finals and Solomon and Smith were runners up in the doubles. The tournament was won by Tulane, chiefly through the excellent playing of Murray, who won the singles and, with his partner Saunders, the doubles. This is the second time in succession that Tulane has won the singles championship. Murray defeated Fuller 6-3, 6-2; Smith, 6-2, 6-2, and Solomon, 6-3, 6-4.

The score of the final match in the doubles by which Murray and Saunders defeated Solomon and Smith was 6-3, 6-4. This match was played on Sunday on account of delay caused by weather conditions. Also the shortage of time caused the final match to be but two out of three instead of three out of five. The weather was bad; there being both rain and wind during the whole tournament.

There were seven entries in the tournament: Georgia Tech., Clemson, Louisiana State University, Tulane, Auburn, Tennessee and Carolina. Of these Carolina's doubles team defeated Georgia Tech., Clemson and Louisiana State University.

## Campus Songsters Start Serenading

The typical May weather of last week brought forth many of the budding campus songsters and the studious students had the sorrowful sound of soulful singing added to the already prevalent barking of dogs and honking of autos. As a rule the singing has been extremely distracting and most of the musical authorities on the Hill have been prone to call it plain noise.

An unusual outbreak of music took place Tuesday night, and the campus was liberally sprinkled with various sized quartets. An effort was made by the inhabitants of the second floor of Battle dormitory to squelch a little of the racket when a wandering band of the troubadours passed by. The singers were thoroughly drenched and after a verbal contest, the scoffed-at musicians charged the students quarters. The sally resulted in attracting quite a number of spectators who stood outside the window and watched the contest until it subsided, with no damage done except to furniture.

## RACE TO BE SETTLED IN CHAPEL HILL

### Rockingham and Shelby Will Stage the Big Fight Saturday

#### MANY VISITORS HERE

High school baseball will occupy the center of the stage in athletic circles at Chapel Hill the last two days of this week.

The Garner and Bessemer high school teams play on Emerson Field Friday afternoon for the championship in the contest which is conducted for those high schools which have not yet been placed on the accredited list, and on Saturday afternoon the Rockingham and Shelby high school teams will play for the State championship in the final game of the contest which is conducted by the High School Athletic Association of North Carolina.

Fourteen high schools entered the contest in which Garner and Bessemer have emerged as eastern and western victors. In the final eastern game, played at Smithfield on May 9th, Garner defeated Four Oaks by the score of 6 to 0, and in the final western game, played at Thomasville on May 10th, Bessemer defeated Lowell by the score of 5 to 2.

Forty-seven high school baseball teams three weeks ago entered the baseball contest of the High School Athletic Association of North Carolina, and the Rockingham and Shelby teams have come out of the elimination struggle as champions of the eastern and western sections respectively.

The Rockingham high school won the eastern championship by defeating Woodland at Chapel Hill on May 13th by the score of 9 to 8, and Shelby made secure the belt to the western title by defeating Spencer at Charlotte on May 13th by the score of 8 to 6.

Both the Shelby and the Rockingham high school clubs have set up splendid records for the season and a close and exciting game is expected when the two teams meet here on Saturday afternoon at 3:30 o'clock.

A big attendance is looked for at the game, it was stated here today. Many visitors are expected to come to Chapel Hill from Shelby and Rockingham to witness the contest and to cheer their favorites on in the final game of the race for the State trophy cup.

An interesting fact is that the coaches of the two high school teams, Rockingham and Shelby, were both noted athletes at State College. "Shorty" Lawrence, who pilots the Rockingham highs, and Dick Gurley, who has charge of the Shelby boys, were team mates and classmates at State College, and for several years both played a leading part on the State College Athletic teams. Both coaches were graduated from State College in the class of 1921.

The University band under the direction of L. R. Sides will play for the final games on Friday and Saturday. The county clubs will look after the entertainment of the high school visitors.

## Monograms to be Awarded May 28

Plans are underway for the big Awards Night of the University, which will be in Memorial Hall Wednesday, May 28th at 8:30 P. M. This is a new thing on the University calendar and it is expected that it will take well with the student body.

The awarding of monograms and certificates to the men making letters in athletics and debating, the reading of the list of men tapped for Golden Fleece will compose the awarding part of the program.

The new Student Council will be installed and the other recently elected student leaders will officially be given the reins of office.

A report of the activities of the past year will be given by the retiring president of the student body, while the new president will accept the responsibility of campus leadership for the ensuing year.

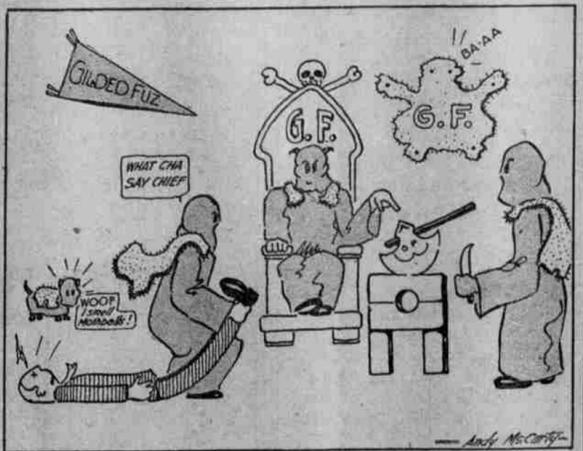

It is hoped that the affair will be made an annual event.

## CHEERIO! WELL BOYS, HERE IT IS --- THE GILDED FUZZ SELECTION

### Hay-Shaker Frustrates Attempt to Disrupt Order—White Fails of Re- election—Brody Severely Reprimanded—Fuzz to be Carried on Next Year by HayShaker, Second

"Of fools the world has such a store,  
That he who would not see an ass,  
Must bide at home, and bolt his door  
And break his looking glass."

By the "Hay-shaker"  
Well campus here's the pick! Its been unpleasant and far from easy task so we hope that you will be pleased. We would warn you at the outset to be careful in accepting the opinion of others on our selection. It is so difficult to begin any really great movement without engendering antagonisms. Several men whom the Hay-shaker missed last year are still sore and these together with this season's disappointed will vilify him and the selection of his order. Likewise in the faculty there will be those who will execrate him and heap loads of vituperation on his shoulders. We know that this is sure to occur from our experience of last year. One

"Fuzzy" Paul Addison Clements of Atlanta, Georgia has just been rapped for the Order. Fuz Fronberger is bringing him before the "Hay-shaker," the patron saint of the organization, for further instructions. The executioner is Fuz Bingo White, while the dog, to the left, is the mascot.

professor, filled with jealous envy, then declared that the founder of the infamous order should be expelled from the dear Old University—an assertion which in the main is correct. So boys be careful to discount the opinion of others.

To the disappointed element we say that the 1923 Gilded Fuz conscientiously tried to rid bias and personal feeling from the atmosphere of its hall; that the order has been constantly on the alert throughout the year, and that it grieved us all not to be able to put each and everyone of you. We sincerely believe that our pick is the best possible. If perchance we have erred then it was but the inevitable and therefore does not deserve severe censure.

Summing up the achievements of the Fuz at a recent meeting and pleading for the discontinuance of the order, Fuz P. C. Fronberger said

(Continued on Page 4)
