

Campus Notes

A regular tryout for Gym letters was held recently, in which R. Y. Thorpe of Rocky Mount, N. C., and A. L. Gilreath of Hendersonville, N. C. made their letters.

Judge Henry G. Connor of the United States District Court for Eastern North Carolina was initiated into the Phi Alpha Delta Law Fraternity last Monday night.

Mr. and Mrs. Leah entertained the senior class of Electrical Engineering students by serving them a delightful supper last Monday evening, May 25.

Prof. A. H. Patterson, Dean of the Physics Department, will return to Chapel Hill June, 15. Prof. Patterson has been to Harvard on a years leave of absence granted by the Kenan foundation. He will immediately begin work by teaching Physics I during the first session of the Summer School.

Prof. E. L. Mackie, of the Department of Mathematics, will not be here next year. He will go to Chicago.

Pouring of concrete for the Graham Memorial Building began Wednesday. At the same time, a smaller mixer was put to work pouring the concrete for the steps at the north end of Steele Boulevard.

Among the visiting girls who attended the Grail dance were: Misses Mae Katherine Swink, Lucille Glenn, and Lucia Wilkinson of Winston-Salem, Miss Elizabeth Rose of Henderson, Miss Dorothy Mendenhall of Lexington, Miss Hester Banks of Wilson, Miss Claudia Jones, Mary Strange Morgan, Margaret Hunter, Margaret O'Donnell, Katherine O'Donnell, and Grace Lee of Raleigh, Miss Daisy Smith of Tarboro, Miss Elsie Harris of New Bern, Miss Margaret Wellon of Smithfield, Miss Daphne Raper, and Miss Louise Latta of Salem College.

The Juniors who served at the Senior Banquet on Tuesday night were: Misses Elizabeth Hickerson, Geneva Phillips, Gertrude Samuels, Margaret Jones, Caro Mae Green, Mildred Cherry, Blanche Allen, Nancy Moose, Frances Gray, Jewel Sink and Lucy Lay.

- Permanent Booloo—Charles W. Gold.
 Booloo Club
 President _____ George Darst
 Vice-President _____ Otis Fulton
 Secretary _____ James H. VanNess III
 Treasurer _____ Redmond Dortch
 Booloo Members: Charles Marcelus Pritchett, Charlie Griffin, Huger Sinkler, Louis Carr, Tom Pearsall, Gus McPherson, Jim Barnes, Jack Justice, Phil Atkinson, Paul Whitlock, John, Cotton, Bobby Walker, Jim Mer-

rimon, P. A. Clement, Finley White, Johnny Graham, Red Dill, R. M. Hardee, Andy McIntosh, Fuller Brown, Thomas Quickell, Hobbs Anderson, Bill Lee, Harry Johnson.
 ALL AMERICAN _____ Kyke Kiser

BUILDERS BADLY BEATEN

The University Service Consolidated team, composed of employees of the building and of the electrical departments, played the Thompson Construction crew a very interesting game of baseball on Emerson Field, Saturday afternoon at 1:30 o'clock. The score was 13 to 4 in favor of the consolidated team. Judging from the practice games during the week the construction crew was booked to win Saturday's game, but the consolidated team upset the dope by playing superior ball.

"Tick" Moore was on the mound for the winners and had the construction team at his mercy throughout the game. Stuart started pitching for the constructors, but was hit hard and had to be relieved by Hutchins.

Fouts and Vashaw featured for the consolidated team. Fred Anderson and Farrell featured for the construction crew.

Batteries: Consolidated team, Moore and Dalton; Constructors, Stuart, Hutchins and Bryson.
 Umpire: Blackford.

Summer School Musical Program is Arranged

The Summer School students will have a big opportunity to hear concerts by various well known and famous musicians.

During the first session of the Summer School there will be five public concerts, and during the second session there will be four. Out

of a total of nine, four will be recitals by members of the Summer School faculty. The first of the faculty recitals will be given by Mr. and Mrs. Gildersleeve of Greensboro, N. C. Mrs. Gildersleeve is a pianist of note, and has a very fine soprano voice. Mr. Gildersleeve is a baritone. The second recital will be given by Mr. Frederick Hard, violinist, with Mr. Weaver assisting, at the piano. The next two recitals will be held during the second session of Summer School. There will be a recital by Miss Bertha B. Clement, soprano, of East Orange, N. J., and an organ recital by Mr. Weaver.

In the first summer session there will be three big concerts by world famous artists. The first one, to be on the night of June 23rd., will be by the New York String Quartet. This is an organization of four very fine musicians, formed and subsidized by Mr. and Mrs. Pulitzer of New York City. The Summer School Music Festival will be held on July 14th. and 15th. On the night of the 14th. Mr. Gildersleeve will conduct the "Summer School Chorus" in a very attractive program of miscellaneous numbers, and the soloist of the evening will be Mr. Jerome Swinford of New York City. Mr. Swinford has a very fine baritone voice and has been making a very enviable reputation during the last few years all over the country in concert work. On the next night, July 15th., the program will be rendered by Mme. Marie Sundelius, prima donna soprano, of the Metropolitan Grand Opera Company. She is one of the finest sopranos in the world today.

There will be two artists' programs in the second session of Summer School. One of these will be given by Mr. Frederick Gunster, of New York City, who has a wonderful tenor voice. The artist for the second program has not been engaged.

The Randolph County Club met in the Y. M. C. A. club room Thursday May 22, at 9 P. M., with fifteen members present. President J. W. Birkhead, Jr. called the meeting to order and made a short speech urging more loyalty on the part of the members and insisting that the club go forward with greater work next year. Then followed the election of officers, which resulted in the following officers for 1924-1925: President, "Red" Routh, Franklinville, N. C.; Vice-President, J. B. Meredith, Trinity, N. C.; Sec.-Treasurer, W. H. Redding, Trinity, N. C.

In the mind of every serious thinking college man there arises a question—“What am I going to do after graduation?” This question presents a serious crisis. It demands a definite decision.

In an unusual degree the Life Insurance business combines the opportunity for conspicuous business success with the opportunity for real social service. Here is a profession that is eminently worthy of consideration.

“Would you like to try it this Summer?” Write to us for particulars.

The way to get the finest shave

The Hinge-Cap is a sure way of identifying Williams Shaving Cream. And Williams, besides giving you the convenient Hinge-Cap, will improve your shave in three ways:

First, the lather is heavier and holds the moisture in against the beard. Quicker and more thorough softening of the beard results. Second, the razor glides more easily through the Williams-softened beard because Williams lather lubricates the skin. Lastly, an ingredient in Williams keeps the skin in good condition no matter how heavy your beard nor how frequently you shave. In addition, you'll enjoy Williams because it is a pure, natural white cream without coloring matter of any kind. Ask for it.

Look for the Hinge-Cap

It sums up like this:

First—the very best Burley tobacco that old Kentucky grows, then—every single bit of it thoroughly aged in wood to take out the raw strength and make it mild and mellow, and give it a fine flavor.

That's what you get when you ask for Velvet Tobacco. Remember—aged in wood.

LOGGERT & MYERS TOBACCO CO.

Gray wouldn't take "no" for an answer

"Sonny, old man, I wouldn't have time to change my clothes."

"Aw listen!" growled Gray. He pulled Davidson over to a mirror. "Now! Look at yourself. Is there any real reason why you should change that suit?" And Davidson grinning, had to admit there wasn't.

There's the big fact about a Clothcraft "5130" Standard Serge. A hard day at the office doesn't put it out of the running. This three-button loose fitting, college sack model is especially popular with better dressed young men this spring.

DURHAM

The initials of a friend

You will find these letters on many tools by which electricity works. They are on great generators used by electric light and power companies; and on lamps that light millions of homes.

They are on big motors that pull railway trains; and on tiny motors that make hard housework easy.

By such tools electricity dispels the dark and lifts heavy burdens from human shoulders. Hence the letters G-E are more than a trademark. They are an emblem of service—the initials of a friend.

GENERAL ELECTRIC
