

Your Photograph As a Christmas Present

Your photograph is a gift appreciated beyond all others—a present impossible to duplicate. Nothing could be more appropriate than to send "her" your photograph at Christmas.

It matters not to which class you belong, or whether you're supposed to have an individual

picture in the Yackety Yack or not, you can have your photograph taken by the Yackety Yack photographer and delivered here or, at home, before Christmas.

Information about your picture can be found at the desk in front of the Post Office.
