Thursday, January 23, 1936

Three University of Florida stu-
dents are to run for the state legis-
lature. Perhaps their action is occa-
sioned by school spirit—Florida may
have her Poolies too.

Because Dr. Chase says conditions
are improved here the Fayetteville
Observer thinks it an admission of
former rottenness. A statement that
three and three fail to tally seven
does make it an admission that they
total seventy-seven.

These Yackety-Yack folks are a
demanding lot. Very few other folks
could get your picture, your money,
and your life's story all in one week.

A few more of ye honorary or-
ganizations here and ye prominent
all-round student will be forced to
employ ye valet to exhibit ye em-
blems so that ye proper distinction
will be accorded ye campus leader.

COMBINING THE PHI AND THE DI

It has been proposed that the Dia-
lectic Senate and the Philanthropic
Assembly, both of which formerly
did business under the names of so-
cieties, should join hands and fuse
themselves into a single body.

In this proposal we see the spec-
tacle of two time honored and distin-
guished bodies preparing for them-
selves a bed for their fall before the
progress of time. These once pow-
erful student organizations now find
themselves nothing more than a
mouldering skeleton of former great-
ness. Various tricks have been re-
sorted to in an effort to maintain life
but little success has attended them.
Attendance has been made volun-
tary, the halls have been thrown
open to visitors, and the societies
have given practically all of their
constructive work.

Even the ancient rivalry between
the two bodies has disappeared.
Neither the organizations themselves
nor the campus are benefitting by
their separation. They are too weak,
superannuated bodies existing on the
hollow hull of former glory.

The fusion of the two bodies may
bring decided benefits. It can hard-
ly do harm. As literary societies the
two bodies, now barely existing, are

farces. Their combination into one
organization would bring together
all the minds that are interested in
oratory and debating. The union
could become a reliable center for
the expression of student sentiment
and opinion. If this could be accom-
plished, the change would be well
worth while.

VOCATIONAL GUIDANCE STUDY GROUPS PLANNED

Study groups for the purpose of help-
ing the freshmen in choosing a profes-
sion have been formed from statistics
taken in chapel last week.

There will be fourteen groups repre-
senting different professions and if the
demand is great enough a few more
groups will be formed, according to
Dean Bradshaw. The first meeting will
be a combination meeting of all the
groups Tuesday in Gerrard Hall at
Chapel period. The manner of deciding
on a profession and how to study and
learn more about one's chosen profession
will be discussed.

The time for the group meetings has
been set for 5 o'clock temporarily. Dean
Bradshaw stated that he hoped to get
in one meeting a month. The schedule
has not yet been completed but the
time will be announced several days
before the first meeting. Dean Brad-
shaw has extended an invitation to
those who have not fully decided on
their vocation. Below is a list of the
fourteen vocations selected: Law, Medi-
cine, Journalism, Business, Teaching,
Architecture, Music, Acting and Dramat-
ics, Engineering, Dentistry, Athletic
Coaching, Diplomatic Service, Govern-
ment and Politics, Literary work, his-
tory and philology.

DEUTSCHER VEREIN WILL MEET TONIGHT

The Deutscher Verein will hold the
meeting that was scheduled for last
Thursday evening tonight at 7 o'clock in
the Parrish House of the Chapel of the
Cross. This will be the third meeting
of the year. All members are urged to
be present.

Dr. Wind, of the philosophy depart-
ment, will favor the Verein with sev-
eral popular German songs. German
discourse and German games will be
practiced by the members. The usual
business of the club will be taken up
but the meeting will be principally of a
social nature.

All those who are interested in Ger-
man language, literature and culture
are cordially invited to attend the meet-
ings of the Verein which are held on
alternate Thursdays.

Randolph Club Picture Will Be Taken Today

There will be a meeting of the Ran-
dolph county club this afternoon in front
of Phillips Hall for the purpose of mak-
ing the club picture for the Yackety
Yack. All members are urged to be
present, as the larger the group is, the
cheaper will be the individual charges
for the picture. The inclusion of the
club picture in the Yackety Yack has
become recognized as one of the policies
of the club, and each member is urged
to be present for the picture.

Pi Kappa Alpha Lets Contract for House

The building committee of the Pi
Kappa Alpha fraternity signed the con-
tract for the construction of their new
fraternity house yesterday afternoon.
The contractor is Mr. B. S. Thompson of
Chapel Hill, who was also the contractor
for the present Sigma Nu and Theta
Chi houses. Tentative arrangements call
for the structure to be completed before
August 15, it being planned to have it
ready for occupancy at the beginning
of next fall quarter.

A course for electric metermen is be-
ing given at the Alabama Polytechnic
Institute. Last five days.

Calendar

Thursday, January 23
10:30 A. M.—William Cain Civil
Engineering Society, room
319, Phillips Hall.
1:30 P. M.—Di Society Picture,
Law Building.
1:45 P. M.—German Club meeting,
Memorial Hall.
4:00 and 7:00 P. M.—Playmaker
Try-outs, Theatre Building.
7:30 P. M.—Deutscher Verein,
Episcopal Parish House.
Friday, January 24
10:30 A. M.—Junior Class members
of German Club, Gerrard Hall.

of German Club, Gerrard Hall.
Saturday, January 25
7:00 P. M.—Phi and Di Societies,
29 New East Building.
Monday, February 1
8:30 P. M.—Y Cabinet meeting.
Renfro Club meeting.
Tuesday, February 2
U. N. C. vs. N. S. State, Tin Can.
8:30 P. M.—Freshman Friendship
Council meeting.

EXAMS FOR TEACHERS IN PHILIPPINES HELD

Bulletin Is Received From Civil Ser-
vice Commission Announcing Proxi-
mity of Coming Examinations.

The Bureau of Appointments con-
nected with the Graduate School recently
received a bulletin from the United
States Civil Service Commission an-
nouncing the proximity of competitive
examinations for positions as teachers of
secondary English and normal school
demonstration teachers in the Philippine
Islands.

These positions carry a salary of from
\$3,000 to \$4,000 per year, which, at the
present rate of exchange, amounts to
from \$1,500 to \$2,000. Two year con-
tracts are required of all applicants who
are accepted for positions. Approx-
imately fifty of these appointments are
made by the Civil Service Commission
every year. Of these fifty about five or
six are open to normal school demon-
stration teachers and the remainder to teach-
ers of English.

All applicants will be given examina-
tions at places to be specified by the Com-
mission and will be judged according to
physical ability, education, training, and
experience. Of these, physical ability is
rated ten per cent, and the remaining
three factors ninety per cent. These
examinations will be given within a short
time as the Philippine school year be-
gins in the early part of June and all
appointees are instructed to sail from
San Francisco during the first two weeks
of May.

Requirements for the positions are as
follows: either (1) completion of a four
year course in a teachers' college or
normal school, with English as the ma-
jor subject; or (2) completion of three
years' work in a teachers' college or nor-
mal school plus two years experience as
a teacher of English in a recognized sec-
ondary school; or (3) completion of two
years' work in a teachers' college or nor-
mal school plus four school years of ex-
perience as a teacher of English in a re-
cognized secondary school, or (4) com-
pletion of a four-year course in a college or
university of recognized standing, with
English as the major subject, and with
at least one school year of experience
as a teacher of English in a recognized
secondary school.

Married couples and single men are
given preference in these appointments.
Applicants must be from twenty-two to
twenty-eight years of age, except in the
case of single women, when the age limit
is from twenty-eight to thirty-eight.
Promotion to positions as principals of
Philippine schools is open to all the ap-
pointees. Further details concerning
these appointments may be secured
either from one of the Civil Service
bulletins or from the graduate office.

FRESHMAN QUINT HAS PROMISING MATERIAL

Several Outstanding High School Play-
ers Come Out for Practice—Hard
Schedule Has Been Arranged.

From present indications the freshman
quint this season will be a speedy and
dangerous combination, several men on
the squad showing promise of proving
possible successors to the present "White
Phantoms." The squad, although not
exceptionally large, is made up of a
group of promising youngsters who have
been taking stringent workouts every
night under the tutelage of Coach Shep-
ard, and they bid fair to develop into a
formidable aggregation.

Among the candidates are Satterfield
and Hackney, who will be remembered
as the fleet-footed forwards of last
year's Durham high quint, which won the
state championship and entered the na-
tion-wide tournament for high schools at
Chicago, where they made an impressive
showing. Other outstanding men on the
squad are: forwards, Covington, Waynes-
ville; Oakley, Roxboro; centers, Watkins,
Charlotte; Baggett, Lillington; and
guards, Philator, Winston-Salem, and
Foard, Charlotte.

The first game scheduled for the Tar
Baby five is on the night of February 2
when they are due to lock horns with
the first year tossers from N. C. State.
The game will be played as a prelimi-
nary event to the varsity contest with
State. This insures that a large crowd
will witness the initial appearance of
the University freshmen, when Coach
Shepard's men will be able to show just
what they are capable of doing under
fire.

The schedule, as announced to date,
will be a hard one as it includes games
with some of the leading institutions of
North Carolina and Virginia. Besides
two games each with State, Duke, and
Wake Forest, a six day trip into Vir-
ginia is included, during which Washing-
ton and Lee, Virginia Military Insti-
tute, Augusta Military Academy, and
Woodbury Forest will be met.

Dean Bradshaw spent Wednesday in
Raleigh.

Let's dance and sing and make good
cheer
For Christmas comes but once a year.

—G. Macfarren.
Physically unfit co-eds at L. S. U.
will spend their gym hours sleeping.

DEPUTATION TEAM HAS GOOD TRIP

Fayetteville Trip Discussed At
Y Cabinet Meeting Monday.

STATE "Y" CONVENTION

And Bible Discussion Groups Taken
Up At Meeting.

Reports from several members of the
"Y" Deputation Team, which went to
Fayetteville last week-end, the selection
of men to represent the "Y" at the state
conference in Raleigh which began yester-
day, and the announcement that an-
other series of Bible discussion groups
is to be started beginning tonight were
the main things of interest brought out
at the meeting of the "Y" Cabinet Mon-
day night.

Walter Crissman will again be in
charge of the discussion groups as a
whole. Although the series conducted
under his supervision last fall surpassed
in attendance and in results any series
ever held at the University, he expects
to make the ones this quarter even more
successful and instead of only one group
on the floors of some dormitories to have
two. The topics will follow six of the
major points in Christ's teaching.

The men from the Cabinet who were
practically certain that they would go
to the State "Y" convention yesterday
were: Emmett Underwood, Frazier
Glenn, Galen Elliott, Travis Thompson,
Jack Davis, Joe Bobbitt, Holt McPherson,
Beverly Roney, and K. Barwick.

The Fayetteville Deputation Team was
composed of a vocal quartet, a string
quartet, and several speakers. Those
making the trip were Jack Davis, J. L.
Smith, Arthur Raper, Ralph Harding,
Taylor Bledsoe, Ikeby Calhoun, Aleck
Mendenhall, M. B. Madison, M. E. Wood-
all, and Mr. Comer.

The trip cost neither the "Y" nor the
individual members anything, except
their personal spending money. Citi-
zens of Fayetteville both came to Chapel
Hill for the men and brought them back
late last Sunday night after the last
meeting. They arrived in Fayetteville
late Thursday afternoon. That night
they were guests at a banquet given by
the Hi-Y club, after which they attend-
ed a meeting of Boy Scouts.

Friday was the heaviest day. The
morning was taken up with visits to the
high school and two of the elementary
schools, talks being made at the high
school by Raper and Calhoun on the
four "C's" and at the other schools by
other members of the team. They were
guests of the Kiwanis club at dinner.
The afternoon was partly taken up with
a visit to the Preventorium, a hospital
in which underfed and unhealthy chil-
dren and those suspected of having tu-
berculosis are cared for. Friday night
they went to a community sing and
afterwards to a girls' basketball game.

Saturday was not quite so heavy. The
Old Ladies' Home was visited in the
morning, and later with one of the
preachers several invalid ladies confined
to their homes were seen and entertained
by the vocal and string quartets. Many
boys took advantage of the time set
apart in the afternoon for special inter-
views with the deputation men. A Sun-
day school basketball tournament was
witnessed on the same afternoon. That
night they attended a basketball game
between the Fayetteville "Y" and the
Wilmington A. C. L.

An 8:30 Sunday morning prayer meet-
ing was attended. This prayer meeting
is conducted every day in the week from
8:30 to 9 and has about 50 men present
on the average. Sunday school classes
were taught by the different deputation
men. Both quartets rendered selections
at the opening of the church services in
one of the churches and at the close of
that in another. One of the most suc-
cessful things of the whole stay was the
large mass meeting of boys which was
held Sunday afternoon. After this meet-
ing they went to Fort Bragg, delivering
talks there.

FRESHMEN WIN IN CLASS SNOW FIGHT

The freshmen, as usual, won the soph-
more-freshman snowfight Tuesday after-
noon. Much of the snow which fell
Monday was melted by the time of the
fight.

Gym classes were excused by Dr. Law-
son in order that the men might join in
the fight. Very few features distinguish-
ed this year's fight from those of past
years. One freshman was reported to
have been knocked out, and a number
of black-eyes and knobby skulls resulted
from the close range fighting.

Members of the sophomore class ap-
peared reluctant to engage in the fight.
A few members, reinforced by members
of the junior and senior class, managed
to collect a force sufficiently large to
make a stand. After the fight ended, the
freshman banner was floating from the
flag-pole.

The William Cain Civil Engineering
Society of the student chapter, A. S.
C. E., will meet today, January 28, in
Phillips Hall, room number 319. The
program for this meeting will consist of
a topographical survey by W. C. John-
son. Since the program will be very in-
teresting and instructive, all members
of the chapter are urged to attend.

THREE STUDENTS FOR LEGISLATURE

University of Florida Has Can-
didates for Legislature.

ARE UNDER CLASSEMEN

Two of the Men Are Freshmen; Third
One Is a Junior.

Down in Florida, the land of booms
and millionaires, three students enrolled
in the University of Florida have an-
nounced their candidacy for the state
legislature. Two of the men are at the
University for their first year, and the
third is a member of the junior class.

The student paper at the Florida Uni-
versity carries a full account of the stu-
dents' political ambitions and seems to
be pleased that such youthful sons of
alma mater should desire to sit among
the state solons. Says the paper:

"If some innocent Florida student
should come up to you in the near fu-
ture, stick his thumb in your button hole,
and pour into your ears the political
principles that are very abundant just
before the June Primary, don't be sur-
prised because we have them with us.
Three real honest to goodness Florida
Students are making a campaign for the
State Legislature. These students are
well known on the Campus and all their
friends are hoping that they will be
successful in their attempt to win a place
in Florida's law making body. Imagine
what a help it would be to the University
to have several students there in the
Legislature to look out for Her interests."

"The first of these candidates needs
no introduction to the Florida Student
body, he knows everybody and every-
body knows him, the one and only Fuller
Warren, candidate for the State Legisla-
ture from Calhoun County. He is a
Junior at Florida in his three years
here he has made a wonderful record.
President of the Sophomore Class and
Head Cheer-leader are two of his most
outstanding achievements. He is mak-
ing a clean race for Representative and
the people of Calhoun County cannot
go wrong if they select him as their
Representative."

"The second of these candidates is
Ammon McClellan, of Gulf County. Al-
though he is a freshman at Florida he
has quite a record of achievement. He
has served three terms as Reading
Clerk of the House of Representatives
and at present is engaged in compiling
a Handbook for the 1927 Session of the
Legislature. Here is a list of the things
he has done since coming to Florida:
Varsity Debating team, Alpha Phi Ep-
silon pledge, member of the Farr Liter-
ary Debating team which won the Cam-
pus championship, reporter on the Al-
ligator Staff, and President of the local
B. Y. P. U. This is a record that shows
ability and Mr. McClellan's friends are
sure of his success."

"The other candidate is J. K. Blue of
Washington County. This is Mr. Blue's
first year at Florida. However he has
attended Summer sessions and rates a
Sophomore. Mr. Blue is a member of
the Knights of Pythias and is Secretary
of the Mixpah Club on the Campus."
"All students are watching the pro-
gress of these men with interest and
wish for them the attainment of their
goal."

RUMORS OF AL SMITH'S VISIT HERE TAKE HALT

Lee Kennette Receives Letter Stating
Governor Will Hardly Be Able
to Visit Chapel Hill.

The rumors of a presidential campaign
visit by Gov. Al Smith to the Hill has
taken a sudden halt. Of course the sea-
son for picking executive timber has
only begun, and it is possible that the
young political boudiers and admirers
of the "Chief" of New York will yet
realize their hopes.

About three weeks ago quite a bit of
excitement was stirred up over a pro-
posed combination of Yankee and Dixie
element—that is Smith and Morrison
for the Democratic ticket in the race.
The Tar Heel was the recipient of let-
ters for the Open Forum boosting such
a plan. The spirit of enthusiasm was
not confined altogether within the
college walls, but broke forth into a
spasmodic fervor in several of the state
papers. Probably there is still a cher-
ished hope that the idea has grounds for
realization.

The Di Senate through its patriotic
agent, Lee Kennette, extended an in-
vitation to speak here this spring. The
invitation created sufficient sensation to
gain the attention of many newspapers
over the state. However a few days
ago Mr. Kennette received a gracious
reply from the executive chamber at
Albany in which his secretary states that
due to the pressing business which con-
fronts the Governor this spring he thinks
it not likely that he will have the oppor-
tunity. The Legislature is now in session
and a thirty-day bill period will soon
follow. In concluding his reply, the
Governor's secretary, Mr. Graves, says,
"He wants me to assure you of his ap-
preciation of the thoughts which are ex-
pressed in your kind letter and sends to
you and the student body his very best
wishes."

Students at the University of
North Carolina who now have un-
der consideration any one of the
three William and Mary Study
Tours in Europe are urged to con-
fer at once with Mr. J. C. Lyons,
Romance Language Department,
315 Murphey Hall, 10:30 to 11:30
(daily).

Only a limited number can be
placed in each group, and inquir-
ies are coming in daily from
other colleges and universities.
The management is anxious to hold
places for prospective members at
Carolina as long as possible, but
to do this it must know the ap-
plicant's name in order to keep in
touch with the progress of his
plans. All students interested in
foreign tours of nominal cost are
invited to call at the above address
at once.

TO INSTALL HONORARY MUSICAL FRATERNITY

Installation of Lambda Phi Epsilon,
Local, Into Phi Mu Alpha Will Take
Place Within Next Month.

The local music fraternity, Lambda
Phi Epsilon, will be installed into Phi
Mu Alpha, national honorary music frater-
nity, within the next month, according
to an announcement from the music de-
partment. J. H. Kemp is the head of
the local order.

Of the two national fraternities of this
type, Phi Mu Alpha is the older. There
are 35 chapters in leading Universities
and colleges throughout the United
States. The President of the national
organization, Prof. F. W. Dykema of
Columbia Teachers College, and the Sec-
retary, C. E. Lutton of Chicago, will be
present at the installation ceremony here.

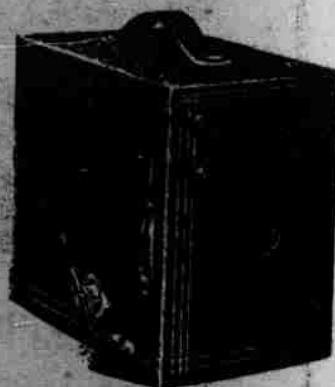

CHAPEL HILL GIRLS WIN FROM HILLSBORO

Last night the Chapel Hill high school
girls' basketball team defeated the Hills-
boro high school team in a fast and
tight game on the local court by the
score of 35-23.

At the end of the first half the score
stood at 17-14 in favor of the locals, but
the visitors were generally conceded to
have the superior passing team and to
equal the locals in shooting. In the
final half, however, the local girls re-
turned with fighting qualities and com-
menced to redeem their reputation. Dur-
ing the first ten minutes of the second
half the game zig-zagged back and
forth, neither team seemingly having
the advantage. During the rest of the
game, however, there was no doubt of the
final result. The ball continued to stay
in Chapel Hill's territory and three for-
wards, with Ayer leading the determined
attack shot basket after basket.

The line-up and final score, follows:
Chapel Hill Hillsboro
Ayer F. Cates
Parker F. Smith
Gooch F. Davis
Neville F. Knight
Pickett G. Allen
Walker G. H. Davis
G. H. Davis
Score, Hillsboro—Cates 13, and A.
Davis 10.
Chapel Hill—Ayer 17, Gooch 12, and
Parker 6.
