The Tar Heel

UNIVERSITY SERMON

Gerrard Hall

Sunday

7:30 P. M.

VOLUME XXXIV

CHAPEL HILL, N. C., SATURDAY, FEBRUARY 20, 1926.

NUMBER 55

EXTENSION WORK IS GROWING WELL ALL OVER STATE

Bureau Provides Instruction for More Than Half of Carolina Students.

3,000 STUDENTS LAST YEAR

Activities of Extension Division Are United the University Campus and the State.

Doubtless few are the citizens of North Carolina who have ever given much thought to the part of the State University that is not in Chapel Hill. Doubtless the State will be amazed to learn that more than half the students enrolled in the University last year were non-residents of the town in which the institution is located. Yet it is a fact, and it is so far for the first time in the 131 years that have intervened since Hinton James walked all the way from Wilmington through the muddy lanes to be the first student to enroll in the University.

The dream of Winston and Venable and Graham, and doubtless the presidents who came before them, that the University campus and the area of 52,286 square miles that comprise the physical State of North Carolina would some day be one, has literally come true. For the University now has hundreds of classrooms scattered throughout the State, and yet a mere handful of teachers in comparison.

There Were 2,800 Extension Students

Where are these classrooms? Their location is variable. They may be almost anywhere, in any building in which the students and instructors may choose to meet. Most often they are in the high school building of the community, but where they are held matters little so long as the room is properly ventilated and lighted. To conduct these extension classes University professors go out from Chapel Hill two or three times a week and give the same sort of credits for work satisfactorily completed. Last year there were 1,406 caroled in these classes, and twice as many were refused admission because of lack of money in

GLEE CLUB GIVES CONCERT TUESDAY

Just Returned From Second Engagement of Week.

WAS HIGHLY PRAISED

Club Will Appear in Memorial Hall Tuesday Evening.

The Glee Club returned last night from a trip to Winston Salem, where a concert was given at Salem College by the organization.

This engagement at Salem College was the second appearance of the Club this week. On Thursday evening the men sang at Pinehurst, where they were accorded an enthusiastic reception by an audience that dared to attend in spite of the bad weather. In the program given at the popular resort, the organization presented as soloist T. Smith McCorkle; violinist and music director in the University. The concert at Salem College included soloist numbers by Mr. McCorkle and William Breach, whose ability as a baritone is well known to people in this state. This program was highly praised by several music-lovers prominent in the realm of criticism. The success of these engagements indicates that the organization should enjoy a season more brilliant than that of any preceding year.

The concert here Tuesday evening will be featured by the tenor soloist, Theodore Fitch, who is well known for his exceptionally clear voice and his former prominence with the University music department as vocal instructor. Mr. Fitch who will arrive in Chapel Hill Sunday, has recently been engaged in concert

FAMOUS ACTRESS TO APPEAR HERE

Arna Heni Will Give Reading in Playmakers Theatre.

IS GIFTED NORWEGIAN

Production Will Have Appropriate Costuming and Stage Setting.

Arna Heni, illustrious Norwegian actress, will give dramatized reading of Henrik Ibsen's *Peer Gynt* in the Playmakers Theatre Monday evening at 8:30 o'clock. Her production will have appropriate costuming and stage setting, and it will be accompanied by Grieg's music.

Since she is a Norwegian, Arna Heni is able to bring to her interpretation of Ibsen a spirit so sympathetic that one sees the immortal drama in a new light. The play is given in English interpretations; and, since Madame Heni is a linguist of the highest order no part of the spirit of the play is lost through dramatic default.

Arna Heni is an actress of brilliant imagination and temperamental flexibility, and in her interpretation of *Peer Gynt* she is the whole play! She is more than Ase, and Peer Gynt, Aslak, the smith, Solveig and her parents, Ingrid and Mad Moens and the whole company of wedding guests, more than the king of the strolls and the stroll pack! She is the spirit that animated Ibsen's play, the lusty play of Ibsen's youth, rollicking, gay by contrast with those that were to come from his maturer pen, an embodiment of the folklore of the mountain folk, hill-children of the old Vikings, who first found America.

Brand, the *Master Builder* and *The Lady from the Sea* are included in her repertoire, but *Peer Gynt* is her favorite. It is a part of the soil of Norway, which is somber and silent through the long nights, which is the mother of giants of troll, which is the lover of a fine tale beside a bright fire, and which is a spectre of a strong arm and of a strong glass.

This gifted Norwegian has taken England as her own, and the great extent of her popularity there is shown in the following newspaper comments upon her performances:

The presentation of Ibsen's *Peer Gynt* by Madame Arna Heni was a very vivid and clever one, the actress in her quaint native dress being able to adapt her pose and vary her tone admirably, so that the different characters to the dialogue could be readily distinguished.

—Central Somerset Gazette.

'She took advantage of her compatriotism to show *Peer Gynt* as Ibsen meant him—and as only a Norwegian who feels in his very bones the mysticism of the folklore whose atmosphere surrounds the poem could show him.'—Birmingham News.

The tickets for this performance are on sale to-day at Sutton and Alderman's. Subscribing Members get a 10% reduction on the price of the tickets.

CHASE REQUESTED TO REMAIN HERE

Trustees Vote Resolution Asking Him to Retain Presidency.

RETURNS FIRST OF MARCH

Committee Appointed to Confer With Him On His Return.

The executive committee of the board of trustees of the University, in session at Raleigh Wednesday, passed resolution asking that Dr. Chase remain at his presidential post at the University of North Carolina. While only seven members of the board of trustees were present it is well known that they express not only the opinion of all the board but the state as a whole as well.

The people of the state are fast beginning to realize what president Chase has meant to them while the University has been under his competent guidance.

Just such an offer has been needed to show the alumni, and others as well what a place Dr. Chase has won in the hearts of the folks of the State.

The president's western tour of inspection has been the leading topic of discussion in Chapel Hill since his sudden departure three weeks ago. Only a short time ago the faculty in full session

passed a resolution asking him to continue his work in North Carolina. It now comes as no surprise that the trustees should ask him to remain, because after all they are the men who are in charge of the situation.

Since Dr. Chase's departure letters have poured into his office asking him to look upon the Oregon offer with disfavor. He has not reported how he stands on the position offered him by the Pacific coast university. He will not be forced to give an answer to the western institution until two weeks later.

The full resolution of the executive committee is as follows:

"It is the sense of the executive committee of the board of trustees, in session in the governor's office on the 17th day of February, 1926, that, while appreciating the recognition of the ability of Dr. Chase by other commonwealths, we believe that we voice the convictions of the people of the state in assuring him our belief that his largest service can be rendered by continuing the magnificent leadership which he has demonstrated at the University of North Carolina; expressing to him the approval of his policies and loyal support in the large expansion of the university which has characterized his presidency.

"Further. That a committee, of which the governor shall be chairman, be appointed to confer with Dr. Chase and report the result of the conference to a future meeting of the board of trustees.

"It is the further sense of the executive committee that the governor be requested to call a meeting of the full board of trustees on the 2nd of March, 1926."

Present: Governor A. W. McLean; Josephus Daniels; W. N. Everett; A. T. Allen; Charles Wheedbee; Lionel Weil; H. M. London, secretary.

Mesages were read from Walter Murphy, Francis D. Winston, A. M. Scales, Haywood Parker and W. L. Long strongly urging retention of Dr. H. W. Chase.

MADDY TO DELIVER UNIVERSITY SERMON

The February University Sermon will be preached tomorrow night at 7:30 o'clock in Gerrard Hall by Rev. Charles E. Maddry of Raleigh, Corresponding Secretary of the Baptist State Convention.

Dr. Maddry has preached a number of times at the University in recent years, having delivered the commencement address here several years ago. He was also one of the speakers at the State Baptist Student Conference which convened in Chapel Hill last fall. Moreover, he is an alumnus of the University and a number of years ago was superintendent of the Orange County schools.

FROSH FIVE WINS FROM WOODBERRY

Annex Last Game On Trip Through Virginia.

LOSE TO V. M. I. QUINT

Tar Babies Are Outplayed By V. M. I. Quint.

After having lost the first two games of the Virginia trip to Washington and Lee and V. M. I., respectively, the Tar Babies came back strong Wednesday night and defeated the Woodberry Forest quint by the score of 22-21. The game was unusually hard fought out-fits.

The two teams were about as evenly matched as possible and at no time during the game did either quint have a large margin over the other. As a result of this, the outcome was in doubt until the referee's whistle had put an end to the contest.

Rufus Hackney was easily the outstanding performer for the Tar Babies, he tossing in four field goals and playing an unusually good floor game. There were no individual stars for Woodberry, the whole team playing together as a unit.

An interesting feature of the contest was the fact that two brothers held down the stationery guard position for the opposing teams, Gordon Gray occupying this position for Woodberry and Bowman Gray for Carolina.

Line-up and summary:

Woodberry Forest	Carolina
Whisnant	Satterfield (C)
Fenner	R. F.
Jones (C)	L. F.
Nash	Hackney
Gray, G.	C.
	Finlator
	R. G.
	L. G.

Substitutions: Weaver for Whisnant, Ivey for Penner, Oakley for Wall, Wall for Satterfield for Oakley, Field Goals: Fenner (3), Jones (3), Whisnant (2), Nash (1), Hackney (4), Oakley (2), Satterfield (1), Wall (1). Folds: Jones (2-4), Whisnant (1-2), Hackney (3-4), Finlator (1-1). Referee: Sanders. V. M. I. Game

The Carolina freshman basketball team was defeated in the second game (Continued on page six)

PHANTOMS MEET DUKE AT DURHAM

Tar Heels Will Be Out to Revenge Tech Defeat.

MAY BE A CLOSE GAME

Coach Sanburn Probably Starts Same Team Used in North.

Smashing from the defeat at the hands of the Red Terrors from State College, the Tar Heels will go to Duke tonight to meet the Blue Devils in the second game of the year between the two teams, and it will be a quintet of raging fighting Phantoms that takes the floor in the Methodist's big gym.

The team was badly off in their game with the State College outfit, and as with the State College outfit, and as with the Tar Heels in every phase of the game. Since that disastrous game Coach Sanburn has been sending the team through a course calculated to remedy the ills in that contest, and tonight it will be a rejuvenated team that carries the Light Blue and White into battle.

Although the win by the Tech five Thursday night gives them the championship beyond a shadow of doubt it still does not rate the Tar Heels down very much in the dope for a third Southern Championship, and they will be out tonight for a sweet revenge for that terrible night. Tonight's contest has no bearing on the Conference percentage, but a loss to Duke would materially lessen the estimation of the basketball public for the Tar Heels, and it is just that they will be fighting for. It is worth a great deal to the team when they go to Atlanta to have the confidence of the folks back home in Old North State.

The dope gives the Tar Heels the edge on the Methodist tossers due to their season record. The two teams met once before with the Carolina outfit winning over the Blue Devils on the Tin Can court by a top-heavy score, but the Duke team will have the advantage of their home court and crowd in this second game, so they may pull an upset of the dopesters carefully prepared plans.

The Duke team will probably start their regular five, with Captain Pete Moss at center, Harkness and Bullock at forward, and Kelly and Weaver or Bennett at guard. Coach Sanburn will probably start Cobb and Dodderer at forward, Vanstory or Newcomb at center, and Hackney and Devin at guard.

FIRST YEAR MEN ARE ENTERTAINED

Members of Phi Beta Kappa are Hosts to Freshmen

LOCAL CHAPTER RULINGS

Guests Are Informed of Requirements For Membership.

Wednesday night at 8:30 at the Episcopal Parish House the members of the Phi Beta Kappa fraternity were hosts to the freshmen at the University whose grade placed them on the honor roll for the fall quarter. The purpose of the meeting was to inform the guests of the aims and purposes of the fraternity and explain the requirements for membership.

Dr. Wilson, the Register of the University, explained to the freshmen present the rulings of the local chapter in regard to attaining membership. He stated that there are four times during a student's college career at which he may be initiated into the fraternity. He may be initiated at the spring meeting after the winter quarter of his Junior year, at the commencement meeting after his Junior year, or at either of these meetings during his Senior year at the University. At these meetings he must have passed 24, 27, 33, or 36 courses respectively.

The average grade required for membership is 92.5. In averaging the grades of students a regular mathematical scale is used. On 'A' is given the value of 97.5, a 'B' is 92.5, a 'C' is 85, a 'D' is 75 on 'E' 65, and an 'F' is 30. Any student who makes an 'E' or an 'F' on any course after his freshman year is ineligible for membership, and he may make only his first year. At the time of his initiation he must have completed all his required courses, including the Sophomore electives.

Membership in the local chapter is entirely automatic. The student attaining the highest average on all his work at the completion of the winter quarter of his Junior year is automatically elected (Continued on page six)

TAR HEELS FALL BEFORE TECHMEN THURSDAY NIGHT

Red Terrors Win Game From Carolina By Score of 17 to 8.

WINNER IS 1926 CHAMP

Phantoms Fail to Break Through Defense of West Raleigh Aggregation.

The loving cup, emblematic of the North Carolina Intercollegiate Basketball Championship, has rested on the shelves of the Tar Heel trophy room for six years, but the foundations had grown mighty shaky by the middle of the game with N. C. State at Raleigh Thursday night, and when the final pistol cracked to signal the end of the contest the cup fell with a resounding crash. It was saved from utter destruction by the dashing State College Terrors who earned the right to save it by their 17 to 8 triumph over the Tar Heel tossers.

It was a fighting bunch of red-jerseyed Terrors that came out on the court of Frank Thompson Memorial Gymnasium for the first whistle, and they began the game with a grim determination to give the Tar Heels as good as they sent and more if they could. And could they do it? Better ask any one who saw the game did they do it. For the first half of the contest it was as pretty a scrap as any follower of the hardwood courts could wish for, but the last half was all red.

The Techmen presented a well nigh impregnable defense that turned every drive of the Tar Heel forwards back into the Carolina territory to result time after time in a State score. The State guards, Watkins and McDowell, put up one of the finest games ever seen in North Carolina. The floorwork of Jack McDowell was a beautiful thing to see. His dribbling has been equalled in the past only by a few of the superb exhibitions put up by "Monk" McDonald and Carl Carmichael, Carolina aces of several years past.

Gresham, State's midget forward, fall (Continued on page six)

LEATHER PUNCHERS TO SHOW WARES TONIGHT

Only Appearance of Boxing Team on the Hill This Year Will Determine Personnel for Virginia Trip.

Tonight at 8:30 in the Tin Can the boxing team will put on its first exhibition of the year in which all of the bouts will be fought to a decision. The purpose of the exhibition is to pick, by elimination, the men who will make the Virginia trip with the team.

Coach Rowe has been working his men out every afternoon in the Tin Can since his arrival at the beginning of the quarter. There are a number of promising prospects on the squad and the meet tonight will contain lots of action. All the candidates have been showing up well and the men who will fight tonight are the pick of the squad. There are six bouts on the card, with a possibility of seven.

Carolina begins its second season of boxing with two meets on the schedule so far. These meets are both away from the Hill so there is a possibility of tonight being the only time the student body will have a chance to see the team in real action. The team leaves Monday night for Charlotte, where they will box the University of Virginia on Tuesday, February 23. They will remain in Virginia until Saturday night, when they box V. P. I. at Blacksburg. The outcome of these two meets will probably affect materially the decision as to whether or not boxing will be made a letter sport at the University this year. Coach Rowe has high hopes of getting the coveted monogram awarded to his team, since such great interest has been shown in the new sport.
